INCORRECT REDUCTION CLAIMS

- Item 3 *School District of Choice: Transfers and Appeals*, 11-4451-I-05
Education Code Sections 48209.1, 48209.7, 48209.9, 48209.10, 48209.13, 48209.14; Statutes 1993, Chapter 160 (AB 19); Statutes 1994, Chapter 1262 (AB 2768)
Fiscal Year 1997-1998
Chula Vista Elementary School District, Claimant

Ms. Halsey stated that the claimant notified Commission staff that they would not be appearing at this hearing and that they stand on their written submission for the record.

This Incorrect Reduction Claim addresses the State Controller's reduction of costs claimed for fiscal year 1997-1998.

Senior Commission Counsel Eric Feller presented this item stating that staff finds the Incorrect Reduction Claim was filed in a timely manner, but there is no evidence in the record that the Controller initiated the audit before the statutory deadline and therefore, the audit is void. Mr. Feller recommended the Commission adopt the Proposed Decision to approve this Incorrect Reduction Claim.

Parties were represented as follows: Jay Lal and Gwendolyn Carlos, representing the State Controller's Office.

The State Controller did not concur with the staff recommendation. Mr. Lal noted that this Incorrect Reduction Claim should be deemed as not timely filed because the original adjustment letter that was sent via first-class postage mail on January 15, 2002, notified the claimant of the adjustment. There was no comment from interested parties or the public on this matter. Member Olsen made a motion to adopt the staff recommendation. With a second by Member Ramirez, the motion to approve this Incorrect Reduction Claim was adopted by a vote of 6-0.

- Item 5 *Handicapped and Disabled Students*, 13-4282-I-06
Government Code Sections 7572 and 7572.5; Statutes 1984, Chapter 1747 (AB 3632); Statutes 1985, Chapter 1274 (AB 882);
California Code of Regulations, Title 2, Division 9, Section 60040 (Emergency regulations filed December 31, 1985, designated effective January 1, 1986 [Register 86, No. 1] and re-filed June 30, 1986, designated effective July 12, 1986 [Register 86, No. 28])
Fiscal Years 2003-2004, 2004-2005, and 2005-2006
County of Los Angeles, Claimant

This Incorrect Reduction Claim addresses the State Controller's reductions of reimbursement claims for fiscal years 2003-2004, 2004-2005, and 2005-2006.

Senior Commission Counsel Paul Karl Lukacs presented this item stating that staff finds the Incorrect Reduction Claim was untimely filed; and by clear and convincing evidence, the claimant's intention in June 2010 was to agree with the results of the Controller's audit and to waive any right to object to the audit or to add additional claims. Mr. Lukacs recommended the Commission adopt the Proposed Decision to deny this Incorrect Reduction Claim.

Parties were represented as follows: Edward Jewik and Hasmik Yaghobyan, representing the claimant; Jim Spano and Chris Ryan, representing the State Controller's Office.

Ms. Yaghobyan requested that the Commission find in favor of the county because the county relied on the State Controller's August 6, 2010 notice following the final audit report filed June 30, 2010 indicating that the county had three years from the date of the August 6, 2010 notice to file an incorrect reduction claim. In addition, Ms. Yaghobyan indicated that the county did not waive its rights and agree with the results of the audit report. The State Controller concurred with the staff recommendation and clarified that the final audit report was filed June 30, 2010. Following discussion among the Commission members, staff, and parties, Member Chivaro made a motion to adopt the staff recommendation. Following further discussion, Member Chivaro revised the motion to adopt the Proposed Decision through section IV.A (denying the IRC on statute of limitations grounds), and to delete section IV.B on waiver. With a second by Member Olsen, the motion to deny this Incorrect Reduction Claim was adopted by a vote of 6-0.

Item 6 *Handicapped and Disabled Students II*, 12-0240-I-01

Government Code Sections 7572.55 and 7576; Statutes 1994, Chapter 1128 (AB 1892); Statutes 1996, Chapter 654 (AB 2726);

California Code of Regulations, Title 2, Sections 60020, 60050, 60030, 60040, 60045, 60055, 60100, 60110, 60200 (Emergency regulations effective July 1, 1998 [Register 98, No. 26] final regulations effective August 9, 1999 [Register 99, No. 33])

Fiscal Years 2002-2003 and 2003-2004

County of Los Angeles, Claimant

This Incorrect Reduction Claim addresses the State Controller's reductions of reimbursement claims for fiscal years 2002-2003 and 2003-2004.

Senior Commission Counsel Paul Karl Lukacs presented this item stating that staff finds the Incorrect Reduction Claim was untimely filed; and by clear and convincing evidence, the claimant's intention in June 2010 was to agree with the results of the Controller's audit and to waive any right to object to the audit or to add additional claims. Mr. Lukacs recommended the Commission adopt the Proposed Decision to deny this Incorrect Reduction Claim.

Parties were represented as follows: Edward Jewik and Hasmik Yaghobyan, representing the claimant; Jim Spano and Chris Ryan, representing the State Controller's Office.

Ms. Yaghobyan requested that the Commission find in favor of the county because the county relied on the State Controller's June 12, 2010 notice following the final audit report filed May 28, 2010 indicating that the county had three years from the date of the June 12, 2010 notice to file an incorrect reduction claim. The State Controller concurred with the staff recommendation. Following discussion among the Commission members, staff, and parties, Member Ramirez made a motion to adopt the Proposed Decision through section IV.A (denying the IRC on statute of limitations grounds), and to delete section IV.B on waiver. With a second by Member Chivaro, the motion to deny this Incorrect Reduction Claim was adopted by a vote of 6-0.

Commission on State Mandates – July 22, 2016

1 *BE IT REMEMBERED* that on Friday, July 22, 2016,
2 commencing at the hour of 10:16 a.m., thereof, at the
3 State Capitol, Room 447, Sacramento, California, before
4 me, DANIEL P. FELDHAUS, CSR #6949, RDR and CRR, the
5 following proceedings were held:

7 CHAIR ORTEGA: Good morning, everyone.

8 I'd like to call to order the July 22nd meeting of
9 the Commission on State Mandates.

10 If you could call the roll, please.

11 MS. HALSEY: Mr. Alex?

12 MEMBER ALEX: Here.

13 MS. HALSEY: Mr. Chivaro?

14 *(No response.)*

15 MS. HALSEY: Mr. Hariri?

16 MEMBER HARIRI: Here.

17 MS. HALSEY: Ms. Olsen?

18 MEMBER OLSEN: Here.

19 MS. HALSEY: Ms. Ortega?

20 CHAIR ORTEGA: Here.

21 MS. HALSEY: Ms. Ramirez?

22 MEMBER RAMIREZ: Here.

23 MS. HALSEY: Mr. Saylor notified us that he will
24 not be at today's hearing; but we should see him next
25 hearing, in September.

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: Okay, thank you.

2 We need to speak slowly and clearly today because
3 there isn't a computer backup to the transcript. So make
4 sure we're all trying to speak into the microphone and
5 ensure we get a good record.

