Re: Final Staff Analysis and Proposed Statewide Cost Estimate  
Integrated Waste Management, 00-TC-07

Dear Ms. Higashi:

I am writing to request that the above-entitled matter be postponed. The matter is scheduled for a hearing on October 26, 2006. I happened to notice that a hearing was set when I checked on your website last Thursday. As a result, I exchanged e-mails with Nancy Patton, your Assistant Executive Director. At that time, I mentioned to her that I had not yet received notice of this hearing, nor any documents relating to it. (I received a copy of the notice and analysis today).

As I mentioned to Ms. Patton, I am scheduled to speak before the County Counsel's Association in San Diego that day. I indicated that if the matter could be set for a time certain late enough in the day, that I could make it back in time (I am speaking in the morning in San Diego and could be back in Sacramento to speak by around 3-3:30). Ms. Patton indicated that she didn't believe the hearing was likely to last that long, but that I could request a postponement.

Therefore, I am requesting that this matter be postponed as I wish to submit information and make a presentation to the Commission on this matter. Please let me know if there is any additional information that I need to supply.

Thank you for your consideration.

Sincerely,

Elliot Block

Acting Chief Counsel
