RE: Water Boards' Request for 60-Day Extension to File Comments

Water Code Section 13383(a) Phase I MS4 Trash Order Issued to the Cities of Brea, Cypress, Huntington Beach, Newport Beach, Orange, Seal Beach, Anaheim, Chino Hills, Costa Mesa, Garden Grove, Laguna Woods, Lake Forest, San Jacinto, Santa Ana, Tustin, Villa Park, and Yorba Linda, the County of Orange, and the Cities of Grand Terrace, Irvine, Placentia, and Rialto, Santa Ana Regional Water Quality Control Board, Effective June 2, 2017 [17-TC-07 to 17-TC-28]

Dear Ms. Halsey:

The Santa Ana Regional Water Quality Control Board (Santa Ana Water Board) and the State Water Resources Control Board (State Water Board) (collectively, Water Boards) request a 60-day extension pursuant to section 1187.9 of the Commission's regulations to file written comments in the above-captioned test claims. If granted, the Water Boards would be required to file written comments for the twenty-two test claims concerning the Water Code Section 13383 Orders to Submit Method to Comply with Statewide Trash Provisions; Requirements for Phase I Municipal Separate Storm Sewer System (MS4) Co-Permittees within the Jurisdiction of the Santa Ana Regional Water Quality Control Board (Trash Orders) by **May 28, 2019**. The reasons for granting the extension are set forth below.

Procedural Background

The Santa Ana Water Board issued the Trash Orders to MS4 permittees within its jurisdiction to implement statewide trash requirements adopted in 2015 by the State Water Board known as the "Trash Amendments." Other Regional Water Boards likewise issued orders to implement the statewide Trash Amendments at or around the same time the Santa Ana Water Board Trash Orders were issued.

On September 27, 2018, the Commission notified the Water Boards and other interested parties that Water Code Section 13383(a) Phase I MS4 Trash Order Issued to City of Brea, Santa Ana Regional Water Quality Control Board, Effective June 2, 2017, 17-TC-07

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

submitted by the City of Brea was deemed complete. Then, on October 25 and 26, 2018, the Commission notified the Water Boards and other interested parties that seventeen similar test claims filed by the Cities of Cypress, Huntington Beach, Newport Beach, Orange, Seal Beach, Anaheim, Chino Hills, Costa Mesa, Garden Grove, Laguna Woods, Lake Forest, San Jacinto, Santa Ana, Tustin, Villa Park, and Yorba Linda, and the County of Orange (17-TC-08 to 17-TC-24) were deemed complete. Finally, on November 29, 2018, the Commission notified the Water Boards and other interested parties that four other test claims related to the Santa Ana Water Board Trash Orders filed by the Cities of Grand Terrace, Irvine, Placentia, and Rialto (17-TC-25 to 17-TC-28) were deemed complete. In addition to these twenty-two test claims, a similar test claim was filed by the City of San Juan Capistrano and the County of San Diego challenging a similar order issued by the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) and deemed complete.

In the Commission's Notices of Complete Test Claim, the Water Boards were required to submit administrative records and written comments by a specified deadline. The Water Boards have submitted two previous requests to extend the deadline, and the Commission has granted these requests. The current deadline to submit comments and the administrative records for the pending test claims is March 29, 2019.

Basis for Request for Extension

The Water Boards are in the process of completing the administrative records for the test claims and expect to submit the records to the Commission by the March 29, 2019 deadline. The Water Boards, however, seek an additional 60-day extension to submit their written comments. As previously stated, the Water Boards are coordinating with the San Diego Water Board to evaluate the merits of the test claims. The Water Boards have focused their efforts on the preparation of the administrative records and now need additional time to complete their evaluation of the twenty-two test claims and prepare thorough written comments for the Commission. As the single attorney for the Santa Ana Water Board, I am responsible for advising the board and staff on all legal matters. My other priority duties, which include significant permitting and cleanup matters, basin plan amendments affecting water quality, and preparation for board meetings, have limited and continue to limit my ability to work exclusively on test claim matters. Staff and management assisting with and reviewing comments also face similar time constraints due to competing work responsibilities. With the preparation of the administrative records nearing completion, the Water Boards can focus on coordinating efforts to complete the evaluation of the test claims and prepare written comments.

Section 1187.9, subdivision (a) of the Commission's regulations provides that any party or interested party may request an extension of time by filing a request with the executive director before the deadline for filing comments. If the postponement of a hearing would not be required, there is no prejudice to any party or interested party, and there is no other good reason for denial, a request for extension of time to file comments shall be approved. Granting the Water Boards a 60-day extension would be consistent with section 1187.9. The hearings on the twenty-two test claims are tentatively scheduled between May 22, 2020 and March 22, 2024 and would not require postponement if the request is granted. Additionally, the Water Boards do not believe the extension would prejudice any other party or interested party and are not aware of any other good cause for denial. For these reasons and those discussed above, the Water Boards ask that you approve this request and extend

the deadline to file written comments for the test claims in 17-TC-07 through 17-TC-28 to **May 28, 2019**.

Thank you for your consideration of this request. If you have any questions, I can be reached at (916) 341-5174 or by email at Teresita.Sablan@waterboards.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Teresita Sablan', with a long horizontal line extending to the right.
