Dear Ms. Kato and Mr. Palkowitz:

The Draft Proposed Statewide Cost Estimate for the above-captioned matter is enclosed for your review and comment.

### **Written Comments**

Written comments may be filed on the Draft Proposed Statewide Cost Estimate not later than **5:00 p.m. on May 5, 2025**. You are advised that comments filed with the Commission are required to be electronically filed (e-filed) in an unlocked legible and searchable PDF file, using the Commission's Dropbox. (Cal. Code Regs., tit. 2, § 1181.3(c)(2).) Refer to <https://www.csm.ca.gov/dropbox.shtml> on the Commission's website for electronic filing instructions. If e-filing would cause the filer undue hardship or significant prejudice, filing may occur by first class mail, overnight delivery or personal service only upon approval of a written request to the executive director. (Cal. Code Regs., tit. 2, § 1181.3(c)(3).)

### **Hearing**

This matter is set for hearing on **May 23, 2025, in person at 10:00 a.m., at California Department of Food and Agriculture (CDFA), First Floor Auditorium, 1220 N Street, Sacramento, California, 95814 and via Zoom.**

The Proposed Statewide Cost Estimate will be issued on or about May 9, 2025.

This matter is proposed for the Consent Calendar. Please let us know in advance if you oppose having this item placed on the Consent Calendar.

Please also notify Commission staff not later than noon on the Tuesday prior to the hearing, May 20, 2025, that you or a witness you are bringing plan to testify and please specify the names of the people who will be speaking for inclusion on the witness list and the names and email addresses of the people who will be speaking both in person and remotely to receive a hearing panelist link in Zoom.

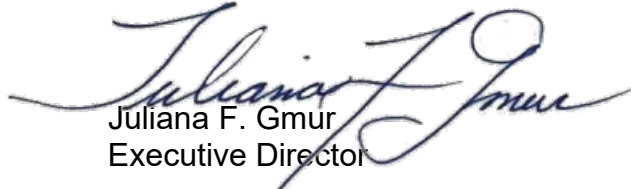

Ms. Kato and Mr. Palkowitz

**STAFF ANALYSIS**

**Summary of the Mandate, Eligible Claimants, and Period of Reimbursement**

This Statewide Cost Estimate addresses statewide increased costs arising from Education Code section 51225.7 (Stats. 2021, ch. 144), which requires school districts, including county offices of education, to confirm that each pupil in grade 12 complete at least one of two specified financial aid applications, unless the pupil opts out of the requirement or is deemed exempt by the school district, and to direct pupils in grade 12 to services necessary to assist them in completing the appropriate financial aid application.

On May 24, 2024, the Commission on State Mandates (Commission) adopted a Decision finding that the test claim statute (Ed. Code § 51225.7, Stats. 2021, ch. 144) imposes a reimbursable state-mandated program on school districts, including county offices of education, within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The Commission partially approved this Test Claim for the following reimbursable activities beginning July 27, 2021:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).
- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).
- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).<sup>1</sup>

The Commission found that developing and implementing internal policies, training, and procedures, training staff on how to assist pupils in grade 12 with completing and submitting the FAFSA and California Dream Act Application, and providing “support and assistance” to pupils in completing the appropriate financial aid application through school counseling sessions and in-person “parent night” workshops are not required by the plain language of Education Code section 51225.7 and are not eligible for reimbursement.<sup>2</sup> The Commission also found that the test claim statute does not require school districts to adopt an acceptable use policy that provides guidance on how to handle pupil and parent data shared under the test claim statute. Therefore, the language in the model acceptable use policy adopted by the California Student Aid Commission (Appendix B) stating that the local educational agency designate an

<sup>2</sup> Exhibit A, Test Claim Decision, page 27.

