NOTICE OF COMPLETE TEST CLAIM FILING AND SCHEDULE FOR COMMENTS (Gov. Code § 17500 et seq.; Cal. Code Regs., Tit. 2, §§ 1183, subd.(g) & 1183.02)

**TO: County of Sacramento
Department of Finance
State Controller's Office
Secretary of State's Office
Interested Parties**

On September 26, 2003, the County of Sacramento, Claimant, filed a test claim on the above-described statutes alleging a reimbursable state-mandated program pursuant to article XIII B, section 6 of the California Constitution and Government Code section 17514. The test claim is complete. The test claim will be heard and determined by the Commission on State Mandates pursuant to article XIII B, section 6, Government Code section 17500 et seq., and case law. The procedures for hearing and determining this claim are prescribed in the Commission's regulations, California Code of Regulations, title 2, chapter 2.5, section 1181, et seq.

COMMENT PERIOD

The key issues before the Commission are:

- Do the provisions listed above impose a new program or higher level of service within an existing program upon local entities within the meaning of section 6, article XIII B of the California Constitution and costs mandated by the state pursuant to section 17514 of the Government Code?
- Does Government Code section 17556 preclude the Commission from finding that any of the test claim provisions impose costs mandated by the state?
- Have funds been appropriated for this program (e.g., state budget) or are there any other sources of funding available? If so, what is the source?

State Agency Review of Test Claim - State agencies are requested to analyze the test claim merits and to file written comments no later than **November 3, 2003**. Requests for extensions of time may be filed in accordance with sections 1183.01, subdivision (c) and 1181.1, subdivision (g) of the regulations.

Claimant Rebuttal - The claimant and interested parties may file rebuttals to state agencies'

comments under section 1183.03 of the regulations. The rebuttal is due 30 days from the actual service date of written comments from any state agencies.

Mailing Lists - Under section 1181.2 of the regulations, the Commission will promulgate a mailing list of parties, interested parties, and interested persons for each test claim and provide the list to those included on the list, and to anyone who requests a copy. Any written material filed with the Commission on this claim shall be simultaneously served on the other parties listed on the mailing list provided by the Commission.

Consolidating Test Claims - Pursuant to Commission regulations, the executive director may consolidate part or all of any test claim with another test claim. See sections 1183.05 and 1183.06 of the regulations.

ADDITIONAL FILINGS ON THE SAME STATUTE OR EXECUTIVE ORDER

Under section 1183, subdivision (i) of the regulations, more than one test claim on the same statute or executive order may be filed with the Commission. The test claim must be filed within 60 days of the date the first test claim was filed. Claimants may designate a single claimant within 90 days from the date the first test claim was filed. If the Commission does not receive notice from the claimants designating a lead claimant, the executive director will designate the claimant who filed the first test claim as the lead claimant.

INFORMAL/PREHEARING CONFERENCE

An informal conference or prehearing conference may be scheduled if requested by any party. See sections 1183.04 and 1187.4 of the regulations.

HEARING AND STAFF ANALYSIS

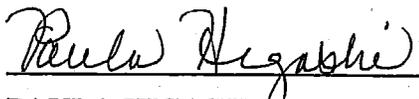

A tentative hearing date for the test claim will be set when the draft staff analysis of the claim is being prepared. At least eight weeks before a hearing is conducted, the draft staff analysis will be issued to parties, interested parties, and interested persons for comment. Comments are due at least five weeks prior to the hearing or on the date set by the Executive Director, pursuant to section 1183.07 of the regulations. Before the hearing, a final staff analysis will be issued.

Dismissal of Test Claims - Under section 1183.09 of the regulations, test claims may be dismissed when postponed or placed on inactive status by the claimant for more than one year. Before dismissing a test claim, the Commission will provide 60 days notice and opportunity for other parties to take over the claim.

Parameters and Guidelines - If the Commission determines that a reimbursable state mandate exists, the claimant is responsible for submitting proposed parameters and guidelines for reimbursing all eligible local entities. See section 1183.1 of the regulations. All interested parties and affected state agencies will be given an opportunity to comment on the claimant's proposal before consideration and adoption by the Commission.

Statewide Cost Estimate - The Commission is required to adopt a statewide cost estimate of the reimbursable state-mandated program within 12 months of receipt of a test claim. This deadline may be extended for up to six months upon the request of either the claimant or the Commission.
