Hi Corina,

Do we need to process EVSVS for County Counsel consulting fee? If yes, then I will ask Stafanie / Angie to pull out the invoices to process correction.

Please advise, thank you.

Hi Hasmik,

For County Counsel, the charges are a portion of the overall invoice. Is the attached acceptable? The actual RRCC labor costs posted to eCAPS are also provided. Would we be limited to this amount for this period if the Test Claim is approved?

Hi Corina,

I would like to check with you regarding the coding for EVSVS.

Below is original coding

Unit Code: 11322 Administration Bureau  
Task order: 850 Administration Bureau  
Project Code: 9521 Administration Bureau

Re-allocate to

Unit Code: 11322 Administration Bureau or **11311 Governmental & Legislative Affairs**  
Task Order: 474 SB958 (Account Codes Book page 43)  
Project Code: **9122 Redistricting Commission** (Account Codes Book page 59)

Please advise.

Thank you.

Ah! That makes a big difference, having the right DSO number. So going forward, Angie, please code any SB958 charges, Citizens Redistricting Commission (SB958) on DSO 20JD0006, to:

Unit Code: 11311 Governmental & Legislative Affairs Task Order: 474 SB958 (Account Codes Book page 43) Project Code: 9122 Redistricting Commission (Account Codes Book page 59)

Thank you Jennifer.

My understanding that the only charges we've seen so far for SB958 is on the Judgement and Damages side of the billings (DSO-RR-20JD0006). The backup provided from your email was for DSO-RR-20CC0005 which did not identify any billings for SB958.

Please see attached billing for 20JD0006 with the identification for a SB958 billing on page 5.

Does this help?

Hi Jennifer,  
I looked at the attached (and all invoices billed thru Dec) and cannot locate the SB958 charges - can you please point them out to me?

Thanks!

Hi Corina,

Do we need to process EVSVS for County Counsel consulting fee? If yes, then I will ask Stafanie / Angie to pull out the invoices to process correction.

Please advise, thank you.

Ah! That makes a big difference, having the right DSO number. So going forward, Angie, please code any SB958 charges, Citizens Redistricting Commission (SB958) on DSO 20JD0006, to:

**Unit Code: 11311 Governmental & Legislative Affairs Task Order: 474 SB958 (Account Codes Book page 43) Project Code: 9122 Redistricting Commission (Account Codes Book page 59**

Thank you Jennifer.

My understanding that the only charges we've seen so far for SB958 is on the Judgement and Damages side of the billings (DSO-RR-20JD0006). The backup provided from your email was for DSO-RR-20CC0005 which did not identify any billings for SB958.

Please see attached billing for 20JD0006 with the identification for a SB958 billing on page 5.

Does this help?

Hi Jennifer,

I looked at the attached (and all invoices billed thru Dec) and cannot locate the SB958 charges - can you please point them out to me?

Thanks!

Hi Corina,

Do we need to process EVSVS for County Counsel consulting fee? If yes, then I will ask Stafanie / Angie to pull out the invoices to process correction.

Please advise, thank you.

Hi Hasmik,

For County Counsel, the charges are a portion of the overall invoice. Is the attached acceptable? The actual RRCC labor costs posted to eCAPS are also provided. Would we be limited to this amount for this period if the Test Claim is approved?

Ah! That makes a big difference, having the right DSO number. So going forward, Angie, please code any SB958 charges, Citizens Redistricting Commission (SB958) on DSO 20JD0006, to:

Unit Code: 11311 Governmental & Legislative Affairs Task Order: 474 SB958 (Account Codes Book page 43) Project Code: 9122 Redistricting Commission (Account Codes Book page 59)

Thank you Jennifer.

My understanding that the only charges we've seen so far for SB958 is on the Judgement and Damages side of the billings (DSO-RR-20JD0006). The backup provided from your email was for DSO-RR-20CC0005 which did not identify any billings for SB958.

Please see attached billing for 20JD0006 with the identification for a SB958 billing on page 5.

Does this help?

Hi Corina,

Do we need to process EVSVS for County Counsel consulting fee? If yes, then I will ask Stafanie / Angie to pull out the invoices to process correction.

Please advise, thank you.