individual responsible for implementing and ensuring compliance with the policy, is not a requirement imposed on school districts by the test claim statute or regulation.<sup>3</sup> Furthermore, school districts have a preexisting duty under other state laws to establish written policies and procedures governing access to, and the confidentiality of, all pupil records and are required to designate an individual to oversee the implementation of such policies. Thus, these activities are not eligible for reimbursement.<sup>4</sup> Finally, the Commission found that California Code of Regulations, title 5, section 30035, Appendices A and B, as added by the test claim regulation (Reg. 2022, No. 19), do not impose any requirements on school districts, and therefore do not constitute a reimbursable state-mandated program.<sup>5</sup>

The Commission adopted the Test Claim Decision on May 24, 2024,<sup>6</sup> and the Decision and Parameters and Guidelines on July 26, 2024,<sup>7</sup> approving reimbursement for any "school district" as defined in Government Code section 17519, except for community colleges, that incurs increased costs as a result of this mandate.

The initial reimbursement period is July 27, 2021 to July 1, 2023 and fiscal year 2023-2024. Eligible claimants were required to file initial claims with the State Controller's Office (Controller) by February 27, 2025. Late initial reimbursement claims may be filed until February 27, 2026, but will incur a 10 percent late filing penalty of the total amount of the initial claim without limitation.<sup>8</sup>

### **Reimbursable Activities**

The Commission approved the following reimbursable activities for this program:

- Commencing with the 2022–23 school year, confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a Free Application for Federal Student Aid (FAFSA); or, if the pupil is exempt from paying nonresident tuition pursuant to Education Code section 68130.5, the pupil completes and submits to the Student Aid Commission a form established pursuant to Education Code section 69508.5 for purposes of the California Dream Act (also known as the California Dream Act Application), unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements of this section by filling out and submitting an opt-out form to the school district or county office of education (Education Code section 51225.7(b)).
- If it is determined that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if

applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf (Education Code section 51225.7(d)).

- Ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations (Education Code section 51225.7(e)(1)).<sup>9</sup>

### **Offsetting Revenues and Reimbursements**

According to the Parameters and Guidelines:

Any offsetting revenue the claimant experiences in the same program as a result of the same statutes or executive orders found to contain the mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any source, including but not limited to, state and federal funds, any service charge, fee, or assessment authority to offset all or part of the costs of this program, and any other funds, shall be identified and deducted from any claim submitted for reimbursement.<sup>10</sup>

This is standard boilerplate language. No specific offsetting revenue was identified.

### **Statewide Cost Estimate**

Staff reviewed 50 unaudited reimbursement claims submitted by 26 school districts, as compiled by the Controller. Staff developed the Statewide Cost Estimate based on the assumptions and methodology discussed herein.

### **Assumptions**

1. There are fewer claims in the first two years of the reimbursement period because the requirement to confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a FAFSA, a California Dream Act Application, or an opt out form does not start until the 2022-2023 school year (more than a year after the beginning of the period of reimbursement), and no one-time activities were approved or requested by school districts as reasonably necessary activities to comply with the mandate. There are six claims filed for 2021-2022, 18 claims filed for 2022-2023, and 26 claims filed for 2023-2024. Since six school districts filed reimbursement claims for fiscal year 2021-2022, and reimbursement does not begin until the 2022-2023 school year (which typically runs from August 2022 through June 2023, with costs beginning in fiscal year 2022-2023), the Commission does not count those six claims in the calculation of this Statewide Cost Estimate.<sup>11</sup>
2. The Fresno Unified School District (FUSD) is removed from the estimated calculations because it claimed over \$2.2 million for Activity A in 2022-2023, or \$449.28 per pupil for 4,903 seniors for all three activities. This amount is over three times the next highest district that claimed for the initial claiming period (ABC Unified at \$140.13 per pupil).

---

<sup>11</sup> The following school districts filed reimbursement claims for fiscal year 2021-2022: Anaheim Union High School District, Fremont Union High School District, Gateway Unified, Hemet Unified, Santa Clara Unified, Twin Rivers Unified.

