Re: *California Regional Water Quality Control Board, Los Angeles Region, Order No. 94-2012-0175, 13-TC-01 and 13-TC-02*
Cities of Agoura Hills, Bellflower, Beverly Hills, Carson, Cerritos, Commerce, Downey, Huntington Park, Lakewood, Manhattan Beach, Norwalk, Pico Rivera, Rancho Palos Verdes, Redondo Beach, San Marino, Santa Clarita, Santa Fe Springs, Signal Hill, South El Monte, Vernon, Westlake Village, and Whittier, County of Los Angeles, and Los Angeles County Flood Control District, Claimants

Dear Ms. Halsey:

I am submitting this letter on behalf of all test claimants in consolidated Test Claim Nos. 13-TC-01 and 13-TC-02 to request one more extension of time in which to respond to the Water Boards' and the Department of Finance's comments. Claimants' response is currently due on October 30, 2018, based on extensions that your office previously granted. Although this office believed that we would be able to meet that date, it now appears that Claimants may need an additional 31 days, to and including November 30, 2018, in which to submit a proper and complete response.

2 Cal. Code Reg. § 1187.9(a) provides that a request for an extension of time shall be approved as long as a postponement of the hearing would not be required, there is no prejudice to any party or interested party and there is no other good reason for denial.

Ms. Heather Halsey

Page 2

That is the case here. The Water Boards have submitted a 141 page response, supported by extensive documentation in addition to two administrative records. Although we have been diligently working on the response, this office must coordinate Claimants' reply with twenty-two cities, the County of Los Angeles, and the Los Angeles County Flood Control District. Given the number of issues raised in the response, the two administrative records to be reviewed, and the need to coordinate Claimants' response, including review by Claimants, it has taken longer to prepare the response and coordinate its review than originally expected. It is now apparent that Claimants need this additional extension of time in order to properly coordinate and prepare that response and assure that all issues are properly addressed.

No postponement of the hearing will be required; according to the Commission's website, this matter is now tentatively set for September 27, 2019. There is also no prejudice to any party, and no other good reason for denial of this request.

Claimants therefore respectfully request that their time in which to file a reply to the Water Boards and the Department of Finance's comments be extended to and including November 30, 2018. Thank you in advance for your consideration of this request.

I certify and declare under penalty of perjury under the laws of the State of California that the foregoing facts are true and correct to the best of my personal knowledge, information or belief.

Very truly yours,

Howard Gest
