San Juan Unified School District, Claimant

Dear Dr. Jaurequi and Mr. Miyashiro:

The Commission on State Mandates adopted the enclosed Statement of Decision on July 31, 2009. State law provides that reimbursement, if any, is subject to Commission approval of parameters and guidelines for reimbursement of the mandated program, approval of a statewide cost estimate, a specific legislative appropriation for such purpose, a timely-filed claim for reimbursement, and subsequent review of the claim by the State Controller's Office.

Following is a description of the responsibilities of all parties and of the Commission during the parameters and guidelines phase.

- **Claimant's Submission of Proposed Parameters and Guidelines.** Pursuant to Government Code section 17557 and California Code of Regulations, title 2, sections 1183.1 et seq., the claimant is responsible for submitting proposed parameters and guidelines to the Commission by **September 3, 2009**. For guidance in preparing and filing a timely submission see Government Code section 17557 and California Code of Regulations, title 2, sections 1183.1 et seq. Also, the claimant may include a "reasonable reimbursement methodology," a formula for reimbursing local agency costs mandated by the state in the Proposed Parameters and Guidelines. (See Gov. Code, § 17518.5 and Cal. Code Regs., tit.2, 1183.13.)
- **Review of Proposed Parameters and Guidelines.** Within ten days of receipt of completed proposed parameters and guidelines, Commission staff will send copies to the Department of Finance, Office of the State Controller, affected state agencies, and interested parties who are on the enclosed mailing list. Interested parties may propose a "reasonable reimbursement methodology" pursuant to Government Code section

- 17518.5. All recipients will be given an opportunity to provide written comments or recommendations to the Commission within 15 days of service. The claimant and other interested parties may submit written rebuttals. (See Cal. Code Regs., tit. 2, § 1183.11.)
- **State Agencies and Interested Parties Comments.** State agencies and interested parties may submit recommendations and comments on staff's draft proposal and the claimant's modifications and/or comments within 15 days of service. State agencies and interested parties are required to submit an original and two (2) copies of written responses or rebuttals to the Commission and to simultaneously serve copies on the test claimant, state agencies, and interested parties on the mailing list. The claimant and other interested parties may submit written rebuttals. (See Cal. Code Regs., tit. 2, § 1183.11.)
- **Adoption of Parameters and Guidelines.** After review of the draft parameters and guidelines and all comments, Commission staff will recommend the adoption of an amended, modified, or supplemented version of staff's draft parameters and guidelines. (See Cal. Code Regs., tit. 2, § 1183.14.)
- **Review of Statewide Cost Estimate.** Commission staff may develop the statewide cost estimate based on initial reimbursement claims filed with the Office of the State Controller, application of a reasonable reimbursement methodology, or use a different methodology based on recommendations from the test claimant, the Department of Finance, or other interested parties. Before presenting a statewide cost estimate to the Commission for adoption, Commission staff shall disclose to the parties and interested parties the methodology, basis for any assumptions made, and sources of any data used to develop the estimate. (See Cal. Code Regs., tit. 2, § 1183.3.)
- **Adoption of Statewide Cost Estimate.** At least ten days prior to the next hearing, Commission staff shall issue a final staff analysis and a staff recommendation for adoption of the statewide cost estimate.

#### **Reasonable Reimbursement Methodology and Statewide Estimate of Costs**

- **Test Claimant and Department of Finance Submission of Letter of Intent.** Within 30 days of the Commission's adoption of a Statement of Decision on a test claim, the test claimant(s) and the Department of Finance may notify the executive director of the Commission in writing of their intent to follow the process described in Government Code sections 17557.1—17557.2 and section 1183.30 of the Commission's regulations to develop a *reasonable reimbursement methodology* and *statewide estimate of costs* for the initial claiming period and budget year for reimbursement of costs mandated by the state. The letter of intent shall include the date on which the test claimant and the Department of Finance will submit a plan to ensure that costs from a representative sample of eligible claimants are considered in the development of a reasonable reimbursement methodology.