3. Offsetting revenue will be \$0 because that was the amount identified in all the reimbursement claims filed, and no specific offsetting revenue was identified in the Decision and Parameters and Guidelines.
4. The Public Policy Institute of California calculated 57.6 percent of 472,751 seniors filed a FAFSA or California Dream Act Application in 2022-2023, and 74.9 percent of 466,682 seniors filed either of these applications in 2023-2024.<sup>12</sup> The PPIC article also mentions a drop in financial aid applications in 2023-2024 because of the new federal FAFSA Simplification Act late rollout and problems with the form.
5. The total amount for this program may be lower than the Statewide Cost Estimate based on the Controller's audit findings. Pursuant to Government Code section 17561, the Controller may conduct audits and reduce any claim it deems to be excessive or unreasonable.
6. Only 26 school districts filed 2023-2024 reimbursement claims out of 421 eligible public-school districts that include grade 12 pupils.<sup>13</sup> The low filing rate is likely due to the number of districts that will choose to opt into the K-12 Mandate Block Grant rather than filing claims (see #6 below).
7. The future annual costs for this program may be lower than the Statewide Cost Estimate if this program is added to the K-12 Mandate Block Grant and school districts voluntarily participate in the Block Grant. School districts that voluntarily participate in a program added to the block grant cannot claim through the State's reimbursement process.<sup>14</sup> The block grant allows school districts to receive a per pupil allocation to carry out reimbursable state-mandated activities.

## **Methodology**

### **A. Initial Reimbursement Period (2022-2023) Cost Estimate**

The low estimate for the initial reimbursement period (fiscal year 2022-2023) is based on 17 actual unaudited reimbursement claims filed for 2022-2023 (all except Fresno Unified as explained below). The high estimate of potential costs multiplies the amount calculated per pupil by all seniors statewide in 2022-2023, multiplied by the percentage

of seniors that filed a FAFSA or California Dream Act Application (for Activity A), or the percentage that opted out (for Activity B).<sup>15</sup>

Activity A., requires the school district to confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a FAFSA; or, if the pupil is exempt from paying nonresident tuition, the pupil completes and submits to the Student Aid Commission a California Dream Act Application, unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements.

Activity A., claims are calculated on a per-pupil basis by dividing the costs claimed by the number of seniors in the 17 claiming school districts.<sup>16</sup> All claiming districts are used in the calculation except for Fresno Unified School District (FUSD), which claimed over \$2.2 million for Activity A. in 2022-2023, or \$449.28 per pupil for 4,903 seniors for all three activities. This amount is over three times the next highest district that claimed for the initial claiming period (ABC Unified at \$140.13 per pupil).

Activity A. actual costs claimed [\$674,130.70] / the number of pupils [26,707] =  
**Activity A. cost per pupil [\$25.24]**

Activity A., high estimate, cost per pupil [\$25.24] \* the number of seniors statewide (466,682) = [\$11,779,053.68] \* the percentage who filed a FAFSA or California Dream Act Application [57.6%] = **Activity A. cost [\$6,784,735]**

Activity B., requires school districts, if they determine that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf.

Activity B., the low estimate is calculated by dividing the costs claimed by the number of seniors in the 11 school districts that filed for reimbursement for Activity B., not including FUSD for the same reasons stated above for Activity A. The high estimate is the cost per pupil multiplied by the number of seniors statewide, multiplied by the percentage who opted out of filing a FAFSA or California Dream Act Application.

Activity B. actual costs claimed [\$76,742.99] / the number of pupils [14,463] =  
**Activity B. cost per pupil [\$5.30]**

<sup>16</sup> District data was obtained from <https://www.ed-data.org/>. Only schools that include grade 12 pupils were counted. Exhibit X (2), Ed Data, Education Data Partnership, Fiscal, Demographic, and Performance Data on California's K-12 Schools, <https://www.ed-data.org/> (accessed on April 18, 2025).

Activity B. high estimate, cost per pupil (\$5.30) \* the number of seniors statewide (466,682) = [\$2,473,414.60] \* the percentage who opted out of filing a FAFSA or California Dream Act Application (42.4%) = **Activity B. cost [\$1,048,728]**

Activity C., requires school districts to ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations.

