1 item, please. 2 Ms. Halsey. 3 MS. HALSEY: Let's move to the Article 7 portion of 4 the hearing. There are no items on consent today. 5 Now will the parties and witnesses for Items 3, 4, 6 and 5 please turn on your video and unmute your 7 microphones and please rise. (Parties/witnesses stood to be sworn or 8 affirmed.) 9 10 MS. HALSEY: Thank you. Please be seated and turn 11 off your video and mute your microphones. 12 Item 2 is reserved for appeals of Executive 13 Director decisions. There are no appeals to consider 14 for this hearing. 15 And next is Item 3. Commission Counsel Elizabeth 16 McGinnis will please turn on her video and unmute her 17 microphone and present a proposed decision on a test 18 claim on SANDAG: Independent Performance Auditor. 19 At this time, we invite the parties and witnesses 20 for Item 3 to turn on their video and unmute their 21 microphone. 22 MS. McGINNIS: Good morning. This test claim 23 alleges that reimbursement is required for 24 state-mandated activities and increased costs imposed on 25 the San Diego Association of Governments, or SANDAG.

The test claim statute requires SANDAG, as the San Diego County consolidated transportation agency, to appoint an independent performance auditor who is charged with specified powers and responsibilities, including the power to appoint staff as deemed necessary.

SANDAG also alleges that this test claim statute requires it to incur associated costs for equipment and supplies, training and development, audit-related travel, and professional fees and licensing.

Staff finds that the claimant is not subject to the taxing and spending limitations of Articles XIIIA and XIIIB and is, therefore, ineligible to claim mandate reimbursement under Article XIIIB, section 6.

SANDAG has authority to charge fees but no authority to levy taxes. Moreover, the authority of the San Diego County Regional Transportation Commission to levy transactions and use tax, does not apply to SANDAG, a separate legal entity.

Furthermore, SANDAG's authority to create a

Mello-Roos Community Facilities District does not make
it subject to the appropriations limit of the Community
Facilities District. Even if SANDAG were an eligible
claimant, it has sufficient fee authority to offset the
costs associated with the new activities required by the

1 test claim statute. Accordingly, staff recommends that the Commission 2 3 adopt the proposed decision and deny this test claim. 4 Thank you. 5 CHAIRPERSON MILLER: Thank you so much. 6 welcome, Ms. McGinnis. And sorry again for my technical 7 difficulties. Are we -- Ms. Halsey, can you help me in where we 8 9 are on the agenda, please? 10 MS. HALSEY: Yes. Now we're going to hear from the 11 parties, beginning with the claimant. 12 CHAIRPERSON MILLER: Oh, great. Thank you very 13 much. 14 MS. DEATON: Thank you, Chair and Members of the 15 Commission. My name is Amberlynn Deaton, and I'm 16 appearing on behalf of SANDAG, the San Diego Association 17 of Governments. SANDAG is a statutorily created public 18 agency which serves as the form for decision making in 19 the San Diego region. 20 SANDAG submitted this claim following the enactment 21 of AB 805 which, among other things, amended the Public 22 Utilities Code to impose a new state-mandated program 23 and cost on SANDAG, by requiring it to appoint an 24 independent performance auditor and employ sufficient 25 audit resources to bring independent oversight to

prevent waste, fraud, and abuse.

Prior to AB 805, the independent performance auditor position at SANDAG did not exist. Further, the requirement to create this position is unique to SANDAG, as the statute does not apply to similar regional agencies statewide.

In considering AB 805 prior to its passage, the Department of Finance stated it opposed AB 805 because, quote, it appears to create a reimbursable state mandate. And, in fact, this new program has had the result of transferring, to a local agency, the fiscal responsibility for providing services which the state believed should be extended to the public.

SANDAG's eligibility for reimbursement for these state-mandated expenses appears to boil down to two eligibility issues: Does SANDAG have the ability to impose local taxes? And does it have sufficient fee authority to pay for the newly required activities?

The proposed decision incorrectly concludes that SANDAG has no authority to levy taxes, and, therefore, is not eligible to claim reimbursement.

SANDAG is statutorily authorized to levy taxes.

The SANDAG Board of Directors also serves as the San

Diego Regional Transportation Commission, and there is

no dispute that Public Utilities Code sections 132301 is

to authorize the Commission to impose a transactions and use tax within specified parameters.

But Public Utility Code section 132360.6 cites this authority vested in the Transportation Commission and states that the consolidated agency of SANDAG may use the authority for the retail transaction and use tax that is granted to the Transportation Commission. This is the source of SANDAG's taxing authority.

The staff analysis adds language to the statute that does not exist, and concludes that SANDAG only has the authority to administer the Transportation

Commission's transactions and use tax and to allocate those revenues.

But that is not what the Public Utility Code states. It states that SANDAG may use the same authority for the retail transaction and use tax that the Commission has. The statute does not limit this authority to use or administration of taxes that are collected by the Transportation Commission. It is its own separate authority.

The second issue is whether SANDAG has sufficient fee authority to pay for costs mandated by the State. And I emphasize the word "sufficient," because that is the most important word of Government Code section 17556(d). It provides that a cost is not mandated by

the State if the local agency has the authority to levy service charges, fees, or assessments sufficient to pay for the mandated program.

