Executive Director
Commission on State Mandates

Re: Racial and Identity Profiling, 18-TC-02

Director Halsey,

AB 953 is an exceptionally complex bill. After it was approved by the governor on October 03, 2015 and became effective January 1, 2016, it enacted the following: the Racial and Identity Profiling Act of 2015, the establishment of the Racial and Identity Profiling Board (RIPA) and added Government Code 12525.5.

For purposes of this test claim, it is alleged that Government Code 12525.5, Statutes of 2015, Chapter 466 [AB 953] contains a statutory mandate that requires local agencies that employ peace officers to provide an enhanced-level of service by performing new activities related to the collection and reporting of stop data. As a result, local agencies will incur annual costs from those activities which will exceed \$1,000.00.

The Riverside County Sheriff's Department has not received any local, state, or federal funding to offset the increased costs incurred to implement Government Code 12525 (a) (1) in fiscal year 2017–2018 or the following fiscal year 2018–2019. Those cost details and activities described in the attached declaration conservatively totaled \$79,828 in fiscal year 2018-2019 and are conservatively estimated to exceed \$80,000 in fiscal year 2019-2020. Additionally, our Department incurred approximately \$31,000 in associated training and information technology related costs.

Considering the significant costs associated with this state mandate to ensure accurate data collection and reporting, the Riverside County Sheriff's Department requests the commission adopt the County of San Diego's test claim.

Sincerely,

SHERIFF CHAD BIANCO

I, Zachary Hall, declare under the penalty of perjury under the laws of the State of California that the following is true and correct based on my personal knowledge, information, and belief:

I am a captain for the Riverside County Sheriff’s Department and have been employed by the County as a deputy sheriff since 1998. As part of my duties within Sheriff’s Administration, I am responsible for implementation of "special projects" as determined by the Sheriff.

Government Code 12525.5, Statutes of 2015, Chapter 466 [AB 953], effective January 1 2016, and later amended to have an effective date of January 1 2018, contain an alleged statutory mandate which requires local agencies employing peace officers to provide an enhanced-level of service by performing new activities related to the collection and reporting of stop data. As a result, agencies will incur costs from mandated activities exceeding \$1,000.00. The statute mandating these activities is Government Code 12525.5 (a) (1) which requires "each state and local agency that employs peace officers shall annually report to the Attorney General data on all stops conducted by that agency's peace officers for the preceding calendar year."

Based on my research and analysis, I am familiar with our Department’s costs stemming from the statutory mandate in Government Code 12525.5 (a) (1). The Riverside County Sheriff’s Department first incurred costs to comply with these requirements on January 24, 2018, when our Department began planning our compliance strategy. These activities and associated costs are described below, by fiscal year:

1 **Fiscal Year 2017 - 2018 (implementation year)**

2 <u>Activity</u>	<u>Date(s) Performed</u>	<u>Description</u>	<u>Cost</u>
3 Implementation Oversight*	January 2018	Program Development	\$4,200

5 Information Technology*	May 2018	Software Engineering	\$7,700

13 <u>Activity</u>	<u>Date(s) Performed</u>	<u>Description</u>	<u>Cost</u>
14 Data Collection ^{1*}	Continual	Stop Data	\$80,000
15 Information Technology ²	Pending Purchase	LEFTA System	\$38,968
16 Training*	Continual	RIPA Training	\$5,000

20
21 While there is no specific mandate to train officers in order to comply with the mandates of
22 Government Code 12525.5 (a) (1), the regulations created per 12525.5 (e) consist of 22 pages of

¹ Exhibit A

² Exhibit B

1 information and instruction on how to meet the mandated requirements. It would not be possible
2 to accurately collect stop data and report it to the Attorney General, per the legislative mandate,
3 without formal training. Thus, the Riverside County Sheriff's Department believes Government
4 Code 12525.5 (a) (1) creates an alleged legislative mandate requiring peace officers to perform
5 training activities in order to collect accurate data. Similarly, supervisors must be trained to
6 determine if their officers are collecting and submitting the required stop data.

7
8 To ensure accurate reporting and tracking, our department developed training, delivered training,
9 and then tracked the training. Exact records for course development and implementation oversight
10 were not tracked; however, an estimated 70 hours of staff time was required. This estimated work
11 cost was not included, as it is unsupported. The estimated cost for the course development and
12 implementation oversight was \$4,200.00. Additionally, our Department incurred a cost for
13 information technology development. The estimated information technology development
14 programming cost was \$7,700.00.

