Dear Ms. Sablan:

On July 9, 2019, the State Water Resources Control Board and the Santa Ana Regional Water Quality Control Board (Water Boards) filed a request with the Commission on State Mandates

Ms. Sablan  
July 10, 2019  
Page 3

(Commission) for a 45-day extension of time to file comments on the above-captioned Test Claims, currently due on **July 29, 2019**.

Specifically, the request states that the only attorney currently assigned to these matters has other competing work duties including complex permitting matters, basin plan amendments, and site cleanup issues. In addition, staff involved in the coordination and review of the comments have preplanned vacations in the next two months.

Please be reminded that none of these Test Claims have been consolidated, but are being addressed in this single approval letter for the sake of efficiency. The decision on whether to consolidate any or all of these matters for hearing will be made by the executive director once comments have been filed and the records are thoroughly reviewed for analysis and hearing.

Section 1187.9(a) of the Commission's regulations provide that so long as a postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, the request shall be approved.

Therefore, in the interest of Commission efficiency to avoid the need to process a further extension request, a *60-day* extension is approved and the Water Boards' comments on the Test Claims are now due **September 27, 2019**. The claimants' rebuttal comments to the Water Boards' and the Department of Finance's comments are now due 30 days from the service of the Water Boards' comments.

These matters remain tentatively set for hearing as specified on the Commission's pending caseload which may be found at: [https://www.csm.ca.gov/pending\\_caseload.php](https://www.csm.ca.gov/pending_caseload.php).

Sincerely,

Heather Halsey  
Executive Director