Though SANDAG has the ability to and has assessed membership assessment fees to the County and the cities around the San Diego region, the amounts collected are not sufficient to pay for the full mandated program costs.

As a result of the state-imposed mandate, in 2019, SANDAG doubled its membership assessment fees to help cover some of the increased costs that resulted from the state-imposed mandate.

Since April 2019, the assessments have and continue to be used to offset the mandated cost, but there are residual costs associated with this mandate.

The Commission has received 13 comments from SANDAG's member jurisdictions, which were provided under penalty of perjury, substantiating that the membership assessments are not enough to cover the cost of the state-imposed mandate. Given the current economic situation, SANDAG member agencies are unable to further increase their member assessment contributions. The amounts collected are not sufficient. Thus, the remainder of the costs associated with the state-imposed mandate is what SANDAG is seeking through this test

1	claim.			
2	For these reasons, SANDAG respectfully asks that			
3	the Commission approve Test Claim 19-TC-03.			
4	Thank you for your time today.			
5	CHAIRPERSON MILLER: Thank you very much,			
6	Ms. Deaton.			
7	Is there anyone else for the County of San Diego?			
8	(No response)			
9	CHAIRPERSON MILLER: Mr. Hill, are there any			
10	comments from the Department of Finance?			
11	MS. THOMPSON: Yes. We support the staff			
12	recommendation on this issue.			
13	CHAIRPERSON MILLER: And I'm sorry. Could you			
14	state your name and affiliation for the record.			
15	MS. THOMPSON: Yeah. Brittany Thompson, Finance			
16	Budget Analyst with the Department of Finance.			
17	CHAIRPERSON MILLER: Great. Thank you very much.			
18	Thank you for that.			
19	Are there any questions from members?			
20	MEMBER WONG-HERNANDEZ: Yeah. Madam Chair?			
21	CHAIRPERSON MILLER: Yes.			
22	MEMBER WONG-HERNANDEZ: I was actually hoping that			
23	Commission staff could kind of walk through the			
24	distinction between SANDAG, sort of, taxing authority as			
25	separate from the transportation. I lost track of the			

1 exact name that they used. But that kind of distinction 2 and why -- why that is important. 3 The fee authority piece makes sense to me. CHAIRPERSON MILLER: Great. Thank you for that. 4 5 Ms. McGinnis, do you want to speak to the SANDAG 6 authority for taxes versus this test claim? 7 MS. McGINNIS: Certainly. So SANDAG, as the test 8 claim statute applies to it, is technically a legal 9 entity, statutorily labeled "the consolidated agency." So there have been -- SANDAG has evolved since its 10 11 creation in the '50s or the '60s. And I believe it was in -- I would have to look at the specific dates. But 12 13 I -- give me one second. I will pull up the claim 14 itself or the proposed decision, and I can tell you what 15 page it's on. 16 Okay. So if you look at page 17 of the proposed 17 decision, there's a breakdown of the governance 18 structure of SANDAG. And so the -- the entity known as 19 SANDAG originally was established in the '60s as the 20 Comprehensive Planning Organization. And over the 21 decades it's been granted additional authority by the 22 legislature. 23 So in 1986, it became designated as the San Diego 24 Regional Transportation Commission. And at that time, 25 the San Diego Regional Transportation Commission was its

own separate legal entity. SANDAG was designated -- the 1 2 board of directors of SANDAG was designated to 3 administer the Transportation Commission, act as the Transportation Commission. 4 5 And then in 2003, the Legislature passed the San 6 Diego Regional Transportation Consolidation Act. And 7 that act established SANDAG's current organization, 8 known as "the consolidated agency." So the agency still 9 operates under the name SANDAG, but for purposes of the 10 test claim statute, at issue is "the consolidated 11 agency." So they are actually separate legal entities. 12 And the Regional Transportation Commission Act 13 establishes an appropriations limit that's specific to 14 the Transportation Commission. It does not extend to 15 the consolidated agency. And staff could find no indication in the materials 16 17 submitted by SANDAG or in the relevant Public Utilities 18 Code sections that established an appropriations limit for SANDAG. 19 20 CHAIRPERSON MILLER: Thank you very much for that, 21 Ms. McGinnis. 22 Any further questions, Ms. Wong-Hernandez? 23 MEMBER WONG-HERNANDEZ: Yeah. I do. I have a 24 follow-up question to that. 25 So is that -- are we saying that SANDAG could not

20

1 ever have filed a mandate claim except -- like, as an 2 entity? Or is that after the 2003? I am trying to get 3 a sense of, has SANDAG never filed a mandate claim, ever, or been -- or been reimbursed? And maybe 4 that's -- I don't know how to answer to answer that sort 5 of historical question. 6 7 MS. SHELTON: I can answer that. SANDAG has never been a test claimant. To be a 8 test claimant. 9 10 CHAIRPERSON MILLER: Ms. Shelton -- do you know 11 if --12 MS. SHELTON: Yes. To be a test claimant eligible 13 to claim reimbursement under Article XIIIB, section 6, 14 the agency has to have the statutory authority to levy 15 taxes and has to be subject to the appropriations limit. We have never received a test claim from SANDAG 16 17 in -- since I've been there, for over 20 years, and I 18 don't recall seeing any prior test claims, before that. 19 But as I understand, the law here, they were at one 20 point a joint powers authority and then a council of governments, and the law has been pretty clear that 21 those types of entities are not eligible to claim 22 23 reimbursement. 24 MEMBER WONG-HERNANDEZ: Thank you, Ms. Shelton. 25 appreciate that.

