Dear Ms. Duzyk:

We have reviewed the Incorrect Reduction Claims your office submitted (07-4442-I-01 and 09-4442-I-02) and apologize for this late response. Based on this review, we have discovered that we incorrectly disallowed the filing of claims for this program beginning fiscal year 2004-05. Legislation passed during this time period made some reimbursable activities for this program optional. Therefore, the State Controller's Office has requested to amend the Parameters and Guidelines for Interdistrict Attendance Permits to include amendments made to Education Codes 46601, 46601.5 and 48204 (f) renumbered to 48204 (b).

If and when these proposed amendments are approved, we will issue new claiming instructions for fiscal years 2010-11 forward and allow filing of claims for fiscal year (FY) 2004-05, FY 2005-06, FY 2006-07, FY 2007-08, and FY 2009-10 based on the original Parameters and Guidelines. Consequently, these two IRCs would be moot and we ask your consideration in withdrawing them.

If you have any questions, please contact Ellen Solis at (916) 323-0698, or email at <a href="mailto:esolis@sco.ca.gov">esolis@sco.ca.gov</a>.

Sincerely.