Ah! That makes a big difference, having the right DSO number. So going forward, Angie, please code any SB958 charges, Citizens Redistricting Commission (SB958) on DSO 20JD0006, to:

**Unit Code: 11311 Governmental & Legislative Affairs Task Order: 474 SB958** (Account Codes Book page 43) **Project Code: 9122 Redistricting Commission** (Account Codes Book page 59)

Thank you Jennifer.

My understanding that the only charges we've seen so far for SB958 is on the Judgement and Damages side of the billings (DSO-RR-20JD0006). The backup provided from your email was for DSO-RR-20CC0005 which did not identify any billings for SB958.

Please see attached billing for 20JD0006 with the identification for a SB958 billing on page 5.

Does this help?

Hi Jennifer,

I looked at the attached (and all invoices billed thru Dec) and cannot locate the SB958 charges - can you please point them out to me?

Thanks!

Good morning Gayla,

Thank you for your justification below. We took a closer look at the contract and determined that we can proceed with the additional charges as long we also receive the documentation needed to support Section 8.40.1 of your contract (see screenshot below). Specifically, we need an email or other documentation to confirm you obtained advance written approval from the County for the subcontracted services needed.

**8.40 SUBCONTRACTING**

**8.40.1** The requirements of this Contract may not be subcontracted by the CONTRACTOR without the advance written approval of the COUNTY. Any attempt by the CONTRACTOR to subcontract without first obtaining prior written approval and the prior consent of the COUNTY may be deemed a material breach of this Contract.

Once the documentation is received we will be sure to process the invoice right away. If there is no documentation of the advanced approval, we kindly request that you remove the zoom charge and resubmit your invoice.

Please let me know if you have any other questions.

Thank you,

Angel

If you look at the contract, it talks about expenses to meet the requirements of Exhibit A in Exhibit B. When KH Consulting Group (KH) submitted our tasks with estimated hours and expenses, we identified the need to expand our standard Zoom and Webinar services to meet the CRC's needs. Part of the expansion is additional cloud storage to save the meeting, workshop, and public hearing recordings that are large files. The \$12.90 is reasonable

and may increase as our meetings become more frequent and longer. Below are these estimates that we provided. We are billing you for actual costs. Let me know if this explanation meets your needs. If not, do you want us to resubmit the invoice? Gayla

Hi Ric,

Thanks for calling.

I apologize for the invoicing error. You are correct, Zoom Invoice INV61847400 is for \$40.00 and not \$43.60, my mistake. I don't know why Zoom didn't charge the taxes on this invoice, as you can see the February Zoom invoice has the tax applied.

Please adjust the billed amount for the Zoom INV61847400 from \$43.60 to \$40.00 and reduce the total amount of KH Invoice 106505090 to \$25,058.60.

Please confirm that this adjust will allow you to process the KH invoice for payment.

Thank you for your help in correcting this.

Please stay safe.

We received the attached invoice for payment processing. We just wanted to verify the Zoom Invoice No.: INV61847400 - CRC Cloud Recording charge of \$43.60 indicated in KH Consulting Group's invoice# 106505090. It appears in Zoom's invoice that the total for service period 1/8/2021-2/7/2021 is only \$40.00.

Please let us know the correct payment amount to process.

Thank you.

- c. Button to sign up to receive meeting notices, etc.
- d. Clarity about upcoming meetings versus previous meetings, including uploads for:
  - i. Agenda
  - ii. Minutes
  - iii. YouTube recordings
  - iv. PDF files (PPT, Excel, etc.)
  - v. Public comment
- e. Google language translation
- f. Color motif as input to CRC logo (unless already designed)

2. IT Technical

- a. Will be using ZOOM Webinar
- b. Establishment of an LA County/Redistricting Channel on YouTube
- c. Live streaming of meetings on YouTube
- d. Ability to add captions
- e. Setting up gmail accounts for Commissioners and staff – request simple domain @lacountyredistrict... or something like that

Good morning Gayla,

Thank you for your justification below. We took a closer look at the contract and determined that we can proceed with the additional charges as long as we also receive the documentation needed to support Section 8.401 of your contract (see screenshot below). Specifically, we need an email or other documentation to confirm you obtained advance written approval from the County for the subcontracted services needed.

