RE: Notice of Extension Request Approval

San Diego Region Water Permit – Orange County, 10-TC-11
California Regional Water Quality Control Board, San Diego Region,
Order No. R9-2009-0002, effective December 16, 2009
County of Orange, Orange County Flood Control District, Cities of Dana Point,
Laguna Hills, Laguna Niguel, Lake Forest, Mission Viejo, and San Juan Capistrano,
Co-Claimants

Dear Ms. Hagan:

The Commission has received your 12th request for an extension of time to submit comments on the above-named matter. In your request, you noted that counsel for the claimants authorized you to represent to the Commission that the claimants stipulate to the request for an extension of time for the filing of comments until mid-July 2014. Section 1183.01(c)(1)(A) of the Commission's regulations provides that extensions by stipulation of the parties *shall* be approved by the executive director for good cause. Here, however, there is no indication that the Department of Finance, which is also a party to this matter, has stipulated to the extension.

Section 1183.01(c)(1)(B) of the Commission's regulations provides that requests for extensions filed by the claimant, a state agency or an interested party *may* be approved by the executive director for good cause. In your request, you cite to currently pending litigation on other NPDES test claims, addressing some of the same issues present in this test claim. Furthermore, because this item is not yet set for hearing, the granting of this extension will not cause further delay. Hence, there is no prejudice to the parties as a result of this extension.

Therefore, your request for extension of time to submit comments on this matter is approved for good cause. Comments are now due on or before **July 15, 2014**.

Please contact Jason Hone at (916) 323-3562 if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather Halsey", written over a white background.

Heather Halsey
Executive Director