6 And tell me to slow down if I need to, because I'm
7 probably the most guilty of speaking too fast.

8 So let's move to the first item, which is the
9 adoption of the minutes from the previous meeting, that's
10 from May 26th.

11 Any corrections or comments on the minutes?

12 Ms. Ramirez?

13 MEMBER RAMIREZ: I wasn't here.

14 CHAIR ORTEGA: Okay.

15 MEMBER RAMIREZ: But I think you need my vote to
16 pass this.

17 MS. HALSEY: We need four.

18 CHAIR ORTEGA: We just need four, so I think as long
19 as everyone else is...

20 MEMBER RAMIREZ: Then I'll abstain.

21 CHAIR ORTEGA: Okay, do we have a motion?

22 MEMBER ALEX: I'll move.

23 MEMBER OLSEN: Second.

24 CHAIR ORTEGA: Moved by Mr. Alex, and second by
25 Ms. Olsen.

Commission on State Mandates – July 22, 2016

1 All in favor, say "aye."

2 *(A chorus of "ayes" was heard.)*

3 MEMBER RAMIREZ: I abstain.

4 CHAIR ORTEGA: We have one abstention, Ms. Ramirez.

5 Okay, and we will now move to public comment.

6 MS. HALSEY: And now we will take up public comment

7 for matters not on the agenda.

8 Please note that the Commission cannot take action

9 on items not on the agenda. However, it can schedule

10 issues raised by the public for consideration at future

11 meetings.

12 CHAIR ORTEGA: Okay, is there any public comment?

13 *(No response)*

14 CHAIR ORTEGA: Seeing none, we'll move to the

15 Consent Calendar.

16 We have Items 7, 9, and 10 proposed for consent.

17 Any objections to those items from the Commission?

18 MEMBER OLSEN: I'll move consent.

19 CHAIR ORTEGA: Okay, moved by Ms. Olsen.

20 MEMBER ALEX: Second.

21 CHAIR ORTEGA: Second by Mr. Alex.

22 Any public comments on Items 7, 9, or 10?

23 *(No response)*

24 CHAIR ORTEGA: Seeing none, all those in favor of

25 the consent calendar?

Commission on State Mandates – July 22, 2016

1 *(A chorus of "ayes" was heard.)*

2 CHAIR ORTEGA: It passes unanimously.

3 MS. HALSEY: Then let's move to the Article 7
4 portion of the hearing.

5 Please note that after the binders were issued,
6 Items 2 and 4 were postponed to the September 23rd
7 hearing by the request of the claimants.

8 Will the parties and witnesses for Items 3, 5, and
9 6, please rise?

10 *(Parties/witnesses stood to be sworn or affirmed.)*

11 MS. HALSEY: Do you solemnly swear or affirm that
12 the testimony which you are about to give is true and
13 correct, based on your personal knowledge, information,
14 or belief?

15 *(A chorus of affirmative responses was heard.)*

16 MS. HALSEY: Thank you.

17 *(Mr. Chivaro entered the hearing room.)*

18 MS. HALSEY: Senior Commission Counsel Eric Feller
19 will present Item 3, an incorrect reduction claim on
20 *School District of Choice: Transfers and Appeals.*

21 Claimant notified Commission staff that they will
22 not be appearing at this hearing and that they will stand
23 on their written submission for the record.

24 CHAIR ORTEGA: Okay, thank you.

25 And please note that Mr. Chivaro has joined us.

Commission on State Mandates – July 22, 2016

1 Mr. Feller?

2 MR. FELLER: Good morning. This IRC challenges the
3 Controller's findings that the Chula Vista Elementary
4 School District claimed unallowable costs for fiscal year
5 1997-98.

6 Staff finds that the IRC was filed in a timely
7 manner, but there is no evidence in the record that the
8 Controller initiated the audit before the statutory
9 deadline. So the audit is void, and staff recommends
10 that the Commission adopt the proposed decision to
11 approve the IRC.

12 Will the parties and witnesses please state your
13 names for the record?

14 MR. LAL: My name is Jay Lal, with the State
15 Controller's Office.

16 MS. CARLOS: I'm Gwendolyn Carlos, from the State
17 Controller's Office.

18 CHAIR ORTEGA: Okay, go ahead.

19 MR. LAL: Thank you, Commission Chair and Members.
20 We thank the staff for their analysis but respectfully
21 do not concur with the staff recommendation.

22 Just briefly, as stated in our comments, the IRC
23 was not timely filed because the original adjustment
24 letter, sent via first-class postage on January 15th,
25 2002, notified the claimant of the adjustment.

Commission on State Mandates – July 22, 2016

1 And that's all we have.

2 CHAIR ORTEGA: Okay, thank you.

3 Are there any comments or questions from the
4 commissioners?

5 MEMBER OLSEN: I'll move the staff recommendation.

6 CHAIR ORTEGA: Okay, motion by Ms. Olsen.

7 MEMBER RAMIREZ: Second.

8 CHAIR ORTEGA: Second by Ms. Ramirez.

9 Is there any other public comment on this item?

10 *(No response)*

11 CHAIR ORTEGA: Okay, seeing none, please call the
12 roll.

13 MS. HALSEY: Mr. Alex?

14 MEMBER ALEX: Aye.

15 MS. HALSEY: Mr. Chivaro?

16 MEMBER CHIVARO: Aye.

17 MS. HALSEY: Mr. Hariri?

18 MEMBER HARIRI: Aye.

19 MS. HALSEY: Ms. Olsen?

20 MEMBER OLSEN: Aye.

21 MS. HALSEY: Ms. Ortega?

22 CHAIR ORTEGA: Aye.

23 MS. HALSEY: Ms. Ramirez?

24 MEMBER RAMIREZ: Did you call me?

25 MS. HALSEY: Yes, sorry.

Commission on State Mandates – July 22, 2016

1 MEMBER RAMIREZ: I didn't hear it.

2 Yes, aye.

3 MS. HALSEY: Thank you.

4 CHAIR ORTEGA: Okay, Item 3, the staff
5 recommendation is adopted unanimously. Thank you.

6 MS. HALSEY: Item 4 was postponed to the
7 September 23rd Commission hearing.

8 Senior Commission Counsel Paul Karl Lukacs will
9 present Item 5, an incorrect reduction claim on
10 *Handicapped and Disabled Students*.

11 MR. LUKACS: Good morning.

12 Staff recommends that the IRC be denied on two
13 independent grounds. After a review of the record and
14 the applicable law, staff finds that, one, the IRC was
15 untimely filed; and two, by clear and convincing
16 evidence, the claimant's intention in June 2010 was to
17 agree with the results of the Controller's audit and to
18 waive any right to object to the audit or to add
19 additional claims.

