Re: Request for Additional Extension of Time to Respond to Notice of Incomplete Joint Test Claim Filing and Postponement of Hearing
*California Regional Water Quality Control Board,
San Francisco Bay Region, Order No. R2-2009-0074*
Consolidated 10-TC-01, 10-TC-02, 10-TC-03 and 10-TC-05

Dear Ms. Halsey:

This letter is submitted on behalf of the Alameda¹ and San Mateo² County Claimants in response to your April 19, 2017, Notice of Incomplete Test Claim Filing letter and your May 11, 2017, letter partially approving our first request for an extension of time to respond. We are writing to request an additional 45-day extension of time to revise the test claim documents in accordance with the Commission's direction and a postponement of the hearing on this matter until the next regularly scheduled hearing. This request is supported by good cause because of the number and complexity of the issues and our inability to obtain essential testimony, documents, or other material evidence despite our diligent efforts.

¹ The "Alameda County Claimants" are the following entities, which submitted Test Claim No. 10-TC-02: the City of Alameda and the County of Alameda, the Cities of Albany, Berkeley, Dublin, Emeryville, Fremont, Hayward, Livermore, Newark, Oakland, Pleasanton, San Leandro and Union City, the Alameda County Flood Control and Water Conservation District, and the Alameda County Flood Control and Water Conservation District, Zone 7.

² The "San Mateo County Claimants" are the following entities, which submitted Test Claim No. 10-TC-01: the City of Brisbane and the County of San Mateo, the San Mateo County Flood Control District, the Cities of Belmont, Burlingame, Daly City, East Palo Alto, Foster City, Half Moon Bay, Menlo Park, Millbrae, Pacifica, Redwood City, San Bruno, San Carlos, San Mateo and South San Francisco, and the Towns of Atherton, Colma, Hillsborough, Portola Valley and Woodside.

These consolidated test claims involve unfunded mandates imposed by a lengthy and complex executive order (namely, California Regional Water Quality Control Board, San Francisco Bay Region, Order No. R2-2009-0074). The Commission's directives require us to compile actual cost information and more detailed descriptions of new and existing activities for the 38 claimants we represent. This means that the issues involved in responding to the Commission's notices are numerous and complex.

Similarly, despite our diligent efforts, we have been unable to obtain essential testimony, documents, or other material evidence from our 38 clients in the amount of time currently provided by the Commission. Specifically, the Commission's notice requires each of the claimants and co-claimants to provide new test claim forms, written narratives and supporting declarations with related evidence. These documents, testimony and evidence are clearly essential to respond to the notice. As we mentioned in our initial request, the number of claimants at issue, combined with the amount of time that has passed, has made it more time consuming and difficult to comply with the notices. In addition, for some clients, the staff persons in charge of compiling the initial test claim packages are no longer employed by the claimant. In some cases, current storm water program personnel are unavailable because of summer holidays. These factors have prevented us from completing the tasks required to comply with the notices and necessitate the requested extension.

Further, we are in the process of counseling our clients regarding the statements in your May 11, 2017, letter that it is unnecessary for 38 co-claimants to participate in this proceeding. We are exploring the possibility of withdrawing some or all of the co-claims, but we must ensure that our clients carefully consider their options. Again, due to the number of clients, we have not had sufficient time to accomplish this task.

Thank you for your consideration of this matter.

Sincerely,

Gregory J. Newmark
Attorney at Law
