PROPOSED DECISION AND PARAMETERS AND GUIDELINES

(AB 132, Section 10)

Free Application for Federal Student Aid (FAFSA)

22-TC-05

EXECUTIVE SUMMARY

I. Summary of the Mandate

These Parameters and Guidelines address state-mandated activities and increased costs arising from Education Code section 51225.7 (Stats. 2021, ch. 144), which requires school districts, including county offices of education, to confirm that each pupil in grade 12 complete at least one of two specified financial aid applications, unless the pupil opts out of the requirement or is deemed exempt by the school district, and to direct pupils in grade 12 to services necessary to assist them in completing the appropriate financial aid application.

On May 24, 2024, the Commission on State Mandates (Commission) adopted a Decision finding that the test claim statute (Ed. Code § 51225.7, Stats. 2021, ch. 144) imposes a reimbursable state-mandated program upon school districts, including county offices of education, within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The Commission partially approved this Test Claim for the following reimbursable activities beginning July 27, 2021:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).
- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if

applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).

- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).

The Commission also found that California Code of Regulations, title 5, section 30035, Appendices A and B, as added by the test claim regulation (Reg. 2022, No. 19), do not impose any requirements on school districts and, therefore, do not constitute a reimbursable state-mandated program.

II. Procedural History

On May 24, 2024, the Commission adopted the Test Claim Decision.¹ On May 30, 2024, Commission staff issued the Draft Expedited Parameters and Guidelines.² On June 20, 2024, the State Controller (Controller) filed comments on the Draft Expedited Parameters and Guidelines, stating that no changes are recommended.³ Neither the claimants nor the Department of Finance (Finance) filed comments on the Draft Expedited Parameters and Guidelines. Pursuant to section 1183.9(d) of the Commission's regulations, Commission staff did not issue a Draft Proposed Decision and Parameters and Guidelines for comment because no substantive comments were filed on the Draft Expedited Parameters and Guidelines.⁴

III. Discussion

A. Eligible Claimants (Section II. of the Parameters and Guidelines)

Any "school district" as defined in Government Code section 17519, except for community colleges, that incurs increased costs as a result of this mandate is eligible to claim reimbursement.

¹ Exhibit A, Test Claim Decision, adopted May 24, 2024.

² Exhibit B, Draft Expedited Parameters and Guidelines, issued May 30, 2024.

³ Exhibit C, Controller's Comments on the Draft Expedited Parameters and Guidelines, filed June 20, 2024.

⁴ California Code of Regulations, title 2, section 1183.9(d) provides: "If no comments are filed on the draft expedited parameters and guidelines that raise substantive issues regarding any of the elements described in section 1183.7, a draft proposed decision in accordance with section 1183.13(a) of these regulations need not be prepared and the executive director may schedule the proposed decision and parameters and guidelines for adoption at the next regularly scheduled hearing in accordance with section 1183.13(d) of these regulations."

B. Period of Reimbursement (Section III. of the Parameters and Guidelines)

Government Code section 17557(e) states that a test claim shall be submitted on or before June 30 following a given fiscal year to establish eligibility for that fiscal year. The claimant filed the test claim on June 23, 2023, establishing eligibility for reimbursement for the 2021-2022 fiscal year. However, the test claim statute was effective on July 27, 2021. Therefore, based on the later effective date of the statute, costs incurred are reimbursable on or after July 27, 2021.

C. Reimbursable Activities (Section IV. of the Parameters and Guidelines)

Section IV. of the proposed Parameters and Guidelines identifies the mandated activities approved by the Commission and specifies when reimbursement for that activity is not required, consistent with the Test Claim Decision.

D. Claim Preparation and Submission (Section V. of the Parameters and Guidelines)

Section V. of the Parameters and Guidelines (Claim Preparation and Submission) identifies the direct costs that are eligible for reimbursement.

E. Offsetting Revenues and Reimbursements (Section VII. of the Parameters and Guidelines)

Section VII. of the Parameters and Guidelines governs offsetting revenues (i.e., funds that are not a claimant's proceeds of taxes), which are required to be identified and deducted from the costs claimed.

F. Remaining Sections of the Parameters and Guidelines

The remaining sections of the Parameters and Guidelines contain standard boilerplate language.

IV. Staff Recommendation

Staff recommends that the Commission adopt the Proposed Decision and Parameters and Guidelines and authorize staff to make any technical, non-substantive changes to the Proposed Decision following the hearing.