**8.40 SUBCONTRACTING**

**8.40.1 The requirements of this Contract may not be subcontracted by the CONTRACTOR without the advance written approval of the COUNTY. Any attempt by the CONTRACTOR to subcontract without first obtaining prior written approval and the prior consent of the COUNTY may be deemed a material breach of this Contract.**

Once the documentation is received we will be sure to process the invoice right away. If there is no documentation of the advanced approval, we kindly request that you remove the zoom charge and resubmit your invoice.

Please let me know if you have any other questions.

Thank you,

Angel

If you look at the contract, it talks about expenses to meet the requirements of Exhibit A in Exhibit b. When KH Consulting Group [KH] submitted our tasks with estimated hours and expenses, we identified the need to expand our standard Zoom and Webinar services to meet the CRC's needs. Part of the expansion is additional cloud storage to save the meeting, workshop, and public hearing recordings that are large files. The \$12.90 is reasonable

and may increase as our meetings become more frequent and longer. Below are these estimates that we provided. We are billing you for actual costs. Let me know if this explanation meets your needs. If not, do you want us to resubmit the invoice? Gayla

Zoom and Webinar expanded services	Cost Per Month				\$ 2,280
- Webinar up to 10,000 participants	\$ 40			\$ 480

Hi Lorayne,

After further reviewing the contract, the attached invoices appear to be allowable under subcontracting (see screenshots below). Before we can process payment and pursuant to Section 8.40 - Subcontracting, can you please provide us with any emails/documents showing your prior approval of the Translation costs? Also, the pricing schedule doesn't seem to have a category for translation. Therefore, please also confirm the rates to be used for Translation services.

**From SOW**

The ED Consultant will work with the CRC to establish a comprehensive workplan of deliverables and timeline of activities and due dates including but not limited to:

1. Determining how to provide information through media, social media, and public service announcements including if additional subconsultants are needed, to meet the County's diversity and multi-lingual population.
2. Identifying and coordinating with community organizations and other stakeholder entities for dissemination and collaboration of redistricting information, and input and participation of the community for public meetings and hearings.
3. Create a plan for developing and maintaining the content to be posted on the County provided public redistricting website, including making available to the public a calendar of all public meetings.
4. Determine how to provide access related to language, disability, or other needs.

#### 8.40 SUBCONTRACTING

- 8.40.1 The requirements of this Contract may not be subcontracted by the CONTRACTOR without the advance written approval of the COUNTY. Any attempt by the CONTRACTOR to subcontract without first obtaining prior written approval and the prior consent of the COUNTY may be deemed a material breach of this Contract.

Thank you.

Good afternoon Lorayne,

We just wanted to reach out to you on our inquiry below because of the Fiscal Year End deadline that we are trying to meet. Today is the last day to process payment in period 13. We can only resume payment processing on Tuesday July 20, 2021. We are just concerned because KH is an SBE vendor which requires prompt payment.

Thank you.

We are in the process of reviewing the attached invoice for translation services of V&L International, LLC for payment. We are not sure if this is considered a sub-contract service. If so, we need help in relating the charges with the Contract Pricing Schedule to support the payment.

OK. I will put TRADITIONAL.

If they want SIMPLIFIED, they can always request it.

It's a tough one. It's like choosing between Serbian and Croatian. It can be quite political at times.

interchangeable/legible. Traditional would better reach longstanding Chinese communities, and simplified would better reach the newer immigrant communities since the 1980s or so. Not sure what the balance of those demographics is in LA county, but I would guess that simplified would be more helpful, though that will obviously vary a lot by city/neighborhood. You might have unhappy people either way too because of bias toward one community over the other. It looks like LA County voter registration for Chinese language is in traditional, so I'd just go with that."

Maybe quote both? Or do the formal traditional one since it is what LA County uses for voter registration. Gayla

Thank you, Gayla!

We are still working on the estimate for all languages.

I am shooting for the end of today, but we will probably have a comprehensive estimate on Monday.

The deadline is not an issue if we get the approval early next week.

Thank you again for the opportunity to bid on this project.

Hi, Lejla, Here's the other doc – FACT SHEET – that would need to be translated in the 12 languages. The other items are much shorter. You should include this with your PPT estimates. Thanks! Gayla

After CHW initials each page, signs and dates at the end, and returns the enclosed copy of this Exhibit accepting these terms, CHW may remit invoices for payment in accord with these terms.

