Appendix C-4 - Facilities Selected for Inspection but not Visited

#	Business Name	Business Address	Notes
1	"RECYCLING YARD" *(NO OFFICIAL BUSINESS NAME)	1904 NATIONAL AVE	D-Max spoke with George Gonzalez, who reported that this recycling yard was no longer in business and has not been operating at this facility since May/June 2006. Mr. Gonzalez reported that no business had filled the vacancy.
2	ALARIS MEDICAL SYSTEMS, INC CARDINAL HEALTH	9668 HEINRICH HERTZ DR. #A & B	A telephone inquiry was made to this business to check on NONA/NEC paperwork status. D-Max spoke with Rosa Myers, who reported that the NONA/NEC paperwork had been completed.
3	BECKMAN COULTER	7330 CARROLL RD	D-Max spoke with Debbie Talbot, who reported that this business has moved to another location in the City: 10130 Sorrento Valley Rd. The Sorrento Valley Road facility was inspected in 2006 and was in full compliance, and therefore was not added to this year's inspection list.
4	CALIFORNIA TRANSMISSION PROD	4149 CARTAGENA DR. B	Inspector called this business and was given a number for corporate headquarters. Jimmy Hunter at corporate headquarters reported that this business has been out of business for a few weeks.
5	COACH USA	3888 BEECH STREET	Inspector called to schedule an appointment, and it was reported that this is the same business as Goodalls. Goodalls was inspected by D-Max and is included in this letter.
6	COLE MOVING & STORAGE	10835 SORRENTO VALLEY RD	D-Max spoke with Scott Prosues, who reported that this business vacated this facility over a year ago and no longer operates in the City. He was not sure if another business had filled the vacancy.
7	CP KELCO	8225 AERO DR	Inspector spoke with Bob Metcalf, who reported that there are no manufacturing activities that take place at this facility. This facility receives samples from production facilities for testing and analysis. Mr. Metcalf also reported that Don Perrin from the RWQCB e-mailed him with the specifics of the Notice of Termination, which was reportedly approved on 2/1/2005.

8	DAN HERBST/KAPLAN DESIGN STUDIO	2215 30TH ST	D-Max received a message from Dan Herbst, who reported that this business has moved to a new location in Chula Vista.
9	EHMCKE SHEET METAL CORP.	404 14TH ST	D-Max spoke with Beverly Steinhoff, who reported that this business moved out in October 2006. Ms. Steinhoff also reported that the building still belongs to Ms. Ehmke and that it is currently vacant.
10	ELSCO INC.	3407 E ST	Inspector talked to Ettina Jordan, who reported that this business would be moving in mid-April sometime. The shipping and delivery division will reportedly be moved to North Carolina, and the office will be moved to her daughter's house in East County.
11	ERIK VOGT	9340 DOWDY DR	This name was included on the business license list of facilities to be inspected. When D-Max called to schedule an appointment, Mr. Vogt claimed that he is the owner of Artifacts International (located at the same address), which is on this year's inspection list. Erk Vogt was listed as a duplicate of Artifacts International in the Industrial/Commercial database.
12	EVERINGHAM BROS BAIT CO	2750 MAIN ST	A telephone inquiry was made to this business to check on NONA/NEC paperwork status. D-Max spoke with Lori Hale, who reported that the NONA/NEC paperwork had been completed. A copy of the paperwork was received by D-Max via fax on 2/27/2007.
13	HANSON AGGREGATES PSW, INC MISSION VALLEY	5785 MISSION CENTER RD	D-Max spoke with Pete Zagar, who reported that this business has been non-operational for the past two years, with no other business now operating at this location.
14	HAWTHORNE RENT IT SERVICE	1473 G ST	D-Max spoke with Gary Gogal, who reported that this business vacated this facility and is no longer operational in the City. He was not sure if another business had filled the vacancy.

#	Business Name	Business Address	Notes
15	HI-Z TECHNOLOGY, INC.	7606 MIRAMAR RD. #7400	A telephone inquiry was made to this business to check on NONA/NEC paperwork status. D-Max spoke with Javier Valdez. A copy of the paperwork was received by D-Max via fax on 2/27/2007.
16	HYTECH METAL FORMING	2676 NEWTON AVE	D-Max spoke with Mike Mercado, who reported that this business is closing on March 16, 2007. As of March 2, 2007, Mr. Mercado reported that there is no equipment located at the facility and that it is only an open lot.
17	INTERNBOUNDARY & WATER COMM SO	2995 CLEARWATER WAY	Inspector talked to Dawi Dakhil, who reported that this business is also called South Bay International Waste Water Treatment Plan. This facility has been inspected by D-Max and is included in this letter.
18	NOMAD SPORTFISHING LLC	2580 INGRAHAM ST	Inspector spoke with facility representative on 5/23/2007; the purpose of the call was to determine if industrial activities were taking place at the site. It was confirmed that Nomad Sportfishing LLC is a fishing charter boat business. There is only one boat, and the owner reported that all boat maintenance was done in an enclosed area. Because this is not industrial activity, and thus no inspection is mandated, the site was not visisted in 2006-2007.
19	PETROCHEM MARKETING INC	9255 CAMINO SANTA FE STE #35	D-Max spoke with Tammie Wood on the 2/20/2007; she reported that this business was going to cease operations in the City on 2/21/2007.
20	SHUTTERMART OF CALIFORNIA, INC	1022 W MORENA BLVD	D-Max spoke with Casey Davis, who reported that this facility has been non-operational since October 2006. Ms. Davis reported that San Diego Kitchen and Bath filled the vacancy.
21	TELEDYNE ELECTRONIC TECH	3565 CORPORATE CT	D-Max spoke with Michael Solorzano, who reported that this business vacated this facility in August 2006 and no longer operates in the City. He did not know whether a new business had filled the vacancy.
