**RE: Notice of Extension Request Approval**

*San Diego Region Water Permit – County of Orange, 10-TC-11*  
California Regional Water Quality Control Board, San Diego Region,  
Order No. R9-2009-0002, effective December 16, 2009  
County of Orange, Orange County Flood Control District, Cities of Dana Point,  
Laguna Hills, Laguna Niguel, Lake Forest, Mission Viejo, and San Juan Capistrano,  
Co-Claimants

Dear Ms. Hagan:

On September 19, 2016, the Commission on State Mandates (Commission) received your request for an extension of time to submit the administrative record of the above-named permit. In your request, you note that the administrative record for this permit has not previously been compiled by the San Diego Water Board. In addition, you explain that the process of converting cassette recordings of the workshops and public hearings is time consuming and that the Regional Board is seeking to obtain from the court reporting company prepared transcripts of the public hearings. Finally, your request notes that the same staff who are preparing the administrative record are also assisting in the preparation of written comments responding to the Test Claim, which are required to be filed on or before **October 10, 2016**.

Section 1187.9(a) of the Commission's regulations provides that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved. Therefore, your request for extension of time to the administrative record is approved. The administrative record is now due on **November 9, 2016**.

Sincerely,

Heather Halsey  
Executive Director
