California State Controller, Requestor

Dear Mr. Byrne and Mr. Spano:

On October 21, 2013 and October 22, 2013, the Commission on State Mandates (Commission) received requests, from the Department of Finance (Finance) and the State Controller's Office (SCO), respectively, for extensions of time to file comments on the draft staff analysis for the above-named matter which was issued on October 11, 2013.

Finance requested extension until November 1, 2013, citing recent unit staff changes as well as the complexity of the matter. The SCO requested extension until November 4, 2013, also citing the complexity of the matter and existing priorities. An extension of time to comment beyond November 1, 2013 would require a postponement of hearing. Any request for an extension of time to comment which would require a postponement of hearing requires the requestor to request a postponement of hearing. (tit. 2, CCR 1183.01(c)(1).) Since neither of the requests for an extension of time requested a postponement of the hearing, an extension of time to comment to November 1, 2013 is approved for good cause.

Therefore, comments from all parties, interested parties, and interested persons are now due on or before **November 1, 2013**.

If you would like to request a postponement of the hearing, you may do so for good cause shown, as specified in section 1183.01(c)(2) of the Commission's regulations.

Please contact Heidi Palchik at (916) 323-8218 if you have any questions.

Sincerely,