**SUBMISSION OF INVOICE**

Invoices for services and reimbursable expenses must be submitted monthly (in arrears). Each invoice must be for services performed and expenses incurred commencing on the first day of the calendar month and ending on the last day of that month. The monthly invoice must include all services and reimbursable expenses incurred during the month. Charges for court reporters, experts, document reproduction, and other recurrent expenses must be included in the invoice for the month in which the cost was incurred. As may be necessary to maintain the attorney-client privilege of the Commission, you may redact portions of the description of any particular time entry before submittal to County personnel.

**Re: Representation of County of Los Angeles Citizens Redistricting  
Commission**

Dear Peter and Gayla:

As you asked, I write to propose the terms under which we agree to represent the County of Los Angeles Citizens Redistricting Commission ("you" or "Commission"), which is charged with adjusting the boundary lines of the districts of the Board of Supervisors of the County of Los Angeles. This will be our sole project for the Commission.

This letter sets forth the basis upon which our firm will provide legal services to the Commission and bill the County of Los Angeles for services and costs. This fee agreement is made with both the County of Los Angeles (as the party responsible for the

Peter Bollinger  
December 10, 2020

payment) and the Commission as our client, subject to the disclosures and consent required by Rule 1.8.6 of the Rules of Professional Conduct (explained below). If it is acceptable, we need you both to execute it and return it to me. If you have questions or concerns about this form of agreement, please call me at the direct-dial number listed above.

The firm maintains a conflict of interest index which lists all clients of our firm and matters in which we represent them. We will not represent any party with an interest that may be adverse to an indexed person without first determining if a professional conflict of interest would arise. We propose to index the following with respect to this matter:

Client-Affiliated Parties:

County of Los Angeles Citizens Redistricting Commission

Please let me know if this name is incorrect or if there are other parties with an interest in this matter that we should list. Unless we hear from you to the contrary, we will assume that the above listing is accurate and complete.

We have reviewed our files and our conflicts index and have no other client relationships which would interfere with our ability to represent the Commission in this matter. Because the County of Los Angeles has agreed to pay our bills directly, our obligations under Rule 1.8.6 will be implicated. That rule states:

A lawyer shall not enter into an agreement for, charge, or accept compensation for representing a client from one other than the client unless:

- (a) there is no interference with the lawyer's independent professional judgment or with the lawyer-client relationship;
- (b) information is protected as required by Business and Professions Code section 6068, subdivision (e)(1) and rule 1.6 . . .

We see no difficulty in complying with this rule, as our work will be for the Commission, we will take our direction from the Commission and preserve its secrets, and will not view the County of Los Angeles as our client for this representation. By signing below, the Commission and the County agree: (i) to retain us to represent the Commission as provided in this letter, and (ii) to our acceptance of payment from the County of Los Angeles.

Peter Bollinger

As we have discussed, the nature of the matter makes it impossible for us to precisely estimate the fees the Commission may incur. The County of Los Angeles will receive monthly statements informing it of the fees and costs incurred during the prior month. If necessary, we will redact any privileged information from such invoices. We will, of course, do our best to represent the Commission efficiently and without undue expense.

Please make payments payable to Colantuono, Highsmith & Whatley, PC directly to our Grass Valley office at:

Colantuono, Highsmith & Whatley, PC  
420 Sierra College Drive, Suite 140  
Grass Valley, CA 95945-5091

Our federal employer identification number is 75-3031545.

Pamela Graham and I will have primary responsibility for representing the Commission, and the firm will use other attorneys and legal assistants in the best exercise of our professional judgment. If you have questions, concerns or criticisms at any time, please contact me at once. Naturally, we expect the Commission to keep us reasonably informed of all significant developments regarding this representation.

We review all statements before they are issued to ensure the amount charged is appropriate. The statement for fees is simply the product of the hours worked multiplied by the hourly rates for the attorneys and legal assistants who did the work.