Activity C., claims are calculated by dividing the costs claimed by the number of seniors in the 10 school districts that filed for reimbursement for Activity C., except for FUSD for the same reasons stated above for Activity A. The high estimate is the cost per pupil multiplied by the number of seniors statewide, multiplied by the percentage of districts that filed reimbursement for Activity C. in 2022-2023.

Activity C. actual costs claimed [\$81,437.95] / the number of pupils [12,916] = **Activity C. cost per pupil [\$6.31]**

Activity C. high estimate, cost per pupil (\$6.31) \* the number of seniors statewide (466,682) = [\$2,944,763.42] \* the percentage of districts that filed for Activity C (58.8%) = **Activity C. cost [\$1,731,521]**

**Indirect Costs:** The low estimate for indirect costs is those indirect costs actually claimed for 2022-2023, except for FUSD for the reasons stated above under Activity A. The high estimate is the combined cost for all activities multiplied by the average indirect cost rate for all claims, less indirect costs claimed.

Indirect Costs Actually Claimed [\$47,755.43]

**Indirect cost high estimate,** Sum of high estimate for Activities A., B., and C. [\$9,565,984] \* average indirect cost rate for all claims [5.74%] = [\$549,087.48] – indirect costs claimed [\$47,755.43] = **[\$501,332]**

**Offsetting Revenues:** The low estimate is \$0 because none of the initial claims compiled by the Controller reported offsetting revenues. The high estimate is also \$0 because there is no data upon which to make an estimate.

**Late Filing Penalties:** The low estimate is \$0 because none of the initial claims compiled by the Controller were assessed a late filing penalty. The high estimate is the direct and indirect combined cost per pupil for Activities A., B., and C. (calculated by adding the cost per pupil for Activities A., B., and C. to the average indirect cost per pupil (indirect costs per pupil calculated by dividing the indirect costs by the average of pupils in the districts that claimed), multiplied by the number of seniors statewide, less penalties imposed for 2022-2023, multiplied by the 10 percent late-filing penalty.

**Late Filing Penalty high estimate,** combined cost per pupil (\$39.50) \* number of seniors statewide (466,682) = [\$18,433,939] – penalties [\$0] \* 10% late filing penalty = **[\$1,843,394]**

## **B. Projected Annual Costs for Fiscal Year 2023-2024 and Following**

Beginning in fiscal year 2023-2024, future statewide costs are estimated at \$1,066,886 - \$9,098,707 annually for all direct and indirect costs. The high estimate of potential costs is based on the 25 claimants (all except FUSD as explained below) that filed for reimbursement for 2023-2024, multiplying the amount calculated per pupil by all seniors statewide in 2023-2024, by the percentage of seniors that filed a FAFSA or California Dream Act Application (for Activity A.), or the percentage that opted out (for Activity B.).<sup>17</sup>

Activity A., requires the school district to confirm that a pupil in grade 12 either completes and submits to the United States Department of Education a FAFSA; or, if the pupil is exempt from paying nonresident tuition, the pupil completes and submits to the Student Aid Commission a California Dream Act Application, unless the parent or legal guardian of the pupil, or the pupil if the pupil is a legally emancipated minor or 18 years of age or older, elects to opt out of the requirements.

Activity A., claims are calculated on a per-pupil basis by dividing the costs claimed by the number of seniors in the 24 claiming school districts (Hanford Joint Union did not claim for Activity A.). All claiming districts are used in the calculation except for FUSD, which claimed over \$2.2 million for Activity A. in 2023-2024, or \$472.96 per pupil for 4,997 seniors for all three activities. This amount is over three times the next highest district that claimed for the initial claiming period (ABC Unified at \$137.41 per pupil).

Activity A. actual costs claimed [\$766,667.96] / the number of pupils [34,839] =  
**Activity A. average cost per pupil [\$22.01]**

Activity A. high estimate, cost per pupil [\$22.01] \* the number of seniors statewide (477,945) = [\$10,519,569.45] \* the percentage who filed a FAFSA or California Dream Act Application [64.8%] = **Activity A. cost [\$6,816,681]**

Activity B., requires school districts, if they determine that a pupil is unable to complete and submit the FAFSA or California Dream Act Application, or an opt-out form, exempt the pupil or, if applicable, the pupil's parent or legal guardian, and complete and submit an opt-out form on the pupil's behalf.