1	CHAIRPERSON MILLER: Thank you for that.
2	Any further questions from the Board or any further
3	discussion?
4	(No response)
5	CHAIRPERSON MILLER: Any public comment?
6	We heard from the Department of Finance that they
7	support the staff recommendation.
8	Ms. Palchik, there's no public comment, correct?
9	MS. PALCHIK: There is no public comment, Madam
10	Chair.
11	CHAIRPERSON MILLER: Great. Thank you for that.
12	Is there a motion on this test claim, then?
13	Ms. Ramirez, did you have a question?
14	MEMBER RAMIREZ: I just want to say, I'm on
15	somewhat of a similar organization, which is Southern
16	California Association of Governments. And I do know
17	that SANDAG now has the Hasan Ikhrata, who used to be
18	SCAG's Executive Director, and I wish him well.
19	But I'm going to move to support the staff's
20	recommendation.
21	MEMBER OLSEN: I will second the motion.
22	CHAIRPERSON MILLER: Great. Thank you.
23	Moved by Ms. Ramirez. Seconded by Ms. Olsen.
24	Ms. Halsey, will you please call the roll.
25	MS. HALSEY: Sure.

11	Also, we do have a witness who is appearing

21	when he's called upon by you, Madam Chair.
22	CHAIRPERSON MILLER: Great. Thank you very much
23	for that.
24	So we'll go ahead. And can you do you want to
25	present the item first, then, Ms. Palchik, before the

1 parties and witnesses state their name? 2 MS. PALCHIK: Yes, please. 3 Mr. Becker could introduce the item. MR. BECKER: Great. Thank you. Good morning, 4 5 everybody. These are the proposed parameters and guidelines 6 7 for the Racial and Identity Profiling Program. proposed parameters and quidelines include the reimbursable activities approved by the Commission in 9 the test claim decision, and the activities are 10 11 reasonably necessary to comply with the mandate that are 12 supported by evidence in the record. 13 Namely, one-time training for peace officer 14 employees and supervisors that perform the 15 state-mandated activities; and one-time reimbursement to 16 install and test software to comply with the mandated 17 requirements to collect and report stop data. 18 No comments were received on the draft proposed 19 decision and parameters and guidelines. 20 Staff recommends that the Commission adopt the 21 proposed decision and parameters and guidelines and in 22 accordance with Article XIIIB, section 6(a), of the 23 California Constitution, and Government Code section 24 17514 to provide for reimbursement beginning November 7,

25

2017.

1	Staff also recommends that the Commission authorize

3	the proposed changes following the hearing.
4	CHAIRPERSON MILLER: Thank you, Mr. Becker.
5	Welcome. Great job. Welcome to you and

10	could please state your name.
11	MR. JORDAN: Hi. My name is Captain Jeff Jordon
12	with the San Diego Police Department.
13	Thank you for allowing me to join you last minute.
14	Unfortunately, this week, as you know, with national
15	incidents, as well as state and local, I was a little
16	busy. I didn't think I would be able to attend this
17	morning, but thank you for having me.
18	CHAIRPERSON MILLER: Great. Well, we're pleased
19	that you can be here.
20	Do you would you like to begin, then?
21	CAPTAIN JORDAN: Sure.
22	I wasn't going to provide testimony. Based on my
23	reading of the parameters and guidelines and the
24	amended, I just wanted to thank the Commission for their
25	interest and, quite frankly, analyzing the complexities

1	of this statute. It's a very, very complex issue. Very
2	important to law enforcement.
3	I know the issues that come before you are
4	incredibly complex, and I don't think you have any easy
5	decisions.
6	But I just wanted to say thank you for the time and
7	effort that you took to get into this. I think you did
8	a great job as far as analyzing the situation and coming
9	to a favorable decision on behalf of law enforcement, to
10	allow us to continue to handle and address this
11	important matter.
12	So, once again, thank you.
13	And I won't have any additional comments unless the
14	Department of Finance or something provides additional
15	information to counter.
16	CHAIRPERSON MILLER: Great. Thank you for that,
17	Mr. Jordon.
18	Mr. Hill or Ms. Thompson, do you have any comments
19	for the Department of Finance?
20	MS. THOMPSON: Yeah. We have no objection to the
21	staff recommendation. Brittany Thompson.
22	CHAIRPERSON MILLER: Thank you for that, from
23	Finance. Thank you for that. I appreciate it.
24	Any questions from board members?
25	I agree, this was incredibly well done.