Our hourly rates are based upon the experience, reputation and ability of the lawyer or legal assistant performing the services, and for 2020 range between \$220 and \$525 per hour for attorneys' time, and between \$145 and \$170 for the time of paralegals and legal assistants. As a courtesy to you, however, we agree to cap our rates at the amounts set forth in Exhibit A, a substantial discount from my full hourly rate of \$525. Our rate structure in general and the rates of particular lawyers may be increased from time to time, and are usually adjusted as of the beginning of each calendar year. However, we will not lift the hourly caps outlined above without first discussing with the Commission and the County our need to do so. Moreover, we will not seek to lift the specified caps before December 31, 2021.

Peter Bollinger  
December 10, 2020  
Page 4

It may be necessary to bill for items such as, but not limited to, authorized travel,, filing fees, and the like. These items are separately itemized on our statement as "disbursements." These amounts will be billed in addition to our fees and in accordance with the terms set forth on Exhibit A.

The terms and conditions attached hereto as Exhibit A are incorporated here by reference. If there are conflicts between Exhibit A and this letter the terms in Exhibit A control with the sole exception that the Commission and not the County is our client.

We rarely have disputes with clients over our fees. Nevertheless, you should be aware that you are entitled to require that any fee dispute be resolved by binding arbitration in Los Angeles Counties pursuant to the arbitration rules for legal fee disputes of the Los Angeles County Bar Association. Such fee arbitration is at your option.

The Commission has the right to terminate our representation at any time. We have the same right, subject to an obligation to give you reasonable notice to arrange alternative representation, if necessary. In either circumstance, you agree to secure new counsel to represent you as quickly as possible and to cooperate fully in the substitution of any necessary new counsel as counsel of record. Notwithstanding the termination of our representation, the County will remain obligated to pay to us all fees and costs incurred previously.

You agree that we may, in our discretion, maintain all or part of your client file in electronic format. The firm may store part or all of your documents using secure cloud storage services. If so, the firm will apply all reasonable methods to maintain the confidentiality of your files, just as it does for your non-digital information. Your data will be password protected and encrypted using currently available technology. Clients requiring information from their files may obtain that information only by written request to us.

You also agree that following termination of our attorney-client relationship, we will not be required to maintain your client file for more than four years. If you ask us to deliver your file to you, you agree that delivery of an electronic version, together with any materials that cannot be saved electronically, satisfies our obligation to release all your client papers and property to you. Two years after termination of our relationship, and after reasonable notice, you agree that we will be free to destroy your client file, including all electronic records. We may also discharge our obligation to maintain your

file before two years expire by mailing a copy to you at your address last known to us. You agree that "reasonable notice" means our mailing a notice of our intent to destroy your client file to you at that address.

I apologize for the formality of this letter, but we are required by California law to provide this information to you in writing. We are also required to inform you that we currently maintain professional liability insurance coverage.

Please review the foregoing and, if it meets with your approval, execute it and return it to me. If you have any questions, please feel free to call me at the direct-dial number above. Thank you for the opportunity to represent you!

Very truly yours,

Holly O. Whatley

## **TIME CHARGES**

All legal services must be billed in one-tenth of an hour (.10/hour) or six-minute increments. Legal services billed in quarter-hour or half-hour increments are not acceptable. The legal services category of the invoice must set forth: (1) the *date* of each service; (2) a *description* of the specific service rendered; (3) the *identity of the attorney or paralegal* rendering the service; (4) the *time expended* for each service; and (5) the *amount charged* for each service.

## **DESCRIPTION OF SERVICE**

Only professional services should be billed. There are numerous secretarial or clerical functions which are integral to the business of the law firm which do not constitute professional services. Such functions include scheduling meetings, collating, proofreading, calendaring, and processing of vendor bills. Such services are considered firm overhead expenses. Generic or general activity descriptions for purposes of invoicing are acceptable, in this matter, for payment. However, detailed descriptions of each billed service must be maintained by your firm and described with sufficient detail to permit: (1) a determination of the precise legal service provided, and (2) an assessment as to the appropriateness of the related time charge. Each specific service must be separately described. "Block billing" is not acceptable. Descriptions

which are acceptable: (1) *identify* the purpose and attendees of the conference; (2) *describe* the form of discovery propounded or responded to; (3) *identify* the deponent and the party who noticed the deposition; (4) *provide* a general description of the documents reviewed; and (5) *specify* the nature and purpose of the research. Your firm's detailed descriptions may be audited or reviewed by a court or other authorized party.

