U Visa 918 Form, Victims of Crime: Nonimmigrant Status, 17-TC-01
Penal Code Section 679.10; Statutes 2015, Chapter 721 (SB 674)
City of Claremont, Claimant

Dear Ms. Chinn and Ms. Kanemasu:

On September 28, 2018, the Commission on State Mandates (Commission) adopted the Decision partially approving the Test Claim on the above-entitled matter.

State law provides that reimbursement, if any, is subject to Commission approval of parameters and guidelines for reimbursement of the mandated program, approval of a statewide cost estimate, a specific legislative appropriation for such purpose, a timely-filed claim for reimbursement, and subsequent review of the reimbursement claim by the State Controller's Office.

Following is a description of the responsibilities of all parties and of the Commission during the parameters and guidelines phase.

Draft Expedited Parameters and Guidelines

Pursuant to California Code of Regulations, title 2, section 1183.9, Commission staff has expedited the parameters and guidelines process by preparing Draft Expedited Parameters and Guidelines to assist the claimant. The proposed reimbursable activities have been limited to those approved in the Decision by the Commission. Reasonably necessary activities to perform the mandated activities may be proposed by the parties. (Cal. Code Regs., tit. 2, §1183.7(d).) "Reasonably necessary activities" are those activities necessary to comply with the statutes, regulations and other executive orders found to impose a state-mandated program (Cal. Code Regs., tit. 2, §1183.7(d).) Whether an activity is reasonably necessary is a mixed question of law and fact. All representations of fact to support any proposed reasonably necessary activities shall be supported by documentary evidence submitted in accordance with section 1187.5 of the Commission's regulations.

Review of Draft Expedited Parameters and Guidelines

Proposed modifications and comments may be filed on the Draft Expedited Parameters and Guidelines by **October 24, 2018**. (Cal. Code Regs., tit. 2, §1183.9(b).) Please note that all representations of fact submitted to the Commission must be signed under penalty of perjury by persons who are authorized and competent to do so and must be based upon the declarant's personal knowledge, information, or belief. (Cal. Code Regs., tit. 2, §1187.5.) Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be

J:\MANDATES\2017\TC\17-TC-01 U Visa 918 Form Victims of Crime Nonimmigrant
Status\Correspondence\Draft Expedited Ps&Gstrans.docx

sufficient in itself to support a finding unless it would be admissible over an objection in civil actions. (Cal. Code Regs., tit. 2, § 1187.5.) The Commission's ultimate findings of fact must be supported by substantial evidence in the record.¹

Rebuttals

Written rebuttals may be filed within 15 days of service of comments. (Cal. Code Regs., tit. 2, § 1183.9(c).)

Draft Proposed Decision and Parameters and Guidelines

After review of the Draft Expedited Parameters and Guidelines, all comments, and all rebuttals, Commission staff will prepare a Draft Proposed Decision and Parameters and Guidelines which will be issued for comment.

Alternative Process: Reasonable Reimbursement Methodology and Statewide Estimate of Costs

Test Claimant and Department of Finance Submission of Letter of Intent

Within 30 days of the Commission's adoption of a decision on a test claim, the test claimant and the Department of Finance may notify the executive director of the Commission in writing of their intent to follow the process described in Government Code sections 17557.1–17557.2 and section 1183.11 of the Commission's regulations to develop a *joint reasonable reimbursement methodology* and *statewide estimate of costs* for the initial claiming period and budget year for reimbursement of costs mandated by the state. The written notification shall provide all information and filing dates as specified in Government Code section 17557.1(a).

Test Claimant and Department of Finance Submission of Draft Reasonable Reimbursement Methodology and Statewide Estimate of Costs

Pursuant to the plan, the test claimant and the Department of Finance shall submit the *Draft Reasonable Reimbursement Methodology and Statewide Estimate of Costs* to the Commission. See Government Code section 17557.1 for guidance in preparing and filing a timely submission.

Review of Proposed Reasonable Reimbursement Methodology and Statewide Estimate of Costs

Upon receipt of the jointly developed proposals, Commission staff shall notify all recipients that they shall have the opportunity to review and provide written comments concerning the draft reasonable reimbursement methodology and proposed statewide estimate of costs within 15 days of service. The test claimant and Department of Finance may submit written rebuttals to Commission staff.