1	Yes, Ms. Ramirez. Please.
2	MEMBER RAMIREZ: Only that it's such an important
3	topic, and I'm glad that this is being resolved to the
4	satisfaction of all of us. Very important.
5	CHAIRPERSON MILLER: Great.
6	Very important. And I think very important that we
7	get the training, and I think this does go a long way in
8	terms of implementing the law. So I appreciate that.
9	Any further oh, Ms. Adams. Do you have a
10	question?
11	MEMBER ADAMS: Yes no. I was just going to
12	offer a motion to approve the staff recommendation as
13	presented.
14	CHAIRPERSON MILLER: Great. We have a motion.
15	Do we have a second?
16	MEMBER OLSEN: Second.
17	CHAIRPERSON MILLER: Great.
18	Mr. Adams made the motion. Ms. Olsen seconds.
19	Is there any further discussion?

    incorrect reduction claim on Local Government Employee

Relations.

At this time, we invite the parties and witnesses for Item 5 to turn on their video and unmute their microphones.

MR. FELLER: All right. Good morning.

This incorrect reduction claim challenges the Controller's reduction of costs claimed for Fiscal Year 2010/11 but incurred in Fiscal Year 2009/10 for the Local Government Employee Relations program.

In January 2012, the claimant filed a reimbursement claim requesting reimbursement for contracted legal services related to this program.

The cover sheet and each page of the claim form indicates the claim was filed for Fiscal Year 2010/11. However, attached to the reimbursement claim are invoices for legal services incurred in other fiscal years, including Fiscal Year 2009/10.

The Controller reduced the costs incurred in the other fiscal years and notified the claimant of the reduction on September 29, 2014, which was after the statutory deadline to submit a reimbursement claim for Fiscal Year 2009/10.

This IRC challenges only the reduction of costs incurred in Fiscal Year 2009/10, less an undisputed 10 percent penalty. Although the claimant never filed a

```
1
    2009/10 reimbursement claim, the claimant requests that

    the Commission find that the Controller incorrectly
 3
    denied the claimant's request to accept the 2010/11
    reimbursement claim as a late-filed 2009/10 claim,
4
5
    because of an alleged clerical error in filing a
6
    multi-year claim.
7
         Staff finds that a reduction is correct as a matter
    of law, and not arbitrary, capricious, or entirely
8
9
    lacking in evidentiary support.
10
         The claimant disagrees with the proposed decision.
11
         Staff recommends that the Commission adopt the
    proposed decision to deny the IRC, and authorize staff
12
13
    to make any technical, nonsubstantive changes to the
14
    proposed decision following the hearing.

1 Administrative Supervisor at the State Controller's 2 Office, Local Government Programs and Services Division. 3 CHAIRPERSON MILLER: Great. Thank you very much. Who would like to begin? Ms. Chinn, did you want 4 5 to begin? Please, Ms. Chinn, go ahead. 6 MS. CHINN: Good morning. 7 I'm Annette Chinn of Cost Recovery Systems, consultant representative for the City of Monrovia. 8 9 I would like to thank the Commission and staff for your 10 time spent reviewing our incorrect reduction claim of 11 the Local Government Relations Program. 12 Article XIIIB of the California Constitution and 13 subsequent state mandate regulations were created with the specific intent of providing a subvention of funds 14 15 to reimburse local government for the increased cost of 16 programs or increased level of services mandated by the 17 State. 18 The City incurred costs for the state-mandated 19 program related to this claim, and we prepared the claim 20 for state reimbursement, in compliance with the 21 instructions. Our claim included about a hundred pages 22 of back-up and required documentation. 23

The claimant back-up was submitted to the State

Controller's Office before the deadline. Our only error

was that we mistakenly submitted multiple fiscal years

24

of costs under one cover, rather than under two separate forms.

The Commission analysis suggests that our mistake was not clerical in nature and, therefore, not correctable.

The analysis suggests that we misinterpreted the claims in the instruction guidelines and intentionally included more than one fiscal year of costs on the claim form.

We respectfully disagree. This was not the case at all. We have been preparing and submitting claims since 2001, and there has never been an issue before. We were aware that a claim should not be combined with multiple fiscal years of costs under one claim form. This was simply an oversight.

That year, the State had approved two new multi-year programs that required submission of approximately 30 individual claims. Normally, we submit about a half a dozen or so per year. We were simply overwhelmed and didn't review the detailed invoices thoroughly enough. We -- it was truly a clerical mistake.

By recommending denial of our requests to be able to correct our clerical error, we believe the Commission staff analysis focuses on the letter of the law rather

1 than on the intent or the spirit of the law, which is to 2 ensure local agencies are paid for the programs mandated 3 by the State. And we would appreciate it if the Commission could determine that our error was 4 5 correctable, and allow reinstatement of our \$45,413 6 claim. 7 Thank you. 8 MS. BULLIS: And again, I want to -- oh, I'm sorry. 9 CHAIRPERSON MILLER: Oh, no. Please, Ms. Bullis. 10 Go ahead. Please state your name again for the record. 11 MS. BULLIS: Buffy Bullis, Administrative Services 12 Director for the City of Monrovia. 13 I did want to thank the Commission for your time. 14 We do appreciate this opportunity to present our 15 information to you. 16 Again, we respectfully request that the Commission 17 consider our error to be clerical in nature, not a 18 misinterpretation of the law, and please allow our 19 claim. This really is a significant loss for our city, 20 especially during these difficult times, as we're 21 dealing with the financial impacts of the COVID 22 pandemic. 23 So we do appreciate your consideration and thank 24 you again for your time. 25 CHAIRPERSON MILLER: Thank you. I appreciate it.

         MS. CARLOS: From Gwendolyn --
 3
         CHAIRPERSON MILLER: Ms. Carlos, do you want to

    make any statement?
 5
         MS. CARLOS: Yes, please. Just --
         CHAIRPERSON MILLER: Please go ahead.

7
         MS. CARLOS: We want to thank the Commission on

    Controller's Office supports the staff's conclusion and
10
    recommendations on the incorrect reduction claim for
11
    Local Government Employee Relations filed by Monrovia
12
    City in January of 2012.
13
         Thank you.
14
         CHAIRPERSON MILLER: Great. Thank you very much.
15
         Any further comments or questions?
16
         (No response)
17
         CHAIRPERSON MILLER: Ms. Palchik, do we have anyone
18
    that wants to make any other comments?
         MS. PALCHIK: None.
19
                              Thank you, Madam Chair.
20
         MEMBER WONG-HERNANDEZ: I have a question of
    Ms. Bullis. Am I saying that right?
21
22
         MS. BULLIS: Bullis. Buffy Bullis.
23
         MEMBER WONG-HERNANDEZ: Okay. I had a question for
24
    you. So sort of just understanding the process by which
25
    cities are using a consultant to file these claims, do
```

