Re: California Regional Water Quality Control Board, Los Angeles Region, Order No. R4-2021-0105, 22-TC-01: **Request for Extension of Time to File Rebuttal Comments**

Dear Ms. Gmur:

Pursuant to Cal. Code Reg. Section 1187.9(a), Claimants County of Los Angeles ("County") and Los Angeles County Flood Control District ("District") hereby request a 32-day extension of time, to March 23, 2026, in which to file a written rebuttal to the comments filed by the State Water Resources Control Board and Los Angeles Regional Water Quality Board (collectively "Water Boards"), dated January 20, 2026. Claimants' response is currently due on February 19, 2026.

Claimants County of Los Angeles and Los Angeles County Flood Control District make this request on the grounds that the comments filed by the Water Boards are extensive and raise complex issues including but not limited to Municipal Stormwater Permit fee authority, total maximum daily loads, municipal stormwater permit monitoring requirements and municipal stormwater permit agency actions. In addition, over the last 30 days, counsel for the County and the Flood Control District has been required to devote time to other County and District matters, as well as other matters pending before this Commission.

Ms. Juliana F. Gmur
February 13, 2026

Section 1187.9(a) provides that a party to a matter may request an extension of time before the date set for filing of comments or rebuttals, and the request should be approved if a postponement of hearing would not be required, there is no prejudice to any party, and there is no other good reason for denial.

That is the case here. The hearing in this matter is currently set for June 12, 2026; therefore no postponement of the hearing would be required. There is no prejudice to the Water Boards or the Department of Finance, or any other party, and no other good reason for denial of this request. Accordingly, Claimants County and District request an extension of time of 32 days, to and including March 23, 2026, in which to file a rebuttal to the Water Boards' comments.

I declare under penalty of perjury under the laws of the State of California that the forgoing is true and correct to the best of my personal knowledge, information or belief.