#### **TIME EXPENDED**

The time charged must reflect the *actual time* expended on the service. Standardized charges are not acceptable. Many documents are maintained as forms and are utilized repeatedly as modified for a particular case or matter. *Only* the time required for modification should be billed. Such billing practices also apply to similar or identical notices or subpoenas which are prepared with minimal modifications and served on multiple parties. *Only* the time spent on modifications should be billed.

#### **OVERHEAD EXPENSES**

Expenses, such as document reproduction and scanning, postage, telephone charges (local and long distance), facsimile/telecopier (local and long distance), local (within the counties of Los Angeles, Orange, Riverside, San Bernardino and Ventura) transportation costs (travel/mileage/parking), secretarial or clerical time or overtime, on-line computer-assisted research, word processing, books, office supplies, time responding to invoice audits or inquiries, and other ordinary expenses which the firm incurs to maintain its offices are overhead expenses and are **not** reimbursed by the County.

#### **REIMBURSABLE EXPENSES AND DISBURSEMENTS**

Reimbursable expenses and disbursements include costs attributable to conducting depositions (including transcript and videos fees), retaining experts and consultants, messenger and investigative services, filing fees for which the County is not exempt, and out-of-town travel expenditures.

The following guidelines should be observed with regard to these particular cost items:

***Messenger/Courier/Delivery/Express/Overnight Mail Services.*** The use of messengers and expedited mail services is considered part of the normal overhead costs of the firm. Such costs will *only* be reimbursed if they are: (1) required because of an emergency situation over which the firm had no control; or (2) necessary to ensure the safekeeping of sensitive documents or materials.

***Travel.*** The County does not reimburse for taxis, mileage, meals, parking or other *local* (within counties of Los Angeles, Orange, Riverside, San Bernardino and Ventura) travel expenses. When *out-of-town travel* is required, mileage will be

reimbursed. The County will also reimburse for coach airline travel only. Should counsel or a retained expert elect to travel first-class, the coach rate should be indicated on the travel voucher submitted with the invoice. Airport parking will be reimbursed at various rates depending upon the location of the lot. Out-of-town ground transportation (taxi or rental car) will be reimbursed at cost. A per diem is provided for out-of-town meals. The actual cost of meals must be itemized and supported by receipts. Lodging will be reimbursed on a per night basis (single-occupancy, plus tax) with the submission of the hotel receipt. Telephone bills and personal expenses, such as charges for "gift shop," "valet," "movies," "bar," and the like, will not be reimbursed.

**Reproduction/Photocopying and Scanning.** The internal copying and scanning of documents are considered to be overhead items which are part of the firm's cost of doing business. The County expects all monthly copying and scanning *projects* not exceeding **500 pages** to be performed internally. A single billing period may contain multiple copying and scanning "*projects*." Outside photocopying or scanning services should be used for large volume (exceeding 500 pages), or special-sized or formatted projects.

**Copying.** When documents are *copied* by an outside vendor, the County will reimburse the firm for the actual cost of the copying project, not to exceed **\$ .15 per page**. Should the number of copies exceed **2,500 pages**, the County shall be billed at a reduced rate, not to exceed **\$ .10 per page**. If the firm elects to internally copy a large volume (exceeding 500 pages) project, the County will reimburse the firm at a rate comparable to that charged by local outside vendors, not to exceed **\$ .15 per page** for copies **over 500 pages** and **\$ .10 per page** for copies **over 2,500 pages**.

**Scanning.** When documents are *scanned or imaged* by an outside vendor, the County will reimburse the firm for the actual cost of imaging, not to exceed **\$ .20 per page**. Hard copies or "blow-backs" produced by imaging vendors will be reimbursed at **\$ .05 per page**. An additional charge of up to **\$ .03 per hard copy** may be added if the documents are "bate-stamped." The County will reimburse the firm for projects **over 500 pages** at the firm's actual cost of scanning or imaging, "blow-backs," and bate-stamping, not to exceed the allowable outside vendor rates for such services.

**Invoicing.** Copying and scanning charges must be documented, i.e., the number of pages and cost per page as reflected by the firm's records when copied or scanned internally, and by the vendor's invoice when copied or scanned outside. The firm or vendor invoice should specifically reference each copying or scanning project for which reimbursement is sought.