20 Accordingly, staff recommends that the Commission
21 adopt the proposed decision to deny this IRC.

22 Would the parties and witnesses please state your
23 names for the record?

24 MS. YAGHOBYAN: Hasmik Yaghobyan on behalf of the
25 County of Los Angeles, the claimant.

Commission on State Mandates – July 22, 2016

1 MR. JEWIK: Ed Jewik on behalf of Los Angeles
2 County.

3 MR. SPANO: Jim Spano, State Controller's Office.

4 MR. RYAN: Chris Ryan, State Controller's Office.

5 CHAIR ORTEGA: Okay. Go ahead, Ms. Yaghobyan.

6 Could you pull that microphone in closer? I was
7 having a hard time hearing you.

8 MS. YAGHOBYAN: Yes, sure.

9 CHAIR ORTEGA: Thank you.

10 Go ahead.

11 MS. YAGHOBYAN: Good morning. Thank you.

12 Thank you, staff, for their analysis; but however,
13 respectfully we have to disagree for two reasons:

14 One of them, the analysis says that we have -- our
15 IRC wasn't filed timely. But if you look at the plain
16 language of the code itself, the code -- this is what the
17 code says: An incorrect reduction claim shall be filed
18 with the Commission no later than three years following
19 the date of the Office of the Controller's final state
20 audit report, letter, remittance advice, or other written
21 notice of adjustment to reimbursement claim.

22 What happened was that after the audit was
23 finalized, we got three notices for three different
24 programs from the State Controller's Office, dated
25 June 12, 2010.

Commission on State Mandates – July 22, 2016

1 And the State Controller's Office, in their
2 subsequent communications with us, they kept referring to
3 that date; that the clock is going to start ticking, for
4 the purpose of IRC, from that date. So, therefore, we
5 relied on that date correctly.

6 And the second result is correctly stated, that they
7 said we could file our IRCs, which we did.

8 For example, with the *Handicapped and Disabled*
9 *Students* program, the notice was dated June 10th --
10 June 12th, 2010. Our IRC was filed June 11th, 2015, in
11 accordance with the exact language of the code. But it
12 seems that the staff forgets the second part of the code,
13 which says "or written letter, notice of adjustment of
14 the reimbursement claim." So the only notice we received
15 from the State Controller's Office were those notices
16 dated June 12th, 2010.

17 The staff also goes ahead and then admits, even
18 though the notice might not be proper, but the notice is
19 deficient. For example, it doesn't say the amount of
20 interest to be charged. But the point is, actually, that
21 argument has to be addressed to the State Controller's
22 Office, not to us, even though if the notice was
23 deficient, we accepted their notice. And from our past
24 practices, the State Controller's Office, they never
25 charged us the interest of any audit findings. So if

1 the staff would like to recommend that to the State
2 Controller's Office for the future, they're welcome to;
3 but for our case, that it is not relevant.

4 So, therefore, based on the exact language, plain
5 language of the code, our IRC was filed between the time
6 that ran -- three years after the first notice we got
7 from the State Controller's Office regarding the
8 adjustment.

9 But it would have been even nicer if the State
10 Controller's Office, instead of concurring with the
11 staff's recommendation, would have supported our
12 decision, and saying, "Yes, that's the rule; and that's
13 what they complied with, and that's what they have been
14 doing forever," since -- I know for the past 17 years.

15 And also, the staff says, "We were mistaken." So
16 even if the State Controller's Office says, "This is the
17 date," they were mistaken; and we were mistaken, too.
18 See, so both parties were mistaken. Then, "Oh, we have
19 to deny their IRC."

20 But that's also, I think, the mistaken party is the
21 staff, because they don't read the plain language of the
22 code, that says any letter, that it initiates the
23 adjustment.

24 So neither us, nor the State Controller's Office,
25 were mistaken, because we went by the code and the law.

Commission on State Mandates – July 22, 2016

1 Since we have been doing that, we have never had any
2 problems. Therefore, our IRCs was filed timely.

3 The second argument the staff is making, since we
4 come to find their comments because of the -- based on
5 the State Controller's office's, thereafter, audit
6 report, we conspicuously, clearly, knowingly, we waived
7 our rights.

8 In contrary, this is what we specifically say, that
9 this is what has been the case with the State
10 Controller's Office -- and if they want to, they can
11 confirm it, this has been our practice. We always make
12 sure that, in the future, if any -- there is any change
13 in the law, we find any documentation -- and the State
14 Controller's Office, actually they have been good with
15 us, too.

16 For example, we had an issue with the *POBOR* almost
17 a year or two after the audit was finalized, Jim Venneman
18 called me, and he said there was an issue that came up
19 and it would affect our audit findings. They can look
20 at our audit again; and actually, we ended up getting a
21 million dollars more.

22 So this is what we specifically said. So if the
23 commissioners would agree with me, if anybody can
24 interpret this paragraph as "we are willingly, knowingly,
25 conspicuously giving up any right for any further

Commission on State Mandates – July 22, 2016

1 challenging the audit report," I believe they're
2 mistaken.

3 This is what we said: The County's attached
4 response indicates agreement with all the findings and
5 the actions that the County will take to implement
6 policies and procedures to ensure that the costs claimed
7 under HDS are eligible mandate-related and supported. We
8 also recognize that this is the main issue -- we also
9 recognize that if the County subsequently provides
10 additional information to support over \$18 million of
11 unallowable costs, or if there are any changes in the
12 laws and regulations, the State will revise the final
13 audit report to include such additional allowable costs.

14 How could anybody interpret this that we waived all
15 of our rights to challenge anything that the State
16 relates to those audits, first?

17 Secondly, going back to the code section, again, the
18 code section doesn't say the statute starts only from the
19 date of the notice or letter, unless the party waives
20 its rights. So, again, I don't think that the staff's
21 arguments are valid, and they're meritless. And I would
22 request that our IRCs to be granted.

23 Thank you. And if you have any questions...

24 CHAIR ORTEGA: Mr. Jewik, anything else?

25 MR. JEWIK: No. No additional comments.

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: Okay, Mr. Spano?

2 Mr. Ryan?

3 MR. RYAN: The State Controller's Office agrees --
4 or supports the proposed decision.

5 CHAIR ORTEGA: Thank you.

6 For me, I would like for staff to -- the issue of
7 whether it was timely issued, I think we've wrestled with
8 this issue several times now, so I don't feel like I need
9 any more information on that question about subsequent
10 documents, and what they do or do not mean. But the
11 issue of whether the agreement that the County stated in
12 the letter, the agreement with the audit findings. And
13 if you could say a little more about that, responding to
14 the issue that they did not give up their right to file
15 the IRC.

16 MR. LUKACS: Yes, Commissioner.

17 I believe the two letters in the record, both of
18 which are dated June 16th, 2010, and both of which were
19 signed by Wendy Watanabe, the Auditor-Controller of the
20 County, need to be read together.

21 When you look at the first page of the first letter,
22 which is page 558 in your record, as the witness has
23 stated, the first sentence is very clear, "The County's
24 attached response indicates agreement with the audit
25 findings."

Commission on State Mandates – July 22, 2016

1 Then when you go through the remainder of that
2 letter for the Controller's audit finding -- Findings 1,
3 2, and 3 -- each one of the County's responses begins
4 with "We agree with the recommendation." "We agree with
5 the recommendation."

6 And then when you go to the letter dated June --
7 the other, second letter dated June 16, which appears at
8 page 1492 in the record, this is a statement of facts,
9 the facts upon which the IRC is based on contradictory
10 arguments.

