RE: **Dismissal of Request to Amend Parameters and Guidelines**
Annual Parent Notification, 11-PGA-02
Education Code Section 35291, et al.
California State Controller, Requestor

Dear Mr. Lal:

On October 28, 2011, the Commission on State Mandates (Commission) received your request to withdraw the request to amend parameters and guidelines filed on the above-named matter.

Section 1183.2(j) of the Commission's regulations requires the Commission to post the notice of withdrawal on its website for 60 days in order to provide other claimants or state agencies the opportunity to take over the request to amend the parameters and guidelines. If no other claimant or state agency takes over the request to amend the parameters and guidelines by substitution of parties within 60 days of service of the request to withdraw, the Executive Director shall issue a letter dismissing the request.

The Commission posted the notice of withdrawal on its website on November 2, 2011. No other claimant or state agency took over the request to amend parameters and guidelines. Therefore, effective today, I am dismissing this request to amend the parameters and guidelines.

Please contact Heidi Palchik at (916) 323-8218 if you have questions.

Sincerely,

A handwritten signature in black ink that reads "Nancy Patton".

Nancy Patton
Acting Executive Director
