Santa Ana Region Water Permit – San Bernardino County, 10-TC-10
California Regional Water Quality Control Board, Santa Ana Region,
Order No. R8-2010-0036, effective January 29, 2010
San Bernardino County Flood Control District, County of San Bernardino, Cities of Big Bear Lake, Chino, Chino Hills, Colton, Fontana, Highland, Montclair, Ontario and Rancho Cucamonga, Co-Claimants

Dear Mr. Rice:

The Commission on State Mandates (Commission) has received your 6th request for an extension of time to submit comments on the above-named matter. In the request, you represented that the claimants have no objection to the 60-day extension request. Section 1183.01(c)(1)(A) of the Commission's regulations provides that extensions by stipulation of the parties, including the claimant, shall be approved by the executive director for good cause.

Furthermore, because this item is not yet set for hearing due to the Commission's backlog and pending litigation relating to similar test claims, the granting of this extension will not cause further delay. Hence, there is no prejudice to the parties as a result of this extension.

Your request for extension of time to submit comments on this matter is approved for good cause. Comments are now due on or before **January 2, 2013**.

Please contact Heidi Palchik at (916) 323-3562 if you have any questions.

Sincerely,

Heather Halsey
Executive Director
