RE: Test Claim No. 17-TC-14: Request to Disallow Late Filed Comments of
Department of Finance, or, in the Alternative, for Extension to File Rebuttal

Dear Ms. Halsey:

I write regarding the January 29, 2019 comments filed late by the Department of Finance ("Department") concerning the above-referenced test claim. The City of Chino Hills ("Claimant") requests that the Department's late-filed comments be disallowed from the record of these proceedings, or, alternatively, that the Claimant be granted an extension of time to file a rebuttal to the Department's comments. The reasons for granting this request are set forth below.

Procedural Background

In correspondence dated November 21, 2018, Commission staff approved requests by the Department, the State Board and the Santa Ana Board, for an extension of time to file comments and submit the administrative record on Claimant's test claim. This approval established a due date of January 28, 2019 for comments on the test claim for all three entities.

In correspondence dated January 23, 2019, Commission staff approved, in a single letter, a second request made by the State Board, the Santa Ana Board, and the San Diego Board (collectively, "Water Boards"), for a further extension of time to file comments and submit the administrative records on Test Claims 17-TC-05 and 17-TC-07 through 17-TC-28. This approval established a new due date of March 29, 2019, for the Water Boards' comments on these twenty-two test claims; it did not extend the January 28, 2019, due date for Department's comments as to any test claim. On or about January 29, 2019, the Department submitted comments on test claim 17-TC-14, which Commission staff correctly designated as a "Late Filing."

Basis for Request for Denial of Consideration of Department's Late Filing

Section 1183.2 of the Commission's regulations provides that written comments concerning a test claim "shall be certified, filed and served within 30 days from the date the test claim . . . is issued for comment."¹ Section 1187.9 of regulations also provides that any party or interested party may request an extension of time by filing a request with the executive director before the date set for filing of comments.² The Department did not request an extension of time beyond January 28 to file comments. For this reason, Department's late-filed comments should not be considered in these proceedings, and Claimant should be relieved from submitting rebuttal thereto.

Request for Extension in the Alternative

If, however, the Commission allows the Department's comments as if timely filed, Claimant, in the alternative, requests an extension of time to submit rebuttal comments, pursuant to section 1187.9. This extension of time should coincide with the due date for Claimant's rebuttal to the Water Boards' comments, which are currently due on March 29, 2019. Furthermore, the due date of any rebuttal should not be before Claimant has received notice that the administrative record has been submitted and is available for review. Thus, under this alternative, unless extended, Claimant's rebuttal to comments of the Department and the Water Boards would

tentatively be due 30 days after service of the Water Boards' comments and the administrative record, assuming the administrative record is concurrently submitted.³

Disallowing the Department's late-filed claims, or alternatively, granting Claimant the requested extension of time, is consistent with section 1187.9. The hearing on Claimant's test claim is currently scheduled for March 26, 2021. Filing all rebuttal comments at the same time - and after preparation of the administrative record - will not require postponement of the hearing date. Additionally, this extension would not result in prejudice to any party or interested party, and there is otherwise no good cause for denying this request. To the contrary, granting the extension would impart much needed clarity and administrative efficiency at this point in the proceedings, by aligning deadlines for rebuttal comments from claimants across the various related test claims.

Conclusion

For the above reasons, Claimant requests that the Department's late-filed comments be disallowed and not considered as part of these proceedings. Alternatively, in the event the Commission determines that there is a valid legal basis to allow the comments and have them considered, Claimant requests an extension of time to file a rebuttal to Department's comments, until such time as the due date of rebuttal to anticipated comments from the Water Boards.

Your consideration and determination as to this request is greatly appreciated.