11 In this letter, Ms. Watanabe signs off on the fact
12 that all of the proper documents were maintained, all of
13 the proper documents were given to the Controller. And,
14 at the end, Number 8, there are no unasserted claims or
15 assessments.

16 And now, in this IRC, the County is taking multiple
17 positions, factual and legal, which, in staff's opinion,
18 is directly contrary to the statements of facts and
19 positions that Ms. Watanabe signed off on this in this
20 letter of page 1492 of the record.

21 CHAIR ORTEGA: Thank you.

22 Go ahead, Ms. Olsen.

23 MEMBER OLSEN: You may not need to go back through
24 the dates, but I do.

25 CHAIR ORTEGA: Okay. Please.

Commission on State Mandates – July 22, 2016

1 MEMBER OLSEN: So what I -- and I'm just wondering
2 where the disagreement on the dates is.

3 So what we have in our record is that on June 16th
4 of 2010, Wendy Watanabe of L.A. County sent a letter,
5 okay, responding to the initial findings of the State
6 Controller.

7 And on June 30th, 2010, the State Controller's
8 Office, after receiving that letter, issued its final
9 audit.

10 Do we all agree on that so far?

11 MR. LUKACS: Yes.

12 MR. SPANO: Yes.

13 MEMBER OLSEN: Okay. So then on August 2nd, 2013,
14 the claimant filed the IRC.

15 Do we agree on that?

16 MS. YAGHOBYAN: No. That's the next one, Item 6.
17 This is Item 5.

18 MS. SHELTON: No, that's correct.

19 MEMBER OLSEN: No, I'm on Item 5. I'm on Item 5
20 right now.

21 MS. YAGHOBYAN: You're on Item 5?

22 MEMBER OLSEN: I'm on Item 5, page 2.

23 MS. YAGHOBYAN: But I thought we were -- the date,
24 we filed that June 11th.

25 MEMBER ALEX: I've got the same as you.

Commission on State Mandates – July 22, 2016

1 MS. YAGHOBYAN: I thought we filed this one, *HDS*, on
2 June 11th, 2013.

3 MS. SHELTON: We've got the record here. Let us
4 just look.

5 We have it on our chronology as August 2nd, 2014.

6 MEMBER ALEX: Correct.

7 MS. SHELTON: It's right there.

8 MEMBER OLSEN: Because if August 2nd is the date --

9 MR. LUKACS: Right, for both of them.

10 MS. HALSEY: It's August 2nd. That's the date stamp
11 on it, received by the Commission. We have it in the
12 record as Exhibit A.

13 MS. YAGHOBYAN: However, the notice was August 6th
14 for that one, if you're referring to that one? The
15 notice was August 6th.

16 MS. HALSEY: What notice?

17 MEMBER OLSEN: Okay, so here's -- I'm reading a
18 sentence from the staff recommendation -- this is why
19 I'm stuck, because this doesn't -- what you've been
20 saying doesn't seem to agree with the dates that we have
21 before us. And I just want to make sure where this issue
22 is.

23 On August 2nd, 2013, the claimant filed this IRC --
24 we're referring to Item 5 here --

25 MS. HALSEY: Yes.

Commission on State Mandates – July 22, 2016

1 MEMBER OLSEN: That's all I'm trying to figure out.
2 Is that --
3 MR. SPANO: I think I can clarify it.
4 MEMBER OLSEN: Okay.
5 MR. SPANO: Let me help clarify it.
6 Where the confusion is, is that there's two IRCs:
7 There's a first one and a second one. Right now, it's
8 Item 5 and Item 6.
9 MS. YAGHOBYAN: There is Item 6, too.
10 MR. SPANO: Item 5, the final report, was filed
11 June 30th, 2010. The IRC was filed August 2nd, 2013.
12 On Item 6, the audit report was issued May 28th,
13 2010. The IRC was filed June 11th, 2013. So that the
14 June 11th relates to Item 6, not Item 5.
15 MS. HALSEY: No, that's incorrect.
16 MS. SHELTON: That's right -- he said it correctly.
17 MS. YAGHOBYAN: I think there's a mistake in the
18 dates because --
19 MR. JEWIK: There were two IRCs filed: One was
20 June 11th, and one was August 2nd.
21 MR. SPANO: Yes, and so what happened, I think that
22 in either case, it was beyond three years in both
23 individual cases.
24 MEMBER OLSEN: Okay, but let's talk of Item 5 right
25 now.

Commission on State Mandates – July 22, 2016

1 So if this one was filed on August 2nd, then it is
2 clearly outside the three-year time limit?

3 MS. YAGHOBYAN: We disagree. We disagree.

4 MEMBER OLSEN: Okay.

5 MS. YAGHOBYAN: But -- may I?

6 MEMBER OLSEN: Yes.

7 MS. YAGHOBYAN: Jim, if you're saying we were late,
8 are you just retracting your letter that you told us what
9 were the dates for us to file an IRC? So are you saying
10 you were wrong?

11 CHAIR ORTEGA: That's addressed in the --

12 MS. HALSEY: No, we're looking at the IRC in the
13 record right now.

14 CHAIR ORTEGA: -- in the staff recommendation.

15 So I think we can ask staff to comment on that
16 rather than Mr. Spano.

17 MR. SPANO: Okay.

18 MR. LUKACS: Yes, the witness appears to be
19 referring to the letter from Jim L. Spano to Robin Kay,
20 dated May 7, 2013. It appears in the record on page 485.

21 On the second page of that letter, Mr. Spano
22 wrote -- Mr. Spano linked the statute of limitations to
23 these computer-created notices that were dated August 6.
24 We believe that that was an incorrect opinion of law
25 stated by Mr. Spano.

Commission on State Mandates – July 22, 2016

1 And while staff has sympathy for the claimants,
2 people who are doing business with the State have an
3 independent obligation to ascertain what the laws are.
4 The laws are fairly clear on that. Otherwise, any sort
5 of misstatement by a State employee could potentially
6 bind the state or government.

7 And that can't be the rule -- and is not the rule.

8 MR. JEWIK: Our position is that we filed the IRC
9 within three years of the notice of adjustment. That is
10 what we are referring to.

11 CHAIR ORTEGA: Right.

12 And I guess, Ms. Olsen, when I'm saying we had
13 discussed this issue before, that's the issue that we
14 have discussed a few times in a row now.

15 MEMBER OLSEN: Right.

16 CHAIR ORTEGA: That these notices that come after
17 the final audit do not start the clock -- the initial.

18 MEMBER OLSEN: Right.

19 CHAIR ORTEGA: Which is, so the audit date goes back
20 to the June 30th.

21 MEMBER OLSEN: Right. I just was wanting to make
22 sure that everybody concurred that August 2nd was the
23 date on which they filed their IRC. And I believe there
24 is concurrence on that.

