Re: Request for Second Extension of Time to File Comments on Draft Proposed Decision on California Regional Water Quality Control Board, Santa Ana Region, Order No. R8-2009-0030, Sections IX, X, XI, XII XIII and XVII, 09-TC-03

Dear Ms. Halsey:

Pursuant to Cal. Code Regs. tit.2, § 1187.9,¹ I am writing as Claimant Representative for Claimants in the above-referenced Joint Test Claim to request a short second extension of time for Claimants to file comments on the Draft Proposed Decision in that matter, dated August 17, 2022. Such request is timely in that it is being made before the date set for filing comments or rebuttals. Section 1187.9(a).

On August 24, 2022, you granted Claimants' request for an extension of the comment period to 5:00 p.m. on October 14, 2022. The same extension has since been granted to the Water Boards and an interested party, and an extension to October 21, 2022 was granted to the Department of Finance. Also, the hearing on adoption of the Proposed Decision has been continued to January 27, 2023.

Claimants respectfully request a second extension of that deadline to **5:00 p.m. on October 28, 2022**, for the following reasons:

- As indicated in our original request for an extension, the Staff Recommendation and Draft Proposed Decision is 199 pages in length,

covering a complex test claim. A number of complex factual issues have been raised, including relating to funding and operational questions, which must be addressed by Claimants. In discussions with Claimants, we have determined that this work requires review of records from a period of more than 10 years as well as conducting follow-up inquiries regarding those records. Individual permit requirements must be reviewed with Claimant representatives to address factual issues raised in the Draft Proposed Decision. As noted in our original extension request, individuals with pertinent information and/or evidence may have retired and/or are no longer employed by Claimants, complicating the ability of Claimants to rapidly investigate factual issues.

- An extension of the deadline would not require a postponement of the January 27, 2023 hearing before the Commission. Pursuant to Section 1183.6(b), a proposed draft decision can be released as late as eight weeks before the hearing date. Submittal of comments on October 28 would give Commission staff more than two months to review the comments and prepare a final proposed decision for the Commission's consideration. This is far longer than the minimum five weeks required under Section 1183.6(c). Thus, no postponement of the hearing date is required, and Claimants are not requesting a postponement of the hearing date.
- The requested extension would not prejudice any party.

Section 1187.9(a) directs that, so long "as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved." Claimants respectfully submit that under those standards, the request to extend the comment deadline to 5:00 p.m. on October 28, 2022 should be approved.

Thank you for your consideration of this request.

I declare under penalty of perjury that the foregoing, signed on September 15, 2022, is true and correct to the best of my personal knowledge, information, or belief.

Claimant Representative
