Health Fee Elimination, 10-4206-I-36
Education Code Section 76355
Statutes 1984, 2nd E.S.; Chapter 1; Statutes 1987, Chapter 1118;
Fiscal Years: 2003-2004, 2004-2005, 2005-2006 and 2006-2007
Kern Community College District, Claimant

Dear Mr. Petersen and Ms. Kanemasu:

On November 29, 2010, Kern Community College District filed a revised incorrect reduction claim (IRC) with the Commission on State Mandates (Commission) based on the *Health Fee Elimination* mandate for fiscal years 2003-2004, 2004-2005, 2005-2006 and 2006-2007, for a total of \$762,882. Commission staff determined that the revised IRC filing is complete.

Government Code section 17551, subdivision (b), requires the Commission to hear and decide upon claims filed by local agencies and school districts that the State Controller's Office (SCO) has incorrectly reduced payments to the local agencies or school districts.

I am consolidating this revised IRC, 10-4206-I-36, with the existing IRC, 09-4206-I-21 that was filed on September 25, 2009 for the same school district and same fiscal years.

SCO Review and Response. Please file the SCO response and supporting documentation regarding this claim within 90 days of the date of this letter. Please include an explanation of the reason(s) for the reductions and the computation of reimbursements. All documentary evidence must be authenticated by declarations under penalty of perjury signed by persons who are authorized and competent to do so and be based on the declarant's personal knowledge, information or belief. The Commission's regulations also require that the responses (opposition or recommendation) filed with the Commission be simultaneously served on the claimants and their designated representatives, and accompanied by a proof of service (Cal. Code Regs., tit. 2, § 1185.01).

The failure of the SCO to respond within this 90-day timeline shall not cause the Commission to delay consideration of this IRC.

Claimant's Rebuttal. Upon receipt of the SCO response, the claimant and interested parties may file rebuttals. The rebuttals are due 30 days from the service date of the response.

Prehearing Conference. A prehearing conference will be scheduled if requested.

Public Hearing and Staff Analysis. The public hearing on this claim will be scheduled after the record closes. A staff analysis will be issued on the IRC at least eight weeks prior to the public hearing.

Dismissal of Incorrect Reduction Claims. Under section 1188.31 of the Commission's regulations, IRCs may be dismissed if postponed or placed on inactive status by the claimant for more than one year. Prior to dismissing a claim, the Commission will provide 60 days notice and opportunity for the claimant to be heard on the proposed dismissal.

Please contact Heidi Palchik at (916) 323-8218 if you have any questions.