you just give your invoices to your consultant, and your consultant is the one who figures out how all the rules get followed and what gets filed where, and then it comes -- kind of comes back to you for review? I'm trying to understand this process.

I think we've been increasingly seeing the use of consultants and also seeing errors being done by consultants. And so I'm trying to understand sort of the interaction between the City and the person who is filing your claim. Or is that you? Can you walk me through that?

MS. BULLIS: Sure. Sure. Great question.

So basically, we compile all the data from our department. So we work with our operating departments to compile data. We gather that information. We send it over to the consultant.

We don't have the level of expertise in these claims and these mandates that the consultant does, so we really do rely on their expertise, and that's where their assistance is really needed to help us out.

So we compile it. We gather it. We send it over.

And then our consultant then goes through it again and reviews it. And then compiles -- compiles it again and resubmits it to us. We review it again and sign off and then submit the claim.

In this particular instance, we were under a tight time frame. It was really kind of a -- not a normal year and not a normal time frame. And so I think that added to the error and the mistake in this case.

MEMBER WONG-HERNANDEZ: Okay. I understand.

So sort of -- from just trying to get a local government perspective on your recourse. So this has all been compiled. It sounds like maybe it's compiled by the consultant, but then you have a final chance at review? Is that what I'm hearing?

MS. BULLIS: Yes.

MEMBER WONG-HERNANDEZ: Okay. I think it was appropriate what -- what the auditors did, and I understand that the impact is different. Right? I mean, I think we all are in agreement that those invoices shouldn't have been included in that claim.

So now we're really talking about, so what is your recourse for recovering money, that maybe if it had been filed differently, may have been owed you. And I'm not weighing in on that. I want to make sure that we all agree that this shouldn't have been part of that year's claim.

And so what is -- you know, in the event that it is not correctable, sort of, what happens to you, and how does that interaction happen between you and your

## consultant?

I mean, do you have -- do you have recovery clauses in your contract? Maybe this is not an appropriate question for you. I think it's something for you to think about if -- if there's another entity sort of sharing in the responsibility of this. But as a City, I'm trying to figure out what are Monrovia's options.

MS. BULLIS: Yeah. And we haven't really encountered this issue before, so we haven't really looked at that.

Normally, had we received notification earlier, we would have been able to correct and claim and file the claim earlier. In this particular instance, it was filed close before the deadline, and then by the time the State Controller reviewed it -- I know that they have a lot of work; we understand that -- it was after the time for us to refile.

So, normally, we would go through that process and correct any kind of issue that we have.

MEMBER WONG-HERNANDEZ: Okay. Thank you. That's a really helpful clarification for me.

CHAIRPERSON MILLER: Yeah. Those are really good questions, Ms. Wong-Hernandez.

Mr. Adams.

MEMBER ADAMS: I just want to follow up, because

the question that was answered -- the question that was asked, is there any potential for splitting the difference here and talking to the consultant.

As someone who has worked for local government for

40 years, I have a lot of sympathy for the City of
Monrovia, and these kind of things happen. But, at the
same time, I worry that, you know, number one, do we
have -- do we have authority to just waive a deadline?
And, number two, if we do, then are deadlines, deadlines
anymore? Where does it end?

MS. BULLIS: And, really, kind of our focus, in our rebuttal to this, is that, in the documentation that we received, and the reasoning for why it was declined, is because we misinterpreted the law.

And what we're trying to say, or what we're trying to argue, is that it was a clerical error. I know there's a lot of the different circumstances involved, but it was not a misinterpretation of the law, as the letter stated. We do understand it was -- it was human error.

MR. FELLER: Can I make a --

CHAIRPERSON MILLER: Mr. Feller.

MR. FELLER: Yeah. The mistake of the law analysis was part of the draft decision, but the final decision does not, in any way, rely on a mistake of analysis.