I. Summary of the Mandate

These Parameters and Guidelines address state-mandated activities arising from Education Code section 51225.7 (Stats. 2021, ch. 144), which requires school districts, including county offices of education, to confirm that each pupil in grade 12 complete at least one of two specified financial aid applications, unless the pupil opts out of the requirement or is deemed exempt by the school district, and to direct pupils in grade 12 to services necessary to assist them in completing the appropriate financial aid application.

On May 24, 2024, the Commission on State Mandates (Commission) adopted a Decision finding that the test claim statute (Ed. Code § 51225.7, Stats. 2021, ch. 144) imposes a reimbursable state-mandated program upon school districts, including county offices of education, within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The Commission partially approved the Test Claim for the following reimbursable activities beginning July 27, 2021:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).
- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).
- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).

The Commission also found that California Code of Regulations, title 5, section 30035, Appendices A and B, as added by the test claim regulation (Reg. 2022, No. 19), do not impose any requirements on school districts and, therefore, do not constitute a reimbursable state-mandated program.

II. Procedural History

Education Code Section 51225.7, as Added by Statutes 2021, Chapter 144
(AB 132, Section 10)

Free Application for Federal Student Aid (FAFSA)

22-TC-05

Period of reimbursement begins July 27, 2021

I. SUMMARY OF THE MANDATE

These Parameters and Guidelines address state-mandated activities and increased costs arising from Education Code section 51225.7 (Stats. 2021, ch. 144), which requires school districts, including county offices of education, to confirm that each pupil in grade 12 complete at least one of two specified financial aid applications, unless the pupil opts out of the requirement or is deemed exempt by the school district, and to direct pupils in grade 12 to services necessary to assist them in completing the appropriate financial aid application.

On May 24, 2024, the Commission on State Mandates (Commission) adopted a Decision finding that the test claim statute (Ed. Code § 51225.7, Stats. 2021, ch. 144) imposes a reimbursable state-mandated program upon school districts, including county offices of education, within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The Commission partially approved this Test Claim for the following reimbursable activities beginning July 27, 2021:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).

¹⁰ Please note that the Decision and Parameters and Guidelines is a single document and must be read as a whole. It is not intended to be separated and should be posted in its entirety.

- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).
- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).

The Commission also found that California Code of Regulations, title 5, section 30035, Appendices A and B, as added by the test claim regulation (Reg. 2022, No. 19), do not impose any requirements on school districts and, therefore, do not constitute a reimbursable state-mandated program.

II. ELIGIBLE CLAIMANTS

Any "school district" as defined in Government Code section 17519, except for community colleges, that incurs increased costs as a result of this mandate is eligible to claim reimbursement.

III. PERIOD OF REIMBURSEMENT

Government Code section 17557(e) states that a test claim shall be submitted on or before June 30 following a given fiscal year to establish eligibility for that fiscal year. The claimant filed the test claim on June 23, 2023, establishing eligibility for reimbursement for the 2021-2022 fiscal year. However, the test claim statute was effective on July 27, 2021. Therefore, based on the later effective date of the statute, costs incurred are reimbursable on or after July 27, 2021.

Reimbursement for state-mandated costs may be claimed as follows:

1. Actual costs for one fiscal year shall be included in each claim.
2. Pursuant to Government Code section 17561(d)(1)(A), all claims for reimbursement of initial fiscal year costs shall be submitted to the State Controller (Controller) within 120 days of the issuance date for the claiming instructions.
3. Pursuant to Government Code section 17560(a), a school district may, by February 15 following the fiscal year in which costs were incurred, file an annual reimbursement claim that details the costs actually incurred for that fiscal year.
4. If revised claiming instructions are issued by the Controller pursuant to Government Code section 17558(c), between November 15 and February 15, a school district filing an annual reimbursement claim shall have 120 days following the issuance date of the revised claiming instructions to file a claim. (Gov. Code §17560(b).)

5. If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement shall be allowed except as otherwise allowed by Government Code section 17564(a).
6. There shall be no reimbursement for any period in which the Legislature has suspended the operation of a mandate pursuant to state law.

IV. REIMBURSABLE ACTIVITIES

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. Actual costs are those costs actually incurred to implement the mandated activities. Actual costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is a document created at or near the same time the actual cost was incurred for the event, or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, training packets, and declarations. Declarations must include a certification or declaration stating, "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5. Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, corroborating documents cannot be substituted for source documents.

The claimant is only allowed to claim and be reimbursed for increased costs for reimbursable activities identified below. Increased cost is limited to the cost of an activity that the claimant is required to incur as a result of the mandate.

For each eligible claimant that incurs increased costs, the following activities are reimbursable:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).
- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if

applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).

- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).

