#### **Budget, Workload Update, and Tentative Agenda Items for the July 2022 and September 2022 Meetings (info)**

##### **I. New Commission Staff**

The Commission has recently hired a new attorney.

Ms. Mariko Kotani graduated from Stanford with a Bachelor of Arts degree in Sociology and Japanese and then went on to graduate from Santa Clara Law School, summa cum laude. After several public interest legal intern experiences, she began her legal career at the Office of Legislative Counsel, first as a summer intern, then as a graduate legal assistant, and then as deputy legislative counsel where she drafted complex legislation and prepared legal memoranda on a wide variety of subjects, with a particular focus on tax and cannabis law. Ms. Kotani comes to the Commission from a stint at the Department of Consumer Affairs, where she drafted regulatory packages for various boards and bureaus. Ms. Kotani has experience presenting before boards, bureaus, and the Legislature and has a general familiarity with mandates law due to her experience in drafting bills and analyzing their impacts on local governments. Ms. Kotani joined the Commission on May 2 and we are delighted to have her on board.

The Commission is now fully staffed.

##### **II. 2022-2023 Budget**

The Budget Act of 2022 (AB 1624, Ting; SB 840 Skinner) was introduced on January 10, 2022. The Commission's budget was heard in Senate Budget Subcommittee 4 on February 9, 2022, and was approved as proposed. On March 8, 2022 it was heard and approved in Assembly Budget Subcommittee 4. The Governor will release his May Revision on May 13, 2022.

##### **A. The Commission's Operating Budget: 8885-001-0001**

The Commission's 2022-2023 budget as proposed for the Governor's Budget was \$3,182,000. This is an increase of \$475,000 over the 2021-2022 budget of \$2,707,000. The proposed 2022-2023 Commission budget includes a proposal for three additional positions and a reclassification of an existing position (two Associate Governmental Program Analysts and one Information Technology Specialist I, as well as a reclassification of the current Information Technology Specialist I to a Technology Specialist II) for administrative and information technology staff and document accessibility software. This would increase the Commission's staff from 13.5 positions in 2021-2022 to 16.5 positions in 2022-2023. The increase also includes a request for a one-time augmentation of \$8,000 General Fund for portable document format (PDF) accessibility remediation software. The proposal also includes \$62,903,000 for local agency mandated programs. This is an increase of \$15,225,000 over the 2021-2022 budget of \$47,678,000.

## **2. 5180-151-0001 – For Local Assistance, Department of Social Services**

Although local agency mandates are generally now funded through the Commission’s budget, recent budgets (including for 2022-2023) make up to \$4 million dollars available in county-optional block grant funding through the Department of Social Services’ budget, for allocation to local agencies to fund activities that are reimbursable under *Interagency Child Abuse and Neglect Investigation Reports*, 00-TC-22. Local governments that receive the block grant funding are not eligible to claim costs under section 17560 of the Government Code for any costs associated with the program. The Department of Social Services, in consultation with the California State Association of Counties, shall develop the allocation methodology for distributing the funds to the participating counties. Block grant funding apportioned according to this item is subject to annual financial and compliance audits.

### **C. K-14 Mandate Funding and Suspension**

Unlike local agency mandate funding, K-14 mandate funding takes place outside of the Commission’s budget. Among other things, the Budget Bill (AB 1624, Ting; SB 840 Skinner) does the following with regard to mandate funding.

#### **1. 6100-295-0001 – For Local Assistance, State Department of Education (Proposition 98)**