25 CHAIR ORTEGA: Yes.

Commission on State Mandates – July 22, 2016

1 MEMBER OLSEN: Yes.

2 CHAIR ORTEGA: Any other questions?

3 MEMBER ALEX: Okay, I have a question on the second
4 part of this. I suspect we're not going to get to your
5 second finding. But I'm wondering if the staff's view
6 is that once -- whether there is some sort of
7 administrative estoppel by the County, saying that they
8 have no issue with the claim, does that preclude them
9 from later -- if they had timely filed it, does that
10 preclude them from raising issues later because they had
11 sent a letter, stating that there were no issues?

12 MR. LUKACS: I hope this does not sound like an
13 overall legalistic distinction, but --

14 MEMBER ALEX: That's okay, I'm a lawyer.

15 MR. LUKACS: But I just note that you used the word
16 "estoppel." And what we're talking about here is not
17 estoppel, which is about how two people's statements
18 interact. Here, we're simply talking about waiver, which
19 is unilateral: Did the County at that time intend to
20 waive its rights, and do you find evidence of that by
21 clear and convincing evidence?

22 And it would be my advice that if Your Honors
23 believe that there is clear and convincing evidence of
24 waiver in the record, then the answer to your question
25 will be yes. Once you waive something, it is waived.

Commission on State Mandates – July 22, 2016

1 MEMBER ALEX: Okay, I actually -- I think we --
2 for me, I think the statute-of-limitations issue is
3 definitive. But at some point, we may revisit this
4 because I'm not sure that's a legal waiver. But, okay.

5 MEMBER CHIVARO: I'll move staff recommendation.

6 CHAIR ORTEGA: We have a motion by Mr. Chivaro;
7 but Ms. Ramirez has a question.

8 MEMBER RAMIREZ: I want to ask staff about waiver.

9 So once -- what if, just hypothetically, a party
10 erroneously, because they haven't checked something, puts
11 in writing they're waiving all objections, what would be
12 your take on that?

13 MR. LUKACS: Without seeing the record, what I would
14 point to is that the waiver is a matter of the intent of
15 the person at the time of the waiver.

16 Your Honor is discussing what appears to be a
17 unilateral mistake of fact, which I would need to
18 double-check. But the point is, if there is an intent to
19 waive, let's say perhaps it's based on bad advice, then
20 it would seem that the waiver --

21 MEMBER RAMIREZ: It'd be withdrawn?

22 MR. LUKACS: -- applies -- applies; and then any
23 recourse is to the person -- by the person giving bad
24 advice -- against the person who gave bad advice.

25 MEMBER OLSEN: So now I have a question.

Commission on State Mandates – July 22, 2016

1 MEMBER RAMIREZ: My head is spinning.

2 MEMBER OLSEN: Because based on what you said
3 before, it sounds like there is a difference in the
4 application of the standard on this issue -- which isn't
5 compelling in this case because I think the dates of the
6 IRC are compelling.

7 But what you're saying is, the State can't be held
8 to a misstatement by one of its employees or a statement
9 that becomes a misstatement later; but that the local
10 government can be held to that. And I find that a
11 disturbing standard.

12 MR. LUKACS: I think that it would really depend on
13 what the facts are, and whether or not you have either
14 unilateral mistakes or bilateral mistakes, and whether
15 those are mistakes of fact or those mistakes are of law.

16 I mean, the law that we had cited in the staff
17 analysis says that, "Acts or conduct performed under a
18 mutual mistake of law do not constitute grounds for
19 estoppel." And what we have in the record here is a
20 situation which appears that Mr. Spano and the people in
21 the County both made a mutual mistake of law as to the
22 filing date.

23 CHAIR ORTEGA: Camille?

24 MS. SHELTON: Let me just say a couple things:

25 One, you don't have to adopt the finding on the

1 waiver to resolve this matter. So your motion may just
2 be on the grounds of the first issue.

3 But, two, I was looking at this issue yesterday for
4 another matter. And one of our cases in the binder,
5 Carmel Valley Special District case, versus the State,
6 the very first 1987 *Carmel Valley* case. In that case,
7 it was dealing with the regulations on firefighter
8 protection services. In that case, the Court of Appeal
9 found that the State actually waived their right to
10 challenge the Board of Control decision. And it went
11 through the waiver elements that we have indicated here,
12 but also, bolstered the argument by indicating that the
13 State filed their complaint beyond the statute of
14 limitations. So they did it hand in hand.

15 So that if, you know, the State at that point said,
16 "Well, we may have not argued that before the Board of
17 Control but we're arguing that now; we've thought about
18 it a little bit more, and now it's a question of law, and
19 we believe that it's a wrong decision."

20 The Court said, "Sorry, you know, you did not
21 affirmatively make your arguments before the Board of
22 Control. You've waited too long past the statute of
23 limitations to even file your complaint, and your
24 allegations are dismissed."

25 The case went on to proceed, though, with respect to

1 the special districts challenge.

2 So there were -- that is a holding from the Second
3 District Court of Appeal, where they did bolster the
4 waiver argument with the statute of limitations.

5 MS. HALSEY: Found against the State.

6 MEMBER ALEX: Of course, the waiver was whether the
7 argument was raised in an administrative tribunal, which
8 is not the same as a letter to the Controller.

9 MS. SHELTON: Yes. You're right. Absolutely.
10 That's exactly right, yes.

11 CHAIR ORTEGA: So we ended -- did you want to...?

12 MEMBER OLSEN: Well, I will second the motion.
13 Let's get back to that.

14 MS. SHELTON: So what's the motion?

15 CHAIR ORTEGA: So, let's clarify if the motion is on
16 the complete staff recommendation or on the issue of the
17 timeliness of the filing.

18 I'll ask the maker of the motion to clarify.

19 MEMBER CHIVARO: It was on the issue of the
20 timeliness.

21 MS. SHELTON: Could I restate that?

22 CHAIR ORTEGA: Yes.

23 MS. SHELTON: The motion then would be to adopt the
24 proposed decision through section IV.A, and to delete
25 section IV.B.

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: Okay, Ms. Olsen, is that what your
2 second was?

3 MEMBER OLSEN: I'm comfortable with that, yes.
4 That's fine.

5 CHAIR ORTEGA: Okay, are there any other comments
6 that anyone -- no?

7 MS. YAGHOBYAN: I don't think it's going to make any
8 difference.

9 CHAIR ORTEGA: Okay, thank you.
10 Any other public comment on this item?

11 *(No response)*

12 CHAIR ORTEGA: Okay, please call the roll.

13 MS. HALSEY: Mr. Alex?

14 MEMBER ALEX: Aye.

15 MS. HALSEY: Mr. Chivaro?

16 MEMBER CHIVARO: Aye.

17 MS. HALSEY: Mr. Hariri?

18 MEMBER HARIRI: Aye.

19 MS. HALSEY: Ms. Olsen?

20 MEMBER OLSEN: Aye.

21 MS. HALSEY: Ms. Ortega?

22 CHAIR ORTEGA: Aye.

23 MS. HALSEY: Ms. Ramirez?

24 MEMBER RAMIREZ: Aye.

25 MS. HALSEY: Thank you.

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: Okay, that item is adopted.

2 We'll move on to Item Number 6.

3 MS. HALSEY: Senior Commission Counsel Paul Karl
4 Lukacs will present Item 6, an incorrect reduction claim
5 on *Handicapped and Disabled Students II*.

