Order No. R2-2009-0074  
City of San Jose, Claimant

Dear Mr. Wolfe:

On July 29, 2016, the Commission on State Mandates (Commission) received your request for an extension of time to supplement the record of the above captioned Test Claims by filing with the Commission copies of:

- a) the full administrative record of the California Regional Water Quality Control Board, Santa Ana Region permit order no. R8-2009-0030, National Pollutant Discharge Elimination System (NPDES) no. CAS618030; and
- b) the full administrative record of the California State Water Resources Control Board permit order no. R8-2009-0030 (NPDES no. CAS618030).

In your request, you explain that due to a lapse in internal communication, staff were not aware of the request until after the July 15, 2016, deadline had passed but as of July 29, 2016, have begun to prepare the record. In addition, you note that the assembly of the complete record will take significant additional staff time and that several supervisors and line staff in the Watershed Management Division responsible for creating the record will be out of the office for much of August. Specifically, you request an extension from July 15, 2016 to September 30, 2016.

Mr. Wolfe  
August 2, 2016  
Page 2

Section 1187.9(a) of the Commission's regulations provides that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request for extension shall be approved.

However, please note that the above-captioned claims have been tentatively set for hearing as follows: *Municipal Regional Stormwater Permit – County of San Mateo*, 10-TC-01, is tentatively set for hearing on January 27, 2017; *Municipal Regional Stormwater Permit – County of Alameda*, 10-TC-02, is tentatively set for hearing on May 19, 2017; *Municipal Regional Stormwater Permit – County of Santa Clara*, 10-TC-03, is tentatively set for hearing on September 22, 2017; and *Municipal Regional Stormwater Permit – Municipal Operations (C.2)*, 10-TC-05, is tentatively set for hearing on January 26, 2018. Because Commission staff need a complete record to prepare the Draft Proposed Decision, any extension beyond August 31, 2016 would also require a request for postponement of hearing pursuant to Section 1187.9(b).

Accordingly, your request for extension of time to submit the administrative records requested is approved. Please provide these documents as soon as possible but not later than **Wednesday, August 31, 2016**.

Sincerely,

Heather Halsey  
Executive Director
