IN RE TEST CLAIM ON:

Municipal Regional Stormwater Permit Number CAS612008, issued by the Regional Water Quality Control Board, San Francisco Region as Order No. R2-2009-0074, October 14, 2009

Filed on October 11, 2010

By City of Brisbane, Claimant.

No. 10-TC-01

Municipal Regional Stormwater Permit – San Mateo County

NOTICE OF COMPLETE TEST CLAIM FILING AND SCHEDULE FOR COMMENTS (Gov. Code, § 17500 et seq.; Cal. Code Regs., Tit. 2, §§ 1183, subd.(g), & 1183.02)

**TO: Regional Water Quality Control Board, San Francisco Region
State Water Resources Control Board
Department of Finance
State Controller's Office
City of Brisbane
Interested Parties**

On October 11, 2010, the City of Brisbane, claimant, filed a test claim on the above-described executive order alleging a reimbursable state-mandated program pursuant to article XIII B, section 6 of the California Constitution and Government Code section 17514. The test claim is complete.

A "test claim" is "the first claim filed with the commission alleging that a particular statute or executive order imposes costs mandated by the state, and includes a claim filed pursuant to Section 17574."

The Commission on State Mandates also received filings on the same executive order from the City of San Mateo (October 12, 2010), Town of Colma (October 13, 2010), City of Millbrae (October 13, 2010), City of Belmont (October 13, 2010), Town of Portola Valley (October 13, 2010), City of San Carlos (October 13, 2010), County of San Mateo (October 14, 2010), Town of Hillsborough (October 14, 2010) City of Daly City (October 14, 2010), City of Half Moon Bay (October 14, 2010), Town of Atherton (October 14, 2010), City of San Bruno (October 14, 2010), Town of Woodside (October 14, 2010), City of Foster City (October 14, 2010), City of Redwood City (October 14, 2010), City of South San Francisco (October 14, 2010), City of Pacifica (October 14, 2010), City of Burlingame (October 14, 2010), City of Menlo Park (October 14, 2010).

These filings cannot be accepted because the City of Brisbane's test claim is the first claim filed. Thus, the original filings are being returned. The contact persons and representatives for the returned filings have been added to the mailing list as interested parties on the City of Brisbane's test claim. An interested party may participate in the test claim process by filing comments and testifying in the hearings before the commission itself.

The Commission's regulations also provide that test claims may be prepared as a joint effort between two or more claimants and filed with the commission if the claimants attest to all of the following in the test claim filing:

- the claimants allege state-mandated costs result from the same statute or executive order;
- the claimants agree on all issues of the test claim; and,
- the claimants have designated one contact person to act as the resource for information regarding the claim. (Cal.Code Regs, tit. 2, § 1183, subd. (h).)

This procedure allows potential eligible claimants to join Brisbane's test claim as co-claimants if they attest to the provisions cited above. The addition of co-claimants to the Brisbane test claim must be filed by the City of Brisbane.

The test claim will be heard and determined by the Commission on State Mandates pursuant to article XIII B, section 6, Government Code section 17500 et seq., and case law. The procedures for hearing and determining this claim are prescribed in the Commission's regulations, California Code of Regulations, title 2, chapter 2.5, section 1181.

COMMENT PERIOD

Within the next few days, a pdf file of the test claim will be posted on the Commission's website under "For Public Comment." The key issues before the Commission are:

- Do the provisions listed above impose a new program or higher level of service within an existing program upon local entities within the meaning of article XIII B, section 6 of the California Constitution and costs mandated by the state pursuant to Government Code section 17514 of the Government Code?
- Does Government Code section 17556 preclude the Commission from finding that any of the test claim provisions impose costs mandated by the state?¹
- Have funds been appropriated for this program (e.g., state budget) or are there any other sources of funding available? If so, what is the source?

State Agency Review of Test Claim - State agencies are requested to analyze the test claim merits and to file written comments within 60 days, or no later than **January 17, 2011**. Requests for extensions of time may be filed in accordance with sections 1183.01, subdivision (c), and 1181.1, subdivision (g) of the regulations.

Claimant Rebuttal - The claimant and interested parties may file rebuttals to state agencies' comments under section 1183.03 of the regulations. The rebuttal is due 60 days from the actual service date of written comments from any state agencies.

Mailing Lists - Under section 1181.2 of the regulations, the Commission will promulgate a mailing list of parties, interested parties, and interested persons for each test claim and provide the list to those included on the list, and to anyone who requests a copy.

Filing Written Material on the Test Claim and Posting for Public Comment - When filing written material on this test claim, an original and one copy, or an original and a PDF file, shall be submitted to the Commission. PDF files should be e-mailed to: csminfo@csm.ca.gov.

¹ Government Code section 17556 was amended by Statutes 2010, chapter 719 (SB 856, urgency), effective October 19, 2010.

The comments will be posted on the Commission's website and the mailing list will be notified by electronic mail of the posting and comment period. This procedure will satisfy all the service requirements under California Code of Regulations, title 2, section 1181.2, subdivision (d).

Consolidating Test Claims - Pursuant to Commission regulations, the executive director may consolidate part or all of any test claim with another test claim. See sections 1183.05 and 1183.06 of the regulations.

INFORMAL/PREHEARING CONFERENCE

An informal conference or prehearing conference may be scheduled if requested by any party. See sections 1183.04 and 1187.4 of the regulations.

HEARING AND STAFF ANALYSIS

A tentative hearing date for the test claim will be set when the draft staff analysis of the claim is being prepared. At least eight weeks before a hearing is conducted, the draft staff analysis will be issued to parties, interested parties, and interested persons for comment. Comments are due at least five weeks prior to the hearing or on the date set by the Executive Director, pursuant to section 1183.07 of the regulations. Before the hearing, a final staff analysis will be issued.

Dismissal of Test Claims - Under section 1183.09 of the regulations, test claims may be dismissed when postponed or placed on inactive status by the claimant for more than one year. Before dismissing a test claim, the Commission will provide 60 days notice and opportunity for other parties to take over the claim.

Parameters and Guidelines - If the Commission determines that a reimbursable state mandate exists, the claimant is responsible for submitting proposed parameters and guidelines for reimbursing all eligible local entities. See section 1183.1 of the regulations. All interested parties and affected state agencies will be given an opportunity to comment on the claimant's proposal before consideration and adoption by the Commission.

Reasonable Reimbursement Methodology - Government Code section 17557 requires the Commission, when adopting parameters and guidelines, to consult with claimants, Department of Finance, the State Controller, and the Legislature to consider a reasonable reimbursement methodology. Government Code section 17518.5 authorizes the claimant or any affected state agency or interested party to propose a reasonable reimbursement methodology.

Statewide Cost Estimate - The Commission is required to adopt a statewide cost estimate of the reimbursable state-mandated program within 12 months of receipt of a test claim. This deadline may be extended for up to six months upon the request of either the claimant or the Commission.

Alternative Process - Within 30 days of the Commission's adoption of a Statement of Decision on a test claim, the test claimant and the Department of Finance may notify the executive director in writing of their intent to follow the process described in Government Code section 17557.1 to develop a reasonable reimbursement methodology and statewide estimate of costs for the initial claiming period and budget year for reimbursement of costs mandated by the state. The letter of intent shall include the date on which the test claimant and the Department of

Finance will submit a plan to ensure that costs from a representative sample of eligible claimants are considered in the development of a reasonable reimbursement methodology. If this letter of intent is submitted, the Commission will provide further information for all parties and interested parties to the test claim.