6 MR. LUKACS: Item No. 6 is similar to Item No. 5.
7 And staff recommends that the IRC be denied on two
8 independent grounds.

9 After review of the record and the applicable law,
10 staff finds that, one, the IRC was untimely filed; and
11 two, by clear and convincing evidence, the claimant's
12 intention in April 2010 was to agree with the results of
13 the Controller's audit and to waive any right to object
14 to the audit or to additional claims.

15 Accordingly, staff recommends that the Commission
16 adopt the proposed decision to deny this IRC.

17 Would the parties and witnesses please state your
18 names for the record?

19 MS. YAGHOBYAN: Hasmik Yaghobyan on behalf of the
20 County of Los Angeles.

21 MR. JEWIK: Ed Jewik on behalf of Los Angeles
22 County.

23 MR. SPANO: Jim Spano, State Controller's Office.

24 MR. RYAN: Chris Ryan, State Controller's Office.

25 CHAIR ORTEGA: Ms. Yaghobyan?

Commission on State Mandates – July 22, 2016

1 MS. YAGHOBYAN: Well, as we stated earlier, we still
2 hold the same position that the staff's recommendation is
3 wrong, it is the misapplication of the clear and
4 convincing code section, which clearly says the date the
5 statute starts -- the clock starts ticking from the date
6 of the written notice, which in this case, I believe it
7 was August 6th -- or whatever the date was, I'm not sure.
8 But we did file the day before the deadline; and I still
9 believe that we complied with the rule.

10 And although we relied on the State Controller's
11 Office's letter, which actually I'm going to recite that
12 because it's like -- I discussed with Jim -- Mr. Spano,
13 he gave us the notice, saying, "In reference to your
14 question on that due process, the State Controller's
15 Office does not have an internal audit due process.
16 Appeals are filed with the Commission on State Mandates
17 through an incorrect reduction claim. An IRC must be
18 filed within three years following the date we notified
19 the County of the claimed reduction," which is the date
20 we went by.

21 "The State Controller's Office notified the County
22 of the claim." These are the dates. "The State
23 Controller's Office notified the County of a claimed
24 reduction on August 6th, 2010, for *HDS* program audit; and
25 on June 12th, 2010, for the *HDS II* audit. Information

Commission on State Mandates – July 22, 2016

1 related to...IRC will be found" on such-and-such a Web
2 site.

3 He goes further and says, "I discussed your request
4 with my supervisor, Jeffrey V. Brownfield, Chief,
5 Division of Audits. Mr. Brownfield concurred that the
6 proper venue to resolve your issue is through the
7 Commission on State Mandates."

8 Is it our fault? What did we do wrong? Why should
9 we be blamed for their mistake, which now they turn
10 around and say, "We are concurring with the staff's
11 recommendation"?

12 So where is our remedy?

13 CHAIR ORTEGA: Thank you.

14 Anything else, Mr. Spano?

15 MR. SPANO: No further comment.

16 The Commission was quite clear that the statute of
17 limitation relates to the agency of the final report. So
18 based on the analysis, we concur with the Commission.

19 CHAIR ORTEGA: Any questions from commissioners?

20 Ms. Ramirez?

21 MEMBER RAMIREZ: Could we have the staff review?

22 CHAIR ORTEGA: Sure.

23 MR. LUKACS: I'm sorry?

24 MEMBER RAMIREZ: Would you review the -- just
25 respond to the --

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: Just review the staff --

2 MR. LUKACS: Based on the prior argumentation on
3 the previous item number, the commissioners are probably
4 interested in the fact that on this particular record,
5 the final audit report was issued May 28th, 2010. The
6 IRC was filed June 11th, 2013. Those are on page 1 and
7 page 96 of the record. So we believe it's untimely on
8 its face.

9 And that the -- as has been discussed in the
10 previous decisions, which we mentioned in the staff
11 report, it's from the first element which occurs, in
12 this case, the issuance of the final audit report.

13 MS. SHELTON: Can I also just mention that we had
14 that up in the record, page 96 of the final audit report.
15 The cover letter to that does clearly state that from
16 the audit report, you may file an IRC three years from
17 the date of this audit report. So it does state that in
18 the record.

19 CHAIR ORTEGA: Mr. Jewik?

20 MR. JEWIK: I just want to state what the code
21 actually says.

22 "All incorrect reduction claims shall be filed with
23 the Commission no later than three years following the
24 date of the Office of State Controller's final state
25 audit report, letter, written remittance advice" -- the

1 key word here is "or other written notice of adjustment
2 to a reimbursement claim."

3 It does not end with the "final audit report." It
4 also includes any notice of adjustment. We filed our
5 IRC within the date of the notice of adjustment.

6 CHAIR ORTEGA: So, Ms. Shelton, maybe you can
7 address that issue since we've considered this question
8 several times.

9 MS. SHELTON: We've had a lot of these issues; and
10 what you have -- this is a regulation that you're
11 reading.

12 The statute requires that the audit be completed
13 with a report that has four elements: One, it has to
14 identify the amount reduced; it has to identify the
15 reasons for the reduction; it has to identify any
16 interest that is charged; and one other element. Under
17 the law of statute of limitations, a date cannot keep
18 moving. You are required -- it is triggered when you
19 are first notified of an ill against your county.

20 And in this case, you were first notified with the
21 issuance of the final report.

22 The two subsequent letters do not even meet the
23 definition of a notice of adjustment pursuant to
24 Government Code section 17558.5, because it doesn't
25 adjust anything. It's just a repeat of the information

Commission on State Mandates – July 22, 2016

1 on a computerized-generated form from the final audit
2 report. So the triggering date for the statute of
3 limitations is your first -- the final audit report,
4 which complies with Government Code section 17558.5.

5 MS. HALSEY: Or other specified document that gives
6 the reason for adjustment.

7 MS. YAGHOBYAN: Well, with respect to your comment,
8 actually, the staff is telling us what the State
9 Controller's has been giving us all these years, it was
10 wrong.

11 So the point is, this is all we get. So like I said
12 earlier, if you have any problem with their notices,
13 their notices are deficient, then that's not our issue,
14 that's their issue.

15 We still accepted their deficient notice because
16 that has been the custom, that's how we've been working
17 with them, and that's what they've been giving us; and
18 we accept that.

19 So now you're saying, we should not have accepted
20 it?

21 MS. SHELTON: Let me just make it clear.

22 I'm not suggesting --

23 MS. YAGHOBYAN: Okay, whose fault is it?

24 MS. SHELTON: I'm not suggesting that their notices
25 are deficient. But you received three --

Commission on State Mandates – July 22, 2016

1 MS. YAGHOBYAN: Right.

2 MS. SHELTON: -- I think three notices.

3 MS. YAGHOBYAN: Because that's what they used to
4 give us, and that's what we always got.

5 So now you're saying, they should have given us
6 something different. Then you should address that to
7 them, not to us.