This analysis relies primarily on the Government Codes 17560(a), 17568, 17561, which, taken together, really forbid filing multi-year claims and forbid reimbursing anything filed one year after the deadline, in 17560, which is by February 15th following the fiscal year in which costs are incurred.

So that mistake of law was taken out of the final decision, based on the claimant's comments in response to the draft decision.

CHAIRPERSON MILLER: Thank you, Mr. Feller.

Ms. Shelton, do you want to add to that? Please.

MS. SHELTON: A little bit.

The 17561 and 17568, by the plain language states, "In no case may a reimbursement claim be made if submitted more than one year after the deadline." That means that the Commission doesn't have any authority whatsoever to provide any type of remedy here.

MS. CHINN: Though, we do want to note that the claim was submitted on time. It was just one cover sheet that was missing. I mean, all a hundred pages of documentation for all Fiscal Year 9/10, 10/11 were both included and sent on time, and they were sent a month early.

So, you know, had the State Controller's Office been able to review it quickly, we would have been

1 able -- there was like a month gap between submission 2 date and the date that it was due. So it could have 3 been corrected very easily. It just needed one cover That was the only thing that was missing. 4 So it was -- it could have been, you know -- it 5 6 could have been caught if it was caught earlier. But, 7 you know, two years -- with having the State Controller 8 look at the claims two years later, obviously, that's 9 beyond the date where anything could have been done to 10 correct it. 11 CHAIRPERSON MILLER: Right. Thank you, Ms. Chinn. 12 Ms. Shelton. 13 MS. SHELTON: Obviously, this is a mistake. 14 CHAIRPERSON MILLER: Do you have any comment? Thank you. 15 MS. SHELTON: Yes. 16 Obviously, this is a mistake. The problem is the 17 law requires that your reimbursement claim be filed 18 on -- per annual year. And this particular one was 19 stated, on every page, that it was for 2010/2011, and it 20 was signed under penalty of perjury. There's been no evidence filed whatsoever that the 21 22 Controller did anything other than their normal custom 23 and practice with receiving and logging all these 24 reimbursement claims when they came in. The mistake was 25 noticed almost two years after the deadline, when

1 they -- it took up their desk review within the time 2 period allowed by law. 3 So when you have a mistake made, you have to -- and especially with a Government Code section 17561 and 568, 4 5 the mistake has to be held against the claimant in this 6 particular case, because neither the Controller nor the 7 Commission have the authority to provide any remedy 8 here. 9 Thank you for that, CHAIRPERSON MILLER: 10 Ms. Shelton. 11 Are there any further questions from the Board? 12 MEMBER OLSEN: I actually have a question. 13 CHAIRPERSON MILLER: Any additional public comment? 14 MEMBER OLSEN: I have a question. 15 My question is, had the consultant or the City of 16 Monrovia noticed the error in that one-month period, 17 since they filed -- you know, a month to go before the 18 deadline. Had they noted that at that time, had they 19 reviewed and found that they could have added a cover 20 sheet to it, and then everything would have been okay? 21 Is that --I believe so. Yeah. That would have 22 MR. FELLER: 23 been a late-filed claim, only subject to a 10 percent 24 penalty. But if they had filed it 2009/10, and the

Controller had received it before the deadline, then I

```
1
    don't see any reason why the Controller --
         MEMBER OLSEN: But they did -- they did have a
 2
 3
    period of recourse in which they could have corrected
4
    this.
 5
         MS. CHINN: Yes.
         MEMBER OLSEN: Okay. Thank you.
6
7
         MS. BULLIS: We were notified after the time frame
8
    so --
9
         MEMBER OLSEN: Understood. It's an unfortunate
10
    situation, but yeah.
11
         CHAIRPERSON MILLER: Yeah. Absolutely. I agree
12
    with that.
13
         Any other questions? Comments?
14
         MEMBER RAMIREZ: Madam Chair.
15
         CHAIRPERSON MILLER: Ms. Ramirez. I apologize.
16
         MEMBER RAMIREZ: No. That's okay.
17
         I just -- being a city council person with a lot
18
    of -- always looking at a budget, how tight it is,
19
    especially now. And as a lawyer, I know, when that
20
    deadline comes, the deadline comes and it's -- after
21
    that, you are dead. And I really feel for everybody
22
    here when this happens.
23
         We just don't have a way to fix it at this point.
    It's pretty hard -- the law is pretty harsh here. And
24
25
    we don't have a way to get around it without violating
                                                             43

1
    our own laws.
 2
         CHAIRPERSON MILLER: Yeah. I agree. I agree with
3
    that. Absolutely.
 4
         Any other questions?
 5
         (No response)
         CHAIRPERSON MILLER: Any other public comment?
6
7
         MS. PALCHIK: I see none, Madam Chair.
8
         CHAIRPERSON MILLER: Thank you, Ms. Palchik.
         MEMBER OLSEN: I will move the staff
9
    recommendation.
10
11
         CHAIRPERSON MILLER: Great. It's been moved by
    Ms. Olsen.
12
13
         Do we have a second?
14
         MEMBER WONG-HERNANDEZ: Second.
15
         CHAIRPERSON MILLER: I will second it.
         Ms. Halsey, will you call the roll, please?
16
17
         MS. HALSEY: Yes.
18
         Mr. Adams.
19
         MEMBER ADAMS: Aye.
20
         MS. HALSEY: Ms. Lee.
21
         MEMBER LEE: Aye.
22
         MS. HALSEY: Ms. Miller.
23
         CHAIRPERSON MILLER: Aye.
24
         MS. HALSEY: Ms. Olsen.
25
         MEMBER OLSEN: Aye.

1
         MS. HALSEY: Ms. Ramirez.
 2

 3
         MS. HALSEY: Mr. Rivera.
 4
         MEMBER RIVERA:
                         Aye.
 5
         MS. HALSEY: Ms. Wong-Hernandez.
         MEMBER WONG-HERNANDEZ: Yeah.
6
7
         MS. HALSEY:
                      Thank you.
8
         We now ask for presenters for Item 5 -- oh, sorry.
9
         CHAIRPERSON MILLER: No.
                                   I'm sorry. There seems
10
    to be a delay now. I'm so sorry about this.
11
         Go ahead, Ms. Halsey.
12
         MS. HALSEY: We now ask the presenters for Item 5
    to please turn off their video and mute their
13
14
    microphones.
15
         Item 6 is reserved for county applications for a
16
    finding of significant financial distress, or SB 1033
17
    applications. No SB 1033 applications have been filed.
18
         Program Analyst Kerry Ortman will please turn on
19
    her video and microphone and present Item 7, the
20
    Legislative Update.
21
         Good morning.
22
         MS. ORTMAN: Good morning I have five bills to
23
    report on this morning. SB 287, Commission on State
24
    Mandates: Test claims: Filing date, which proposed
25
    language that would have -- that specifies that for
```