**On-Line Computer-Assisted Research.** Charges arising from Westlaw, LexisNexis, and other on-line computer research databases are non-reimbursable.

## **OTHER STANDARD TERMS AND CONDITIONS**

### B. Insurance:

Without limiting your firm's indemnification of the County and its officers, agents and employees, your firm shall provide and maintain at its own expense the following programs of insurance covering your firm's operations during the term of our engagement.

1. Liability: Such insurance shall be primary to, and not contributing with, any other insurance maintained by the County, shall name the "County of Los Angeles Citizens Redistricting Commission" and "County of Los Angeles" as additional insureds, and shall include, but not be limited to:

"Insurance afforded by this policy shall also apply to the liability assumed by the insured under the agreement with the County of Los Angeles for legal services, provided such liability results from an error, omission, or negligent act of the insured, its officers, employees, agents, or subcontractors. All other provisions of this policy remain unchanged."
- c) Comprehensive Auto Liability endorsed for all owned, non-owned, and hired vehicles with a combined single limit of at least \$300,000 per occurrence.

1. Your firm acknowledges that the County has established a goal of ensuring that all firms which benefit financially by contracting with the County are in compliance with their court ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.
2. As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting your firm's duty to comply with all applicable provisions of law, your firm warrants that it is now in compliance, and shall maintain compliance with employment and wage reporting requirements in the Federal Social Security Act (42 USC §653a) and California Unemployment Insurance Code §1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure §706.031 and Family Code §5246(b).

D. **Compliance with the County's Jury Service Program:**

1. **Jury Service Program:** Subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in §2.203.010 through §2.203.090 of the County Code.
2. **Written Employee Jury Service Policy:**
  - a) Unless your firm has demonstrated to the County's satisfaction either that your firm is not a "Contractor" as defined under the Jury Service Program (County Code §2.203.020) or that your firm qualifies for an exception to the Jury Service Program (County Code §2.203.070), your firm shall have and adhere to a written policy that provides that its employees shall receive from your firm, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with your firm, or that your firm deduct from the employee's regular pay the fees received for jury service.

- b) For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of your firm. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) your firm has a long-standing practice that defines the lesser number of hours as full time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full time for purposes of the Jury Service Program. If your firm uses any subcontractor to perform services for the County, the subcontractor shall also be subject to the provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement.
- c) If your firm is not required to comply with the Jury Service Program, your firm shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and your firm shall immediately notify the County if your firm at any time either comes within the Jury Service Program's definition of "Contractor" or if your firm no longer qualifies for an exception to the Jury Service Program. In either event, your firm shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at its sole discretion, that your firm demonstrate to the County's satisfaction that your firm either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that your firm continues to qualify for an exception to the Program.

E. Independent Contractor Status:

1. This agreement is not intended, and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and your firm.
2. Your firm understands and agrees that all your firm personnel furnishing services to the County are employees solely of your firm and not of the County for purposes of workers' compensation liability.

3. Your firm shall bear the sole responsibility and liability for furnishing workers' compensation benefits to any of your firm's personnel for injuries arising from services performed.

## **APPLICATIONS**

The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) received 741 applications by September 8, 2020. The RR/CC then reviewed the applications and narrowed the applicant pool to 533 qualified applicants, based on Senate Bill 958. The RRCC assigned

RR/CC staff to independently review the applications and separated demographic information from the review of subjective questions to eliminate potential bias. RRCC identified the pool of 60 most qualified names and submitted them to the Auditor-Controller after the 30-day public review period.

## RANDOM DRAWING

The Los Angeles County Auditor-Controller conducted a random drawing at the Board of Supervisors' meeting on November 24, 2020, selecting 1 Commissioner from each of the 5 existing Supervisorial Districts and 3 Commissioners randomly drawn from the remaining 55 applicants.

## REMAINING COMMISSIONER SELECTION

The 8 randomly selected Commissioners met during four special meetings between December 14, 2020, and December 28, 2020, to select the remaining 6 Commissioners from the remaining 52 qualified applicants. On December 28, 2020, the list of the adopted 14 CRC Commissioners was finalized.