8 MS. SHELTON: Facts in other cases are not before
9 the Commission for this particular item.

10 But in this item --

11 MS. YAGHOBYAN: You have copies of the notices in
12 front of you for both.

13 MS. SHELTON: You have a --

14 MS. YAGHOBYAN: And you're looking at those notices
15 and analyzing them.

16 CHAIR ORTEGA: Ms. Yaghobyan, let's have one at a
17 time.

18 Ms. Shelton?

19 MS. SHELTON: You do have a final audit report that
20 was issued first that complies with Government Code
21 section 17558.5.

22 After that, they provided computerized-generated
23 notices that talk about the money owed or money to be
24 paid back -- I don't have it in front of me -- but they
25 were just computerized-generated notices of the amounts.

Commission on State Mandates – July 22, 2016

1 It doesn't do anything different than the final audit
2 report.

3 MS. YAGHOBYAN: Okay, so are you saying the second
4 part of the code section, which says, "or other written
5 notice of adjustment of reimbursement claim" is bogus?

6 CHAIR ORTEGA: I think the issue here is that those
7 other notices didn't adjust anything.

8 MS. SHELTON: That's correct.

9 MS. YAGHOBYAN: Yes, they did.

10 MS. SHELTON: They do nothing different.

11 MS. YAGHOBYAN: No, they did. There is a negative
12 \$315,000, for example, on this one that I am looking.

13 And it says also, "We have reviewed your 2002-03
14 fiscal year reimbursement claim for the mandated costs
15 program and the result of our review are as follows:"
16 Amount claimed this much, and adjustment to claim
17 \$315,464. Total adjustment: negative 315,464.

18 So what is this?

19 CHAIR ORTEGA: They don't revise the audit; right?

20 And that's the issue.

21 MS. SHELTON: Your first notice of adjustment was
22 with the final audit report. And the way the statute of
23 limitations work, is --

24 MS. YAGHOBYAN: Well, we disagree.

25 MS. SHELTON: -- when you first receive notice.

Commission on State Mandates – July 22, 2016

1 CHAIR ORTEGA: We understand your position.

2 Mr. Jewik?

3 MS. HALSEY: Can I ask, can you point us to the
4 pages when you're telling us in the record so everyone
5 can follow?

6 And also, are you asserting that there is an
7 additional reduction with this later letter or --

8 MS. YAGHOBYAN: No, this was the only letter we got.
9 And accordingly, they did offset our payments against all
10 the programs. They did take the money.

11 What I'm trying to say, this is how they have been
12 doing this, and this is how the practice and custom has
13 been. So now that we have an issue with the IRC, you,
14 out of nowhere, come and say, "This notice is deficient."
15 So even if it's deficient, we give credit to this notice;
16 and if you're in disagreement, I think you have to
17 address your argument to them, not to us. We didn't
18 issue this letter; they did. And the letter complies
19 with the regulation, and we relied on it.

20 And you somehow touched upon an order about, you
21 know, justifiable reliance. Even if they were wrong,
22 we justifiably relied on their opinion because that's
23 how we work with them. We always, you know, actually
24 work together very well, too.

25 However, there was no reason for us to doubt their

Commission on State Mandates – July 22, 2016

1 comments and all their paperwork, that's how we've been
2 working.

3 So now that there's a complaint or there is an
4 issue, you're saying, "This is not right. This is not
5 sufficient," then maybe you can create something new
6 going forward. But you cannot go backward.

7 CHAIR ORTEGA: Thank you.

8 Anything else, Mr. Spano?

9 MR. SPANO: No. I think the Commission was clear
10 that it's the first notification which takes effect.
11 The first notification is actually the audit report, not
12 the subsequent adjustment letters.

13 CHAIR ORTEGA: Okay, anything else from
14 commissioners?

15 Ms. Ramirez?

16 MEMBER RAMIREZ: I just have a question -- a general
17 question about this.

18 Is this a common misunderstanding that we're seeing
19 from other entities?

20 MS. SHELTON: We've adopted several decisions on
21 this very same issue, yes. It is definitely, you know,
22 an issue.

23 A lot of times, we have a final audit report, and
24 then we have a lot of different types of subsequent
25 documents, not just the computer-generated ones.

Commission on State Mandates – July 22, 2016

1 The issue on Item 2 that's being postponed, is
2 actually a subsequent revised audit report. There is a
3 lot of actions that seem to be taking place after
4 sometimes the final audit report. So it has been an
5 issue.

6 And so for the first time with these incorrect
7 reduction claims, we've had to interpret what the
8 Government Code requires. And the Government Code
9 requires that the Controller complete the audit within a
10 certain period of time; and that the completion of the
11 audit is when they provide notice under 17558.5(c), and
12 the notice has to contain those four elements. So it
13 has to be the amount adjusted; the reason for the
14 adjustment; the interest charged; and the fourth, which
15 I cannot remember.

16 And so the final audit report will satisfy that
17 because it contains all of that information.

18 And then the computer-generated notices usually are
19 just -- you know, just "We took this amount" because
20 they're allowed to move the money around from different
21 programs, and it identifies how they moved the money
22 around. But they're not -- they're just implementing the
23 final audit report.

24 MEMBER RAMIREZ: It just seems to me, because of the
25 potential confusion continuing, it could be ripe for some

1 sort of fix, going forward in the future.

2 MS. HALSEY: This record is slightly different,
3 though, from some of the others, because it did have the
4 statement in the later letter that the three-year statute
5 of limitations, that could lead to confusion. It was a
6 misstatement of law, so that had not come up in prior
7 decisions.

8 MEMBER OLSEN: Okay. So I think one of my concerns
9 here is, you know, language matters. And I'm not a
10 lawyer; and some of the people who are dealing with these
11 things are not lawyers. So what it says should be what
12 it means.

13 Is there something that we, as the Commission, can
14 do, in our regulations, to clarify that would help with
15 this?

16 MS. SHELTON: You already have an item in your --
17 and you've already adopted the item on your agenda today
18 that did clarify -- it inserts some clarifying language
19 that says it's the first notice of adjustment that
20 complies with Government Code section 17558.5(c).

21 MEMBER OLSEN: And then my question -- I'm not even
22 sure if this is the right arena in which to ask the
23 question, so shut me down if it's not the right arena --
24 but I think this is a question for the State Controller's
25 Office; and that is, is part of this problem happening

1 because of the three-year time limit on your final audit?
2 And so in order to get the final audit out, there are
3 issues that are straggling to catch up with that final
4 audit, and that's what the real issue is here?

5 I'm just trying to figure out why does this keep
6 happening.

7 CHAIR ORTEGA: Mr. Spano or Mr. Ryan, do you have
8 any response?

9 MR. SPANO: I don't think we're going to have this
10 issue on a go-forward basis because of these issues,
11 because we're considering our final report as being
12 final. You know, I think we've been trying to be very
13 responsive and cooperative. But the fact of the matter
14 is, during the audit process, sometimes it takes up to
15 two years to finish them, and we give agencies a lot of
16 time and effort to come up with the documentation; and
17 then later on, they say "We want to give you more later,"
18 and it never closes right now.

