Re: California Regional Water Quality Control Board, Los Angeles Region, Order No. R4-2021-0105, 22-TC-01: **Request for Extension of Time to File Rebuttal Comments**

Dear Ms. Gmur:

Pursuant to Cal. Code Reg. Section 1187.9(a), Claimants County of Los Angeles ("County") and Los Angeles County Flood Control District ("District") hereby request a 7-day extension of time, to April 29, 2026, in which to file a written rebuttal to the comments filed by the State Water Resources Control Board and Los Angeles Regional Water Quality Board (collectively "Water Boards"), dated January 20, 2026. Claimants' response is currently due on April 22, 2026. Claimants have previously received two extensions of time to that date.

Claimants County of Los Angeles and Los Angeles County Flood Control District make this request on the grounds that the comments filed by the Water Boards are extensive and raise complex issues including but not limited to Municipal Stormwater Permit fee authority, total maximum daily loads, municipal stormwater permit monitoring requirements and municipal stormwater permit agency actions. Rebuttal comments require coordination with the County and its departments, which also have other matters to which to attend. In addition, over the last 30 days, counsel for the County and the Flood Control District has been continually required to devote time to other County and District matters, including those relating to stormwater compliance matters. The undersigned has also had to address an unexpected family health matter that required time outside of the office.

Ms. Juliana F. Gmur  
April 20, 2026

Section 1187.9(a) provides that a party to a matter may request an extension of time before the date set for filing of comments or rebuttals, and the request should be approved if a postponement of hearing would not be required, there is no prejudice to any party, and there is no other good reason for denial.

That is the case here. According to the Commission's website, currently the hearing in this matter is tentatively set for October 9, 2026; therefore no postponement of the hearing would be required. There is no prejudice to the Water Boards or the Department of Finance, or any other party, and no other good reason for denial of this request. Accordingly, Claimants County and District request an extension of time of 7 days, to and including April 29, 2026, in which to file a rebuttal to the Water Boards' comments.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct to the best of my personal knowledge, information or belief.