1 purposes of filing a test claim based on the date of 2 incurring increased costs, the phrase "within 12 months" 3 means by June 30th of the fiscal year following the fiscal year by the test claimant. 4 5 This bill did not make it out of the Assembly and 6 is now dead. 7 AB 2395, State mandates: Claims, proposed reducing the statutorily mandated minimum amount of costs 8 incurred to file a mandate reimbursement claim from 9 10 \$1,000 to \$900. 11 On February 24th, the bill was referred to the 12 Assembly Committee on Local Government. According to 13 the author's office, it was a spot bill which never made 14 it out of its house of origin and is now dead. 15 SB 1371, Maintenance of the codes, makes technical, 16 nonsubstantive changes to clean up, among other codes, 17 Government Code section 17581.7, which addresses the 18 Community College State Mandate Block Grant. 19 On September 10th, this bill was enrolled and 20 presented to the Governor. SB 98, Education Finance: Education omnibus 21 22 trailer bill, allows the Director of Finance to reduce 23 the inflation or cost of living adjustments in the 24 Education Mandate Block Grant, authorized by Government

Code section 17581.6, by a percentage equal to or

1 greater than the projected growth rate of the minimum 2 amount necessary to meet the requirements of section 8 3 of Article XVI of the California Constitution, but not less than zero. 4 5 On June 29th, the bill was chaptered by the 6 Secretary of State. 7 AB 77, Education Finance: Education omnibus 8 trailer bill, proposed the same action as SB 98. And on June 27th, the bill was ordered to inactive 9 10 at the request of Senator Mitchell. 11 And that's all I have this morning. 12 MS. HALSEY: Thank you, Kerry. 13 Chief legal Counsel Camille Shelton will please 14 turn on her video and microphone and present Item 8, the 15 Chief Legal Counsel Report. 16 MS. SHELTON: Good morning. 17 The California Supreme Court has accepted the 18 petition for review in the Coast Community College 19 District versus Commission on State Mandates case, 20 addressing the decision in the minimum conditions for 21 state aid. The Supreme Court has also ordered that the 22 court of appeal opinion be de-published. 23 Review is granted on the following issues: 24 Number 1, whether regulations that establish 25 minimum conditions entitling California community

college districts to receive state aid constitute a reimbursable state-mandated program within the meaning of Article XIIIB, section 6;

Number 2, whether a court lacks jurisdiction, under Article XIIIB, section 6, to make subvention findings on statutes that were not specifically identified in an initial test claim;

And, Number 3, whether the court lacks jurisdiction to remand the test claim based on a statute that was the subject of a prior decision of the Commission on State Mandates.

The parties are in the process of briefing those issues.

Number 2, the Sacramento County Superior Court has recently denied a petition for writ of mandate in City of San Diego versus Commission on State Mandates, upholding the Commission's decision on Lead Sampling in Schools. The Court agreed that that program did not constitute a new program or higher level of service.

We do have kind of a busy litigation calendar.

November 13th, 2020, is a status conference scheduled in the California School Board Association case, which is on remand from the California Supreme Court to deal with some additional causes of action.

