Re: Extension of Time Request
Response to Request for Additional Information
Tuberculosis Control
Claim no. CSM-03-TC-14

Dear Mr. Bohan:

Pursuant to California Code of Regulations, title 2, section 1183.01, subdivision (c)(1), test claimant County of Santa Clara hereby requests a short extension of time to file their Response to Commission's Request for Additional Information in the above-captioned matter. Diligent work has resulted in most of the requested information having been gathered but the response and necessary declarations have not been finalized and signed. Therefore, the test claimant respectfully requests an extension of time until the close of business on May 16, 2011. As this is only an extension of two weeks, the proposed hearing date for this matter should not be affected.

Very truly yours,