Activity B., the low estimate is calculated by dividing the costs claimed by the number of seniors in the 14 school districts that filed for reimbursement for Activity B., not including FUSD for the same reasons stated above for Activity A. The high estimate is the cost per pupil multiplied by the number of seniors statewide, multiplied by the percentage who opted out of filing a FAFSA or California Dream Act Application.

Activity B. actual costs claimed [\$99,098.28] / the number of pupils [16,990] =  
**Activity B. average cost per pupil [\$5.83]**

<sup>17</sup> Exhibit X (3), Public Policy Institute of California, Implementing California's Universal Financial Aid Application Policy, <https://www.ppic.org/publication/implementing-californias-universal-financial-aid-application-policy/> (accessed on April 22, 2025), Table 3, page 8.

Activity B. high estimate, cost per pupil [\$5.83] \* the number of seniors statewide (477,945) = [\$2,786,419.35] \* the percentage who opted out of filing a FAFSA or California Dream Act Application (35.2%) = **Activity B cost [\$980,820]**

Activity C., requires school districts to ensure that each pupil in grade 12 and, if applicable, the pupil's parent or legal guardian, is directed to any support and assistance services necessary to comply with the financial aid application requirement described in Education Code section 51225.7(b) that may be available through outreach programs, including, but not limited to, those programs operated by the Student Aid Commission, postsecondary immigration resource centers, college readiness organizations, community-based organizations, and legal resource organizations.

Activity C., claims are calculated by dividing the costs claimed by the number of seniors in the 17 school districts that filed for reimbursement for Activity C., except for FUSD for the same reasons stated above for Activity A. The high estimate is the cost per pupil multiplied by the number of seniors statewide, multiplied by the percentage of districts that filed reimbursement for Activity C in 2022-2023.

Activity C. actual costs claimed [\$144,809.11] / the number of pupils [17,242] = **Activity C. average cost per pupil [\$8.40]**

Activity C. high estimate, cost per pupil (\$8.40) \* the number of seniors statewide (477,945) = [\$4,014,738] \* the percentage of districts that filed for Activity C (65.4%) = **Activity C. cost [\$2,625,639]**

**Indirect Costs:** The low estimate for indirect costs is those indirect costs actually claimed for 2023-2024 except for FUSD for the reasons stated above under Activity A. The high estimate is the combined cost for all activities multiplied by the average indirect cost rate for all claims, less indirect costs claimed.

Indirect Costs Actually Claimed [\$56,311.33]

**Indirect cost high estimate,** Sum of high estimate for Activities A., B., and C. [\$10,423,140] \* average indirect cost rate for all claims [5.57%] = [\$580,568.89] – indirect costs claimed [\$56,311.33] = **[\$524,258]**

**Offsetting Revenues:** The low estimate is \$0 because none of the initial claims compiled by the Controller reported offsetting revenues. The high estimate is also \$0 because there is no data upon which to make an estimate.

**Late Filing Penalties:** The low estimate is \$0 because none of the initial claims compiled by the Controller were assessed a late filing penalty. The high estimate is the direct and indirect combined cost per pupil for Activities A., B., and C. (calculated by adding the cost per pupil for Activities A., B., and C. to the average indirect cost per pupil (indirect costs per pupil calculated by dividing the indirect costs by the average of pupils in the districts that claimed), multiplied by the number of seniors statewide, less penalties imposed for 2022-2023, multiplied by the 10 percent late-filing penalty.

Late Filing Penalty high estimate, combined cost per pupil (\$38.68) \* number of seniors statewide (477,945) = [\$18,486,912.60] – penalties [\$0] \* 10% late filing penalty = [\$1,848,691]

### **Draft Proposed Statewide Cost Estimate**
