Union City, Claimant*

Dear Ms. Ferebee:

On November 8, 2024, the Commission on State Mandates (Commission) received the Department of Finance's (Finance's) request for a 60-day extension of time to file written comments on the above-captioned Test Claim, currently due on September 16, 2024.

Specifically, the request states that on November 8, 2024, the Commission granted a 60-day extension of time to the State Water Resources Control Board's and the San Francisco Bay Regional Water Quality Control Board's (the "Water Boards") request for a 60-day extension of time to file written comments on the above-captioned Test Claim and Finance respectfully requests the same 60-day extension of time to submit comments, with a due date of January 14, 2025.

Further, the request states that an extension of time is necessary due to the length and complexity of the Test Claim and because of the need to consult with the Water Boards in analyzing the stormwater permit and Test Claim. Finally, the request states that this extension of time will not necessitate rescheduling the hearing and will not result in prejudice to any party or interested party.

Section 1187.9(a) of the Commission's regulations provide that any party or interested party to a matter may request an extension of time by filing a request with the executive director before the date set for filing of comments or rebuttals with Commission staff on that matter. The request shall fully explain the reasons for the extension, propose a new date for filing, and be certified, filed, and served in accordance with section 1181.3 of these regulations. A request that would necessitate rescheduling a hearing shall also include a request for postponement of the hearing, pursuant to subdivision (b) of this section.

Therefore, a 60-day extension from the original due date is approved and Finance's comments on the Test Claim are now due **by 5:00 p.m. on**
