Re: **Approval of Request for Extension and Approval of Postponement**
Upper Santa Clara River Chloride Requirements, 10-TC-09
Los Angeles Regional Water Quality Control Board Resolution No. R4-2008-012,
Effective December 11, 2008
Santa Clarita Valley Sanitation District of Los Angeles County, Claimant

Dear Ms. Fordyce:

On October 9, 2013, the Commission on State Mandates (Commission) received your request for extension of time to submit comments on the draft staff analysis and request for postponement of hearing on the above-entitled matter.

Your requests for extension of time to file comments and postponement of hearing are approved for good cause, pursuant to section 1183.01 (c)(1)(B) and (2)(A) of the Commission's regulations. However, any further requests for extension from any party or interested party or postponement from any party will be disfavored since they will further delay the timely resolution of this matter.

Comments from all parties are now due on or before **November 1, 2013**. This matter is now set for hearing on **January 24, 2014**, at 10:00 a.m. in Room 447 of the State Capitol, Sacramento, California.

Please contact Heidi Palchik at (916) 323-8218 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Halsey".

Heather Halsey
Executive Director