19 So we actually -- our report actually clarifies now,
20 too, that the final report is our final. There's no --
21 you know, it is the final document. The statute of
22 limitation applies to this final report here on a
23 move-forward basis right now. So we're not -- I think
24 that early on in the process, we were trying to be, you
25 know, I guess, nice guys here. But I think at the

Commission on State Mandates – July 22, 2016

1 point in time is, we did close out the report as a final
2 report. And we don't -- anything beyond the final report
3 had to go through the Commission, because we need closure
4 in this process.

5 MEMBER OLSEN: Thank you. I appreciate that.

6 MS. SHELTON: And I was just going to say, the
7 difficulty with these cases is that they really are
8 fact-intensive, and each file presents a little bit
9 different facts.

10 CHAIR ORTEGA: Okay, thank you.

11 Any other comments from commissioners?

12 *(No response)*

13 CHAIR ORTEGA: Is there a motion on this item?

14 MEMBER RAMIREZ: I'll move the recommended action.

15 CHAIR ORTEGA: Okay, are we going to have the
16 same -- do you want to --

17 MS. SHELTON: Is your motion to adopt the proposed
18 decision through section IV.A, and to delete IV.B?

19 MEMBER RAMIREZ: Yes.

20 CHAIR ORTEGA: Thank you.

21 MEMBER CHIVARO: Second.

22 CHAIR ORTEGA: Moved by Ms. Ramirez, second by
23 Mr. Chivaro.

24 Please call the roll.

25 MS. HALSEY: Mr. Alex?

Commission on State Mandates – July 22, 2016

1 MEMBER ALEX: Yes.

2 MS. HALSEY: Mr. Chivaro?

3 MEMBER CHIVARO: Yes.

4 MS. HALSEY: Mr. Hariri?

5 MEMBER HARIRI: Aye.

6 MS. HALSEY: Ms. Olsen?

7 MEMBER OLSEN: Aye.

8 MS. HALSEY: Ms. Ortega?

9 CHAIR ORTEGA: Aye.

10 MS. HALSEY: Ms. Ramirez?

11 MEMBER RAMIREZ: Aye.

12 CHAIR ORTEGA: Okay, thank you.

13 Moving on to Item 11.

14 MS. HALSEY: Item 8 was reserved for county
15 applications for a finding of significant financial
16 distress or SB 1033 applications. No SB 1033
17 applications have been filed.

18 Program Analyst Kerry Ortman will present Item 11,
19 the Legislative Update.

20 MS. ORTMAN: Good morning.

21 On June 27th, the Governor adopted SB 826, the
22 2016-17 Budget Act, which adds a one-time \$1.28 billion
23 increase in Prop. 98 funds to K-12 school districts and
24 a one-time \$105.5 million increase to community-college
25 districts to reimburse for state-mandated programs.

Commission on State Mandates – July 22, 2016

1 The Budget Act newly adds four programs to the list
2 of suspended mandates. Those programs are: *Sex*
3 *Offenders Disclosure Requirement, Absentee Ballots, Open*
4 *Meetings/Brown Act Reform, and Mandate Reimbursement*
5 *Process I and II.* The Budget Act also newly adds one
6 program to the list of funded mandates, which is the *Post*
7 *Election Manual Tally* program.

8 In the legislative update, we reported AB 1608, the
9 State Government Budget trailer bill; but it turns out
10 that the bill was in both houses, and SB 836 was the one
11 that was passed and chaptered on June 27th.

12 SB 836 adds the RRM language that we have been
13 tracking; and requires that the audited data be submitted
14 with reimbursement claims in RRM's until July 1st, 2019.
15 The bill also requires the State Controller, in
16 coordination with the Commission and the Department of
17 Finance, by October 1st, 2018, to prepare a report on the
18 new RRM process, and specifies that the Legislature will
19 hold hearings on that report.

20 We're also monitoring two bills this legislative
21 session:

22 AB 2851, *State Mandates*, was introduced in
23 February 2016 as a spot bill. This bill did not make it
24 out of its house of origin prior to the deadline, and
25 it's dead now.

Commission on State Mandates – July 22, 2016

1 Finally, on June 20th, AB 575, *Teachers: Best*
2 *Practices Teacher Evaluation System*, was gutted and
3 amended; and it no longer affects the mandates process.

4 MS. HALSEY: Thank you, Kerry.

5 CHAIR ORTEGA: Thank you.

6 MS. HALSEY: Chief Legal Counsel Camille Shelton
7 will present Item 12, the Chief Legal Counsel Report.

8 MS. SHELTON: Since the Commission's last meeting,
9 we have not received any new filings; and we don't also
10 have any new decisions.

11 We are awaiting for the Supreme Court's decision
12 in the *Municipal Stormwater and Urban Runoff Discharge*
13 test claim; and their deadline for issuing that is
14 August 31st.

15 MS. HALSEY: Item 13 is the Executive Director's
16 Report.

17 After this hearing, we now have 14 test claims, all
18 but one of which are regarding *Stormwater Permits*. We
19 also have one parameters and guidelines pending and one
20 statewide cost estimate; and those are also regarding
21 *Stormwater Permits*.

22 These matters have been on inactive status since --
23 pending the resolution of the litigation in the
24 California Supreme Court. The California Supreme Court
25 has heard the case, and will issue its decision no later

Commission on State Mandates – July 22, 2016

1 than August 31st, 2016, at which time all of these water
2 matters will become active, once again.

3 As a result, the Commission staff are beginning to
4 switch their attention to these matters, which are
5 unusually large files and address complex issues of law
6 and fact. So you will see a decline in the overall
7 number of matters being set for hearing in the next
8 several agendas.

9 In addition, there is one parameters-and-guidelines
10 amendment on inactive status pending the outcome of
11 litigation in the CSBA case, which is now pending in the
12 First District Court of Appeal.

13 And finally, we have four additional statewide cost
14 estimates and 30 IRCs pending.

15 Currently, Commission staff expects to complete the
16 IRC backlog, including all IRCs filed to date, by
17 approximately the January 2018 Commission meeting,
18 dependent on staffing and other workload.

19 Staff also anticipates completing all the pending
20 test claims by approximately the September 2018 hearing,
21 again, depending on staffing and other workload.

22 Please check the Executive Director Report in the
23 binder to see if your items are coming up over the next
24 couple of hearings; and if they are, expect to see draft
25 proposed decisions for review and comment at least

Commission on State Mandates – July 22, 2016

1 eight weeks prior to the hearing date and our proposed
2 decision two weeks before the hearing.

3 And that's all I have.

4 CHAIR ORTEGA: Okay, thank you.

5 Any questions?

6 *(No response)*

7 CHAIR ORTEGA: Okay, seeing none, we will now recess
8 into closed executive session pursuant to Government Code
9 section 11126(e), to confer with and receive advice from
10 legal counsel for consideration and action, as necessary
11 and appropriate, upon the pending litigation listed on
12 the published notice and agenda; and to confer with and
13 receive advice from legal counsel regarding potential
14 litigation. The Commission will also confer on personnel
15 matters pursuant to Government Code section 11126(a)(1).
16 And we will reconvene in open session in approximately
17 15 minutes.

20 CHAIR ORTEGA: The Commission met in closed
