Ms. Paula Higashi  
Executive Director  
Commission on State Mandates  
980 Ninth Street, Suite 300  
Sacramento, CA 95814

Dear Ms. Higashi:

The Department of Finance received letters from your office requesting our review of various test claims and other filings related to reimbursable state mandated costs submitted by school and community college districts. The attachment lists the test claim titles and numbers for which comments are recently past due or soon due. As a result of the numerous mandate filings, the reduction in available legal counsel from the Attorney General's Office as well as budget litigation-related demands on our in-house counsel, and our office's internal workload related to budget development and the transition in Administrations, we respectfully request an extension until February 2004 to file comments on all of these filings. To the extent possible, our office will submit comments on a flow basis. At your suggestion, we will attempt to prioritize matters that are closer to conclusion.

As required by the Commission's regulations, we are including a "Proof of Service" indicating that the parties included on the mailing lists which accompanied your letters have been provided with copies of this letter via either United States Mail or, in the case of other State agencies, Interagency Mail Service.

If you have any questions regarding this letter, please contact Matt Aguilera, Principal Program Budget Analyst at (916) 445-0328.

Sincerely,

Jeannie Oropeza  
Program Budget Manager