And Number 2, the secondary hearing in the Second

```

    District Court of Appeal in the remand of the Department
 2.
    of Finance and State Water Resources Control Board
 3
    versus the Commission on State Mandates, dealing with
 4
    the Municipal Stormwater and Urban Runoff Discharge
5
    Program. That case is scheduled for hearing
6
    October 20th and will address the new program higher
7
    level of service issue. And it's a cost mandated by the
8
    state issue.
         And that's all I have.
9
         MEMBER OLSEN: Madam Chair?
10
11
         Because this is part of the official record, and
12
    this is a little bit of a gotcha --
13
         CHAIRPERSON MILLER: Yes, Ms. Olsen.
14
         MEMBER OLSEN: Oh. My microphone is on.
15
         CHAIRPERSON MILLER: Yes. You are good.
16
         MEMBER OLSEN: Okay. Because this is part of the
17
    official record, this is a little bit of a gotcha, and I
18
    apologize for that. But under Number 2, new filings, we
19
    have, on July 30th, 3030 -- I don't know if that's
20
    already been corrected in the record, but it should get
21
    corrected.
22
         MEMBER ADAMS: Back to the future, Sarah.
23
         MEMBER OLSEN: I was an editor for a long time.
24
    That's my excuse.
25
         CHAIRPERSON MILLER: Yeah.
                                     No. Thank you for that
                                                             49
```

1 correction. We'll make that correction. MS. HALSEY: We will certainly fix that. Thank 2 3 you. 4 CHAIRPERSON MILLER: Great. Ms. Halsey, are you 5 going to --MS. HALSEY: Yes. So, finally, Item 9 is the 6 7 Executive Director's Report. 8 And for today, I have both action and information 9 items for you. 10 First, the action item, which is the proposed 2021 11 hearing calendar. Commission meetings are generally 12 held on the fourth Fridays of odd months unless they 13 conflict with a holiday. In 2021, the fourth Friday of 14 November is a holiday, and, therefore, the first Friday 15 of December is proposed for the hearing. 16 Additionally, the May hearing is proposed to remain 17 on the Friday of Memorial Day weekend, as is usual. 18 Therefore, all 2021 regular meetings are proposed 19 for the fourth Fridays of odd months, except for the 20 November hearing, which is proposed for the first Friday 21 of December. In addition, tentative hearing dates are proposed 22 23 for April 23rd, 2021, and October 22nd, 2021. 24 Staff recommends that the Commission adopt the 25 proposed 2021 hearing calendar.

```
1
         CHAIRPERSON MILLER: Great. Any questions about
 2
    the calendar?
 3
         MEMBER OLSEN: I just have one comment. And this
    is only -- I'm perfectly happy with the calendar.
4
5
         God willing, and COVID infection rate doesn't rise,
6
    I will not be in the country for the July 23rd hearing.
7
    I just wanted to make sure that there aren't a whole
8
    bunch of people that are in the same situation.
9
         CHAIRPERSON MILLER: Yes. Hopefully, I will
10
    actually be in that same situation too, Ms. Olsen.
    have to say. But, yes, we'll have to see how that goes.
11
12
         Any other comments or questions on the calendar?
13
         (No response)
         MEMBER ADAMS: I would move the recommended
14
15
    calendar as presented.
         MEMBER OLSEN: I will second.
16
17
         CHAIRPERSON MILLER: Do we -- I'm going to move
18
    approval. If I could have a second -- (audio
19
    malfunction) -- moves. Ms. Wong-Hernandez seconds.
20
         All those in favor, please signify by saying "aye."
21
         (Ayes)
22
         CHAIRPERSON MILLER: Anyone opposed?
23
         (No response)
24
         CHAIRPERSON MILLER: Any abstentions?
25
         (No response)

1 CHAIRPERSON MILLER: Great. The calendar is 2 approved. 3 MS. HALSEY: Excellent. Thank you. CHAIRPERSON MILLER: Thank you, Ms. Halsey. 4 5 MS. HALSEY: And moving on to the workload update. 6 After this hearing, there are 40 pending test claims, 39 7 of which are regarding stormwater NPDES permits. There's also one active parameters and guidelines and two statewide cost estimates pending. 9 10 And, additionally, there is one parameters and 11 guidelines and one additional statewide cost estimate, 12 both of which are regarding NPDES permits that are on 13 inactive status, pending the outcome of litigation 14 regarding the test claim decisions underlying those 15 matters. In addition, there's one parameters and quidelines 16 17 amendment on inactive status, pending the outcome of 18 litigation in the CSBA case, which is currently pending 19 before the Alameda County Superior Court, on remand from 20 the Supreme Court. 21 Finally, there are seven IRCs pending, including 22 one new filing. 23 Commission staff currently expects to complete all 24 of the currently pending test claims and IRCs by

approximately the July 2023 Commission meeting,

depending on staffing and other workload.

Some of the test claims may be heard and decided earlier than currently indicated if they are consolidated for hearing.

Finally, I would ask all the parties and interested persons to please check tentative agenda items on my Executive Director's Report to see if you have an item you are interested in coming up over the next couple of hearings. You can also use the pending caseload documents on the Commission's website, which are updated at least bimonthly, and which list all pending caseloads, to see when something is tentatively set for hearing.

Please expect to receive your draft proposed decisions on all test claims and IRC matters for your review and comment at least eight weeks prior to the hearing date; and a proposed decision approximately two weeks prior to the hearing.

And that is all I have.

CHAIRPERSON MILLER: Thank you very much, Ms. Halsey.