V. CLAIM PREPARATION AND SUBMISSION

Each of the following cost elements must be identified for each reimbursable activity identified in Section IV., Reimbursable Activities, of this document. Each claimed reimbursable cost must be supported by source documentation as described in Section IV. Additionally, each reimbursement claim must be filed in a timely manner.

A. Direct Cost Reporting

Direct costs are those costs incurred specifically for the reimbursable activities. The following direct costs are eligible for reimbursement.

1. Salaries and Benefits

Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

2. Materials and Supplies

Report the cost of materials and supplies that have been consumed or expended for the purpose of the reimbursable activities. Purchases shall be claimed at the actual price after deducting discounts, rebates, and allowances received by the claimant. Supplies that are withdrawn from inventory shall be charged on an appropriate and recognized method of costing, consistently applied.

3. Contracted Services

Report the name of the contractor and services performed to implement the reimbursable activities. If the contractor bills for time and materials, report the number of hours spent on the activities and all costs charged. If the contract is a fixed price, report the services that were performed during the period covered by the reimbursement claim. If the contract services are also used for purposes other than the reimbursable activities, only the pro-rata portion of the services used to implement the reimbursable activities can be claimed. Submit contract consultant and attorney invoices with the claim and a description of the contract scope of services.

4. Fixed Assets

Report the purchase price paid for fixed assets (including computers) necessary to implement the reimbursable activities. The purchase price includes taxes, delivery costs, and installation costs. If the fixed asset is also used for purposes other than the reimbursable activities, only the pro-rata portion of the purchase price used to implement the reimbursable activities can be claimed.

B. Indirect Cost Rates

Indirect costs are costs that have been incurred for common or joint purposes. These costs benefit more than one cost objective and cannot be readily identified with a particular final cost objective without effort disproportionate to the results achieved. After direct costs have been determined and assigned to other activities, as appropriate, indirect costs are those remaining to be allocated to benefited cost objectives. A cost may not be allocated as an indirect cost if any other cost incurred for the same purpose, in like circumstances, has been claimed as a direct cost.

Indirect costs may include: (a) the indirect costs originating in each department or agency of the governmental unit carrying out state mandated programs; and (b) the costs of central governmental services distributed through the central service cost allocation plan and not otherwise treated as direct costs.

School districts must use the California Department of Education approved indirect cost rate for the year that funds are expended.

VI. RECORD RETENTION

Pursuant to Government Code section 17558.5(a), a reimbursement claim for actual costs filed pursuant to this chapter¹¹ is subject to the initiation of an audit by the Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced. All documents used to support the reimbursable activities, as described in Section IV., must be retained during the period subject to audit. If an audit has been initiated by the Controller during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

VII. OFFSETTING REVENUES AND REIMBURSEMENTS

Any offsetting revenue the claimant experiences in the same program as a result of the same statutes or executive orders found to contain the mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any source, including but not limited to, state and federal funds, any service charge, fee, or assessment authority to offset all or part of the costs of this program, and any other funds, shall be identified and deducted from any claim submitted for reimbursement.

¹¹ This refers to title 2, division 4, part 7, chapter 4 of the Government Code.

VIII. STATE CONTROLLER'S CLAIMING INSTRUCTIONS

Pursuant to Government Code section 17558(b), the Controller shall issue claiming instructions for each mandate that requires state reimbursement not later than 90 days after receiving the adopted parameters and guidelines from the Commission, to assist local governments in claiming costs to be reimbursed. The claiming instructions shall be derived from these parameters and guidelines and the decisions on the test claim and parameters and guidelines adopted by the Commission.

Pursuant to Government Code section 17561(d)(1), issuance of the claiming instructions shall constitute a notice of the right of the eligible claimants to file reimbursement claims, based upon parameters and guidelines adopted by the Commission.

IX. REMEDIES BEFORE THE COMMISSION

Upon request of an eligible claimant, the Commission shall review the claiming instructions issued by the Controller or any other authorized state agency for reimbursement of mandated costs pursuant to Government Code section 17571. If the Commission determines that the claiming instructions do not conform to the parameters and guidelines, the Commission shall direct the Controller to modify the claiming instructions and the Controller shall modify the claiming instructions to conform to the parameters and guidelines as directed by the Commission.

In addition, requests may be made to amend parameters and guidelines pursuant to Government Code section 17557(d), and California Code of Regulations, title 2, section 1183.17.

X. LEGAL AND FACTUAL BASIS FOR THE PARAMETERS AND GUIDELINES

The decisions adopted for the test claim and parameters and guidelines are legally binding on all parties and interested parties and provide the legal and factual basis for the parameters and guidelines. The support for the legal and factual findings is found in the administrative record. The administrative record is on file with the Commission.
