Re: Santa Ana Region Water Permit – Riverside County, 10-TC-07, California Regional Water Quality Control Board, Santa Ana region, Order No. R8-2010-0033, Effective January 29, 2010

Dear Mr. Bohan:

This office represents the Riverside County Flood Control & Water Conservation District, the County of Riverside, and the Cities of Beaumont, Corona, Hemet, Lake Elsinore, Moreno Valley, Perris and San Jacinto, Claimants in the above-noticed Test Claim. I am writing on behalf of the Claimants to respectfully request an 88-day extension of the time for submittal of the Claimants' Rebuttals to the comments of the Santa Ana Water Board and the Department of Finance on the Test Claim. This would make the Rebuttals due on or before December 23, 2011.

Such extension is required due to the need to address the lengthy comments filed by these agencies, and particularly the Water Board, whose comments are 44 pages in length and includes 56 exhibits totaling hundreds of additional pages. The issues raised by the agencies' comments are complex and require not only detailed legal analysis but also factual responses by the Claimants. I have discussed this requested extension with counsel for the Water Board, David Rice, and he has no objection.

Pursuant to 2 Cal. Code Reg. § 1183.01(c), an extension may be granted by the Executive Director for "good cause" shown. Such good cause includes, *inter alia*, the number and complexity of the issues. 2 Cal. Code Reg. § 1181.1(h). Claimants also note that the agencies requested, and were granted, multiple extensions to file their comments. Claimants had no objection to such extensions.

BURHENN & GEST LLP

Mr. Drew Bohan September 14, 2011 Page 2

Claimants therefore respectfully request that you grant the requested extension to December 23, 2011. Thank you in advance for your consideration of this request.

Very truly yours,

David W. Burhenn
