Dear Ms. Sablan:

On May 16, 2019, the State Water Resources Control Board and the Santa Ana Regional Water Quality Control Board (Water Boards) filed a request with the Commission on State Mandates

Ms. Sablan
May 17, 2019
Page 3

(Commission) for a 60-day extension of time to file comments on the above-captioned Test Claims, currently due on **May 28, 2019**.

Specifically, the request states that more time is needed because addressing the searchability issues for the administrative records has taken more time than expected and has taken away from time needed to prepare the written comments and other priority duties including preparation for and attendance at board meetings and workshops, significant permit actions and cleanup matters, and basin plan amendments continue to require attention.

Section 1187.9(a) of the Commission's regulations provide that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved. Therefore, the Water Boards' comments on Test Claims 17-TC-07 through 17-TC-28 are now due **July 29, 2019**. The claimants' rebuttal comments to the Water Boards' and the Department of Finance's comments are now due 30 days from the service of the Water Boards' comments.

These matters remain tentatively set for hearing as specified on the Commission's pending caseload which may be found at: https://www.csm.ca.gov/pending_caseload.php.

Sincerely,

Heather Halsey
Executive Director