Adoption of Reasonable Reimbursement Methodology and Statewide Estimate of Costs

At least 10 days prior to the next hearing, Commission staff shall review comments and rebuttals and issue a staff recommendation on whether the Commission should approve the draft reasonable reimbursement methodology and adopt the proposed statewide estimate of costs pursuant to Government Code section 17557.2.

¹ Government Code section 17559(b), which provides that a claimant or the state may commence a proceeding in accordance with the provisions of section 1094.5 of the Code of Civil Procedure to set aside a decision of the Commission on the ground that the Commission's decision is not supported by substantial evidence in the record.

You are advised that comments filed with the Commission are required to be simultaneously served on the other interested parties on the mailing list, and to be accompanied by a proof of service. However, this requirement may also be satisfied by electronically filing your documents. Please see <https://www.csm.ca.gov/dropbox.php> on the Commission's website for electronic filing instructions. (Cal. Code Regs., tit. 2, § 1181.3.)

If you would like to request an extension of time to file comments, please refer to section 1187.9(a) of the Commission's regulations.

Hearing

The Proposed Decision and Parameters and Guidelines for this matter are tentatively set for hearing on **Friday, January 25, 2019** at 10:00 a.m., State Capitol, Room 447, Sacramento, California.

Sincerely,

Heather Halsey
Executive Director

DRAFT EXPEDITED PARAMETERS AND GUIDELINES

Penal Code Section 679.10

Statutes 2015, Chapter 721 (SB 674)

U Visa 918 Form, Victims of Crime: Nonimmigrant Status

17-TC-01

Period of reimbursement begins July 1, 2016.

I. SUMMARY OF THE MANDATE

These Parameters and Guidelines address the mandated activities arising from Penal Code section 679.10, added by Statutes 2015, chapter 721 (SB 674) (test claim statute). The test claim statute requires local agencies, upon request of a victim of qualifying criminal activity seeking temporary immigration benefits under the federal U Visa program and willing to assist law enforcement with investigation or prosecution of the criminal activity, to complete and certify the federal Form I-918 Supplement B (U Nonimmigrant Status Certification) and to submit annual reports about the certifications to the Legislature.

On September 28, 2018, the Commission on State Mandates (Commission) adopted the Decision finding that the test claim statute imposes a reimbursable state-mandated program on local agencies within the meaning of article XIII B, section 6 of the California Constitution and Government Code section 17514. The Commission partially approved the Test Claim for “certifying officials” from the “certifying entities” of local agencies (i.e., district attorney offices, sheriff’s departments, police departments, child protective services, and any other local agency authority that has the responsibility for the detection, investigation, or prosecution of a qualifying criminal activity within the meaning of the Penal Code section 679.10(a), with the *exception* of the police/security departments of school districts and special districts, and judges who are not eligible to claim mandate reimbursement in this case), finding only the following activities to be mandated by the plain language of the statute:

- For the certifying official to fully complete and sign the Form I-918 Supplement B certification upon the request of the victim or the victim’s family member, and “include specific details about the nature of the crime investigated or prosecuted and a detailed description of the victim’s helpfulness or likely helpfulness to the detection or investigation or prosecution of the criminal activity” within 90 days of the request or 14 days of the request if the victim is in removal proceedings, when the victim was a victim of a qualifying criminal activity and has been helpful, is being helpful, or is likely to be helpful to the detection or investigation or prosecution of that qualifying criminal activity. (Pen. Code, § 679.10(a)-(j).)
- For a certifying entity that receives a request for a Form I-918 Supplement B certification to report to the Legislature on or before January 1, 2017, and annually thereafter, the

number of victims that requested certifications from the particular agency, the number of certifications signed, and the number of certifications denied. (Pen. Code, § 679.10(l).)

II. ELIGIBLE CLAIMANTS

Any city, county, city and county that incurs increased costs as a result of this mandate is eligible to claim reimbursement.

III. PERIOD OF REIMBURSEMENT

Government Code section 17557(e) states that a test claim shall be submitted on or before June 30 following a given fiscal year to establish eligibility for that fiscal year. The claimant filed the Test Claim on March 6, 2018, establishing eligibility for reimbursement for the 2016-2017 fiscal year. Therefore, costs incurred on or after July 1, 2016 are reimbursable.

