**Re: Comment on Test Claim 14-TC-01  
(California Assessment of Student Performance and Progress)**

Dear Members of the Commission on State Mandates:

On behalf of the Santa Rosa City Schools District ("District"), I, Socorro Shiels, Superintendent, submit this written comment regarding Test Claim 14-TC-01 alleging that the California Assessment of Student Performance and Progress ("CAASPP") constitutes a reimbursable state mandate. The District strongly supports the position of the test claimants. Between last year (2013-14) and this year (2014-15), my District estimates that it has incurred or will incur significant, ongoing expenses in preparing to administer and in administering the CAASPP.

While the CAASPP is an important and worthy policy, it clearly imposes requirements on districts. Not only are districts required to administer the CAASPP but they have no choice in how to administer it. Specifically for my District, preparing to administer and actually administering the CAASPP has required the following actions:

- Hire new staff such as technology specialists, test site coordinator, etc.
- Repurpose existing staff time for CAASPP tasks such as administering the assessment, training students use the devices, hardware, and software, etc.
- Provide additional training for staff in the areas of software/hardware, test administration, etc.
- Purchase new hardware for pupils or staff such as SEAC compliant tablets, laptops, carts, PCs, iPads, MacBooks, Chromebooks, etc.
- Purchase new technology accessories such as ear buds, mice, keyboards, etc.
- Purchase new software such as new operating systems, etc.
- Purchase new technology infrastructure such as routers, servers, etc.
- Upgrade the District's bandwidth.
- Educate district students and families regarding CAASPP requirements and impact

These required actions have necessitated and will necessitate a significant expenditure of funds, potentially impacting other priority programs and areas.

*Every student. Every day. Every possibility.*

Article XIII B, Section 6 of the California Constitution states that “[w]henver the Legislature or any state agency mandates a new program or higher level of service on any local government, the state shall provide a subvention of funds to reimburse such local government for the costs of such programs or increased level of service.” The purpose of this provision is to “preclude the state from shifting financial responsibility for carrying out governmental functions to local agencies, which are ‘ill equipped’ to assume increased financial responsibilities because of the taxing and spending limitations that article XIII A and XIII B impose.” (*County of San Diego v. State of California* (1997) 15 Cal.4th 68, 81.) In light of this constitutional obligation, I respectfully request that the Commission find for the test claimants and hold that the CAASPP constitutes a reimbursable state mandate.

I declare, by my signature below, that the statements made in this document are true and complete to the best of my own personal knowledge or information and belief.

Sincerely,

A handwritten signature in black ink, appearing to read "Susana Garcia", with a long horizontal flourish extending to the right.