15
16 The Riverside County Sheriff's Department has not received any local, state, or federal funding to
17 offset the increased costs the Department has incurred to implement Government Code 12525 (a)
18 (1) in fiscal year 2017-2018 or the following fiscal year 2018-2019. The cost details and activities
19 described in the attached declaration totaled \$79,828 ($\0.512 pay rate p/minute x 2.01 time spent
20 x 77,570 entries) in fiscal year 2018-2019 and we estimate a similar expenditure of \$80,000 in
21 fiscal year 2019-2020. We anticipate an additional cost of \$38,968 will be incurred for LEFTA
22 Systems software which will ensure the streamline accurate collection and retention of stop data.
23 A reoccurring training cost is expected to ensure employees receive their initial training and remain
24 current with legal requirements. This cost is conservatively estimated at \$5,000 per year.

1 The Riverside County Sheriff's Department logs¹ all stops where data is collected per the mandate
2 in Government Code 12525.5 (a) (1) daily and assembles stop data reports. Additionally, these
3 reports give details on the rank for the peace officer who conducted the stop, which provides the
4 basis for fiscal analysis to determine the actual cost of this activity required by the mandate.
5 However, just knowing the activity, stop data collection, and who performed it is insufficient to
6 calculate costs without knowing how much time was spent on it. The Department of Justice field-
7 tested time is 2.5 minutes to perform this activity; however, our data shows it takes personnel 2.01
8 minutes¹ on average to complete this activity.

9
10 It should be noted other Test Claims submitted to the Commission on State Mandates indicate the
11 inclusion of direct, as well as indirect costs, is acceptable to determine actual costs imposed by
12 state-mandated programs; however, for the purpose of this report the Riverside County Sheriff's
13 Department used the lowest employee pay-rate (\$30.76 p/hour)² for cost calculations. Thus, our
14 actual costs to comply with this mandate are much greater.

15
16 Based on my personal knowledge, the costs described above were incurred to implement
17 Government Code 12525.5 after it was added by AB 953. Based on my information and belief, I
18 find such costs to be correctly computed (using the most conservative method) and are "costs
19 mandated by the State", as defined in Government Code, Section 17514: "Costs mandated by the
20 State means any increased costs which a local agency or school district is required to incur after
21 July 1, 1980, as a result of any statute enacted on or after January 1, 1975, or any executive order
22 implementing any statute enacted on or after January 1, 1975, which mandates a new program or

¹ Exhibit A

¹ Exhibit A

² Exhibit C

1 higher level of service of an existing program within the meaning of Section 6 of Article **XIII B**
2 of the California Constitution."

3
4 Except as otherwise indicated herein, I have personal knowledge of the foregoing facts and
5 information presented in this declaration, and if so required, I could and would testify to the
6 statements made herein.

7
8 This declaration will be electronically filed using the Commission's website satisfying service
9 requirements mandated in the California Code of Regulations, title 2, section 1181.3.

I, the undersigned, declare as follows:

I am a resident of the County of Sacramento and I am over the age of 18 years, and not a party to the within action. My place of employment is 980 Ninth Street, Suite 300, Sacramento, California 95814.

On September 20, 2019, I served the:

- **Interested Party's (County of Riverside Sheriff's Department's) Comments on the Test Claim filed September 19, 2019**

Racial and Identity Profiling, 18-TC-02

Government Code Section 12525.5 and Penal Code Sections 13012 and 13519.4; Statutes 2015, Chapter 466 (AB 953); Statutes 2017, Chapter 328 (AB 1518); California Code of Regulations, Title 11, Sections 999.224, 999.225, 999.226, 999.227, 999.228, and 999.229, Register 2017, No. 46, effective November 7, 2017¹

City of San Diego, Claimant

by making it available on the Commission's website and providing notice of how to locate it to the email addresses provided on the attached mailing list.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that this declaration was executed on September 20, 2019 at Sacramento, California.

Jill L. Magee
Commission on State Mandates
980 Ninth Street, Suite 300
Sacramento, CA 95814
(916) 323-3562

¹ Although the claimant incorrectly pled Notice Register Number 2016, 50-2 regarding changes to California Code of Regulations, Title 11, Sections 999.224, 999.225, 999.226, 999.227, 999.228, and 999.229 with a file and effective date of November 7, 2017, the Commission can take judicial notice of Register 2017, No. 46. In this case, Westlaw incorrectly indicates in the history of each of these sections that the update appears in Register 2017, No. 45 when in fact the adoption of these changes appears in Register 2017, No. 46.