Reimbursement for state-mandated costs may be claimed as follows:

1. Actual costs for one fiscal year shall be included in each claim.
2. Pursuant to Government Code section 17561(d)(1)(A), all claims for reimbursement of initial fiscal year costs shall be submitted to the State Controller (Controller) within 120 days of the issuance date for the claiming instructions.
3. Pursuant to Government Code section 17560(a), a local agency may, by February 15 following the fiscal year in which costs were incurred, file an annual reimbursement claim that details the costs actually incurred for that fiscal year.
4. If revised claiming instructions are issued by the Controller pursuant to Government Code section 17558(c), between November 15 and February 15, a local agency filing an annual reimbursement claim shall have 120 days following the issuance date of the revised claiming instructions to file a claim. (Gov. Code §17560(b).)
5. If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement shall be allowed except as otherwise allowed by Government Code section 17564(a).
6. There shall be no reimbursement for any period in which the Legislature has suspended the operation of a mandate pursuant to state law.

IV. REIMBURSABLE ACTIVITIES

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. Actual costs are those costs actually incurred to implement the mandated activities. Actual costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is a document created at or near the same time the actual cost was incurred for the event, or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, and declarations. Declarations must include a certification or declaration stating, "I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct," and must further comply with the requirements of Code of Civil Procedure section 2015.5.

Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, corroborating documents cannot be substituted for source documents.

The claimant is only allowed to claim and be reimbursed for increased costs for reimbursable activities identified below. Increased cost is limited to the cost of an activity that the claimant is required to incur as a result of the mandate.

For each eligible claimant that incurs increased costs, the following activities are reimbursable:

1. For the certifying official to fully complete and sign the Form I-918 Supplement B certification upon the request of the victim or the victim's family member, and "include specific details about the nature of the crime investigated or prosecuted and a detailed description of the victim's helpfulness or likely helpfulness to the detection or investigation or prosecution of the criminal activity" within 90 days of the request or 14 days of the request if the victim is in removal proceedings, when the victim was a victim of a qualifying criminal activity and has been helpful, is being helpful, or is likely to be helpful to the detection or investigation or prosecution of that qualifying criminal activity. (Pen. Code, § 679.10(a)-(j).)
2. For a certifying entity that receives a request for a Form I-918 Supplement B certification to report to the Legislature on or before January 1, 2017, and annually thereafter, the number of victims that requested certifications from the particular agency, the number of certifications signed, and the number of certifications denied. (Pen. Code, § 679.10(l).)

V. CLAIM PREPARATION AND SUBMISSION

Each of the following cost elements must be identified for each reimbursable activity identified in Section IV., Reimbursable Activities, of this document. Each claimed reimbursable cost must be supported by source documentation as described in Section IV. Additionally, each reimbursement claim must be filed in a timely manner.

A. Direct Cost Reporting

Direct costs are those costs incurred specifically for the reimbursable activities. The following direct costs are eligible for reimbursement.

1. Salaries and Benefits

Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

2. Materials and Supplies

Report the cost of materials and supplies that have been consumed or expended for the purpose of the reimbursable activities. Purchases shall be claimed at the actual price after deducting discounts, rebates, and allowances received by the claimant. Supplies that are withdrawn from inventory shall be charged on an appropriate and recognized method of costing, consistently applied.

3. Contracted Services

Report the name of the contractor and services performed to implement the reimbursable activities. If the contractor bills for time and materials, report the number of hours spent on the activities and all costs charged. If the contract is a fixed price, report the services that were performed during the period covered by the reimbursement claim. If the contract services are also used for purposes other than the reimbursable activities, only the pro-rata portion of the services used to implement the reimbursable activities can be claimed. Submit contract consultant and attorney invoices with the claim and a description of the contract scope of services.

4. Fixed Assets

Report the purchase price paid for fixed assets (including computers) necessary to implement the reimbursable activities. The purchase price includes taxes, delivery costs, and installation costs. If the fixed asset is also used for purposes other than the reimbursable activities, only the pro-rata portion of the purchase price used to implement the reimbursable activities can be claimed.

B. Indirect Cost Rates

Indirect costs are costs that are incurred for a common or joint purpose, benefiting more than one program, and are not directly assignable to a particular department or program without efforts disproportionate to the result achieved. Indirect costs may include both: (1) overhead costs of the unit performing the mandate; and (2) the costs of the central government services distributed to the other departments based on a systematic and rational basis through a cost allocation plan.

Compensation for indirect costs is eligible for reimbursement utilizing the procedure provided in 2 Code of Federal Regulations (CFR) part 225 (Office of Management and Budget (OMB) Circular A-87). Claimants have the option of using 10 percent of direct labor, excluding fringe benefits, or preparing an Indirect Cost Rate Proposal (ICRP) if the indirect cost rate claimed exceeds 10 percent.

If the claimant chooses to prepare an ICRP, both the direct costs (as defined and described in 2 CFR part 225, appendices A and B (OMB Circular A-87 attachments A & B) and the indirect costs shall exclude capital expenditures and unallowable costs (as defined and described in 2 CFR part 225, appendices A and B (OMB Circular A-87 attachments A & B)). However, unallowable costs must be included in the direct costs if they represent activities to which indirect costs are properly allocable.

The distribution base may be: (1) total direct costs (excluding capital expenditures and other distorting items, such as pass-through funds, major subcontracts, etc.); (2) direct salaries and wages; or (3) another base which results in an equitable distribution.

In calculating an ICRP, the claimant shall have the choice of one of the following methodologies:

1. The allocation of allowable indirect costs (as defined and described in OMB Circular A-87 attachments A & B) shall be accomplished by: (1) classifying a department's total costs for the base period as either direct or indirect; and (2) dividing the total allowable indirect costs (net of applicable credits) by an equitable distribution base.

The result of this process is an indirect cost rate which is used to distribute indirect costs to mandates. The rate should be expressed as a percentage that the total amount of allowable indirect costs bears to the base selected; or

2. The allocation of allowable indirect costs (as defined and described in OMB Circular A-87 attachments A & B) shall be accomplished by: (1) separating a department into groups, such as divisions or sections, and then classifying the division's or section's total costs for the base period as either direct or indirect; and (2) dividing the total allowable indirect costs (net of applicable credits) by an equitable distribution base. The result of this process is an indirect cost rate that is used to distribute indirect costs to mandates. The rate should be expressed as a percentage which the total amount of allowable indirect costs bears to the base selected.

VI. RECORD RETENTION

Pursuant to Government Code section 17558.5(a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter¹ is subject to the initiation of an audit by the Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced. All documents used to support the reimbursable activities, as described in Section IV., must be retained during the period subject to audit. If an audit has been initiated by the Controller during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

VII. OFFSETTING REVENUES AND REIMBURSEMENTS

Any offsetting revenue the claimant experiences in the same program as a result of the same statutes or executive orders found to contain the mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any source, including but not limited to, service fees collected, federal funds, and other applicable state funds, shall be identified and deducted from this claim.

VIII. STATE CONTROLLER'S CLAIMING INSTRUCTIONS

Pursuant to Government Code section 17558(b), the Controller shall issue claiming instructions for each mandate that requires state reimbursement not later than 90 days after receiving the adopted parameters and guidelines from the Commission, to assist local agencies and school districts in claiming costs to be reimbursed. The claiming instructions shall be derived from these parameters and guidelines and the decisions on the test claim and parameters and guidelines adopted by the Commission.

Pursuant to Government Code section 17561(d)(1), issuance of the claiming instructions shall constitute a notice of the right of the local agencies and school districts to file reimbursement claims, based upon parameters and guidelines adopted by the Commission.

¹ This refers to title 2, division 4, part 7, chapter 4 of the Government Code.

IX. REMEDIES BEFORE THE COMMISSION

Upon request of a local agency, the Commission shall review the claiming instructions issued by the Controller or any other authorized state agency for reimbursement of mandated costs pursuant to Government Code section 17571. If the Commission determines that the claiming instructions do not conform to the parameters and guidelines, the Commission shall direct the Controller to modify the claiming instructions and the Controller shall modify the claiming instructions to conform to the parameters and guidelines as directed by the Commission.

In addition, requests may be made to amend parameters and guidelines pursuant to Government Code section 17557(d), and California Code of Regulations, title 2, section 1183.17.

X. LEGAL AND FACTUAL BASIS FOR THE PARAMETERS AND GUIDELINES

The decisions adopted for the test claim and parameters and guidelines are legally binding on all parties and provide the legal and factual basis for the parameters and guidelines. The support for the legal and factual findings is found in the administrative record. The administrative record is on file with the Commission.
